CONSOLIDATED COMMUNITY FUNDING POOL
Fiscal Years 2011-2012 PROGRAM DESCRIPTIONS

The descriptions presented below represent the scope of service proposed by the non-profit organizations for the funding level requested.

PROGRAM NAME/ORGANIZATION

ACE Foundation
Education for Independence
Region 4
This project addresses the need for a workforce development program for low-income single parents, single pregnant women and displaced homemakers to attain self-sufficiency. The program will provide career development workshops that include career planning, vocational interests and ability assessment, career directions, job seeking skills and techniques and setting the stage for future success.

Alliance for the Physically Disabled
APD Housing Administration
Regions 1, 2, 3, 4
The program will provide housing with full time personal assistance services to care for low income adults with severe physical disabilities.

Alternative House
Culmore Youth Outreach
Region 2
The Culmore Youth Outreach Project will provide services to at-risk youth in the areas of counseling, homework assistance, supervised recreation, job training and community service opportunities in an effort to help youth gain the knowledge, skills and abilities to make sound decisions. This project will serve low income youth in grades 7th through 12th, who live in the Culmore area of Bailey's Crossroads.

Alternative House
Annandale Safe Youth Project
Region 2
This proposal addresses the need for after school programs for youth in the Annandale area of Fairfax County. The goal of the project is to prevent high risk youth from being drawn into gang involvement, drug use, sexual behavior and substance abuse and to promote their staying in school, achieving good grades and aspiring to a higher education. The activities are designed to address the needs of the youth between the ages of 9-11 and the families and will include tutoring, computer training, multigenerational groups, health programs, anger management groups, gender sensitivity groups, homework help, recreational opportunities, substance abuse prevention groups, community service, acculturation groups, Girl Power and individual and family counseling.

Alternative House
Assisting Young Mothers
Regions 1, 2, 3, 4
The Assisting Young Mothers Program will provide transitional housing services to young women between the ages of 18 and 21. Participants will receive basic life skills training, employment counseling, case management services and parenting skills and services for 18-months. Staff will work closely with them to develop individual service plans that will help them to obtain self-sufficiency upon conclusion of their enrollment.

Alternative House
Culmore Safe Youth Project
Region 2
The Culmore Safe Youth project will address CCFP funding priority 3 by providing services to 30 at risk youth in grades 4th through 6th for a minimum of 13 hours per week. The program will provide tutoring, computer training, individual and group counseling and supervised recreational activities. Although Alternative House has a center for teens ages 12 to 18, the Safe Youth Project will address the specific needs of children between the ages of 9 to 11. This project will encourage parent involvement so that parents will become actively involved in their children's lives and healthy parent/child relationships will be fostered.

Alzheimer's Family Day
Wraparound Family Caregiver Support Program
Regions 1, 2, 3, 4
The program is designed to support family caregivers of adults with Alzheimer's disease (and related dementia) by providing services that complement the adult day health care that is provided to the individuals with dementia. Specific services provided are: enhanced communication between home and Day Center which includes development of an individual Care Plan; individual family caregiver consultation; family caregiver support groups; and family caregiver education, to include 75 classes a year addressing topics such as care giving strategies, medications, resources, and legal and financial concerns.

Annandale Christian Community for Action (ACCA)
Nutrition/Hygiene
Region 2
The all volunteer program provides nutritious food and hygiene items to families and individuals in financial crises living in the Annandale, Lincolnia, Bailey's Crossroads, and Culmore areas. The program receives referrals from Fairfax County Coordinated Services Planning, ACCA Child Development Center, schools, churches and community organizations. Volunteers deliver a 10-14 day supply of food/hygiene items to clients to stabilize their situation. In addition, holiday baskets are distributed to a limited number of families/clients. Food purchases have been modified to meet dietary, special needs, and preferences of the immigrant population.

Annandale Christian Community for Action (ACCA) Family
Emergency Assistance
Region 2
The all-volunteer program provides emergency financial assistance for rent, security deposits, utility bills, prescriptions, medical dental services and other non-food needs such as gas, work tools, clothes, furniture storage, etc. Referrals are from county social workers, churches, nonprofit social service agencies and shelters.

Beth El House, Inc.
Beth El House Region
1

This project addresses the need for case management and social services to mothers and children enrolled in their transitional housing program. Bethel El will provide a case manager to work with the

families to provide mental health and health services, parenting skills, money management, individual and group counseling, job counseling, job search skills and access to education.

Bethany House
Family Assistance Program
Regions 1, 2, 3, 4
The program will provide housing to women and children made homeless as a result of domestic violence. In addition, emergency shelter will be is provided to assist women who are homeless due to other causes. Services will include continuum of care by providing crisis intervention and hotline services, support services, community outreach, intake and needs assessment, case management, academic and vocational training, ESL, adult literacy, life skills and parenting training. Clients will also receive intensive individual counseling and two-year aftercare services.

Big Brothers Big Sisters of the NCA
Hermanos y Hermanas Mayores Latino Outreach Initiative
Regions 1, 2, 3, 4
Big Brothers Big Sisters of the National Capital Area (BBBS) provides long-term mentoring to Latino children ages 8 to 18. Mentors are carefully screened and trained to serve as role models to help children develop self esteem and engage in positive experiences so they can become productive individuals in the community.

Boat People SOS
Asian Youth Empowerment
Regions 1, 2, 3, 4
The Asian Youth Empowerment Program provides after-school educational programming to youth. This program includes a new component called Academic Success Strategies which includes providing ESOL classes, computer instruction and parent/student workshops. Additionally, the Asian Youth Empowerment Program will offer cultural awareness and mentoring opportunities for youth. The program added a new component to its Vietnamese Parent Association project to include computer classes.

Boat People SOS
Victims of Violence, Exploitation & Trafficking Assistance Program
Regions 1, 2, 3, 4
This project will provide case management services and legal assistance for Vietnamese victims of domestic violence and sexual assault in Fairfax County.

Boys & Girls Clubs of Greater Washington
Gang Prevention in Fairfax Regional Clubs
Regions 2, 3
The program will provide after-school programming to at-risk youth ages 6 to 18. The program will focus on the development of character and leadership skills, educational support, and recreational activities to help youth form positive relationships with their peers. The services will be provided to youth living in the Culmore, Herndon, and Murrygate apartment communities.

Brain Foundation, The Laura's
House

Regions 1, 2, 3, 4
This project provides for the acquisition of two 4 bedroom townhomes which will be rented at affordable rents to extremely low income individuals with mental illness.

Business Development Assistance Group, Inc.
Self-Sufficiency through Self-Employment
Regions 1, 2, 3, 4
This project involves providing assistance and training for those who want to become self-sufficient through business ownership. The need addressed is self employment is a viable option to becoming self-sufficient. The population served is unemployed individuals and newly arrived immigrants.

Capital Youth Empowerment Program
Fathers in Touch
Regions 1, 2, 3, 4
The program will provide enrichment services through a 12-week fatherhood/parenting class that will meet for 2 hours twice a week. The program will use the 24/7Dad curriculum, developed by the National Fatherhood Initiative, which includes presentations on child support, domestic violence and employment placement (presented by OAR); supervised visitation activities, substance abuse and mental health screenings. In addition, fatherhood symposiums will be held during parent support groups that will educate mothers on the important role a father plays in a child's life.

Catholics for Housing
Virginia Ely Senior Rental Assistance
Regions 1, 2
This program provides rental assistance to senior households whose incomes are insufficient to qualify them for the Fairfax County owned retirement facilities, but meet all the other requirements for the county facilities. 40% of the program participants' income is established as the "tenant rent," while the program pays the balance of the monthly rent. Clients range in age from 64- 90, with an average age of 77. The program currently provides rental subsidies for 33% of the residents in Gum Springs Glen, 12% of the residents in Morris Glen and 11% of the residents in Herndon Harbor House I and II.

Central Senior Center
Central Adult Day Health Care Center Regions
3, 4
The program addresses the needs of older adults and adults with disabilities residing in west central Fairfax County by providing culturally competent personal care aids to assist clients with meeting basic physical needs, personal safety and security, clean living environments, maintaining alertness and activity, having access to social contact and companionship, and maintaining self-controlled lives.

Christian Relief Services, Inc.
Homes for the Homeless Regions
1, 2, 3, 4
The project proposes to provide case management services to homeless people. This includes employment assistance, education/vocational training, substance abuse treatment, housing counseling, credit counseling, child care, life skills, medical/dental care, dental health services and transportation services.

Christian Relief Services, Inc.
Housing Counseling I, II, III
Regions 1, 2, 3, 4
This project provides informative and interactive training courses to professional human service providers, families and individuals interested in buying their first home or preventing homelessness. Homeownership workshops link participants with loan officers, realtors, VHDA representatives and credit counselors. Clients can also participate in financial literacy and housing education focusing on money management, fair housing, credit and credit related issues, cultural diversity, eviction prevention and the responsibilities of tenancy.

Community Preservation & Dev. Corp.
Island Walk After School Support Program (IWP)
Region 3
The Island Walk After School Program serve students in grades 1-12 who do not have the home support systems in place to increase literacy and academic skills. The program will provide three educational components: intensive reading tutorial program, homework support for younger children (grades 1-6) and homework support for you in grades 7-12.

Community Residencies
Healthy Lifestyles for People with Disabilities Regions 1, 2, 3, 4
The funds will be used to implement a comprehensive wellness program utilizing consumer empowerment to promote the adoption of a holistically healthy lifestyle for individual adults with intellectual disabilities. The program will facilitate long-term behavioral changes for members of the organization's group homes through regular learning sessions, group reflection/support and interactive activities.

Computer CORE
Job Skills Education & Training
Regions 1, 2, 3, 4
Computer CORE works to help low-income adults acquire the technological and life skills to enable them to pursue career aspirations. CORE's program includes Microsoft Office, Internet Explorer and email training, keyboard training for students to meet the standards needed for an administrative position; provides home computer to improve their skills and access job opportunities; and job-readiness training and job-placement assistance.

ECDC Enterprise Development Corp. Microenterprise Program
Regions 1, 2, 3, 4
This project will provide loans ranging from $500-$35,000 to low to moderate income residents of Fairfax County who would like to start or expand an existing business. Activities are specifically designed to address underserved populations such as women, minorities, low to moderate income persons and newcomers to the country. Individual business counseling and training will be offered to residents to help them develop a business plan. Technical assistance is also offered to clients after the loans are granted to help clients strengthen their business skills.

ECHO, Inc.
Emergency Needs Assistance
Regions 1, 2, 4

ECHO is an all volunteer run organization that serves the emergency and basic human needs of residents in Springfield and Burke areas. The Emergency Needs Assistance program provides emergency financial assistance to cover utility bills to avert cut-off of services and rental/mortgage expenses to avoid eviction. The program is open five days a week and on two evenings each week, as well as one Saturday a month.

FACETS
Education & Community Development
Region 4
Programs include an array of services that provide life skills training and supportive services for employment, social, counseling and legal issues necessary to overcome barriers to self-sufficiency. Services are provided in 3 public housing communities where staff provides educational programs eviction prevention efforts and support families' transition from public to private housing.
FACETS
Emergency Services & Supportive Housing
Region 4
This program offers intense case management, counseling and comprehensive support services, including emergency supplies and transportation assistance to homeless residents, particularly those living along the Lee Highway corridor in Region 4.

Fairfax Court Appointed Special Advocates (CASA), Inc.
Advocating in Court for the Best Interests of Children in Crisis due to Abuse & Neglect Regions 1, 2, 3, 4
Fairfax CASA has proposed to continue to provide services for children who have been referred to the Court system due to abuse and/or neglect. Fairfax CASA will recruit, train, screen and supervise volunteer citizens to serve as Court Appointed Special Advocates (CASA). The CASA Volunteer will conduct an independent investigation of each case, monitor each case for court ordered services, write and submit a written report to the juvenile judge hearing the case and assist the legal representative for each case. The goal of the organization is to ensure that each child's need is identified and addressed, with the goal that each child will be placed in a safe permanent home in as short of time as possible.

Fairfax FISH, Inc.
For Immediate Sympathetic Help Regions 2, 3, 4
This project will provide food, transportation and financial assistance for rental assistance and utilities in an effort to help families meet their basic needs.

Fairfax Law Foundation
Northern Virginia Pro Bono Law Center (formerly Pro Bono Program) Regions 1, 2, 3, 4
The program will provide free civil pro bono legal services to low income families and individuals in order to enable them to become more stable and independent. The program will recruit and train attorneys to provide legal services on domestic relations; housing; employment and consumer issues. Attorneys work at homeless shelters, family resource centers, non profit organizations and transitional housing sites throughout the county.

Falls Church Community Service Council, Inc.
Emergency Assistance
Region 2
The Emergency & Furniture Assistance program is operated by all volunteers and provides financial assistance for rent and utilities, prescription payments, gas, transportation, etc. and basic furnishings for

clients in the Falls Church area. Short-term financial assistance is offered to families and individuals having financial difficulties. The voucher program provides clothing vouchers at Goodwill stores which allows clients to receive appropriate clothing to meet their need. Furniture is delivered to households leaving shelter or transitional housing programs. Referrals for services are received from social workers, churches and the county's CSP.

Falls Church Community Service Council, Inc. Emergency Food Pantry
Region 2
This all-volunteer program provides food for one week of meals to families and individuals in crisis. A special feature of the program is that it delivers the food to clients. The agency provides this service because it has identified transportation to the pantry as a barrier to service. Many of its clients have disabilities, family demands or insufficient public transportation. Referrals are received from county social workers and pastors.

Falls Church Community Service Council, Inc.
Homeless Day Shelter - Safe Haven
Region 2
The program will provide a daytime drop in shelter, including breakfast and lunch, to homeless and/or individuals unable to find work in the Seven Corner's area. In addition, clients receive counseling, medical assistance and other support services. A clothing bank is available during the winter months for coats and warm clothing. Fairfax County staff provides counseling for basic human services, psychological counseling and medical assistance. The program operates 2 days a week during the winter.

Falls Church-McLean Children's Center
Successful Start
Region 2
The program will provide comprehensive childhood program designed to give all children a strong foundation for life. The center proposes to serve 42 at risk children ages 2-5. Activities include on-site early intervention screening services, educational activities as well as weekly field trips.

Family Preservation & Strengthening Services
Family Stabilization & Self-Sufficiency
Regions 1, 2, 3, 4
The program will provide holistic intensive case management and rental assistance to families for a minimum of 2 years and a third year (if necessary). The program is based on the housing first model and potential clients must be either homeless or be paying more that 31% of their income in housing costs. Activities will include credit counseling, education and training and personal counseling to deal with issues of domestic violence, drug and alcohol addiction and other mental health problems that prohibit effective functioning.

Food & Friends
Home Delivered Food (Meals & Groceries) Regions 1, 2, 3, 4
Food and Friends proposes to continue to provide nutritional food and home delivered groceries to individuals with chronic illnesses during FY 2011 & FY 2012. The program will work with Registered Dieticians and chefs to customize meal plans based on the individuals dietary needs. This program provides a unique service as volunteers are utilized to deliver groceries to each clients' home, which is beneficial for clients who are chronically ill and have mobility challenges.

Food for Others
Food for Others/Fairfax Regions
1, 2, 3, 4
The program will assure basic needs for food are met throughout Fairfax County. Referrals will be made by county social workers and other social service providers. Clients will receive free groceries and USDA commodities. The program will also provide foods to community-based organizations for distribution to their clients. The target population is very low income residents for Fairfax County.

Friends of Guest House, Inc.
Residential, Aftercare & Outreach
Regions 1, 2, 3, 4
The program proposes to provide a transitional residence for female ex-offenders and support services to help them transition from prison life. The women will be provided with a safe, structured living environment in a group home setting. In addition, they will receive weekly training sessions that focus on topics such as anger management, healthy relationships, health and wellness, financial matters, conflict resolution and employment related issue. Aftercare services (job and home visits, individual and group meeting with the counselor) are provided for 6-9 months. The Outreach Program will provide, women ex-offenders who must return directly to the community without the benefit of transitional housing support, case management, weekly face-to-face meetings, individualized services based on rehab/treatment plans, assistance in facilitating appointments with other agencies, referrals and employment search assistance.

Good Shepherd Housing & Family Services, Inc.
Homes for the Working Poor, Elderly and Disabled
Region 1
This proposal addresses the need for housing for homeless families and individuals to help them achieve stability and self-sufficiency. The project will offer two options: housing for individuals and families who cannot obtain a home due to credit or income limits and those who are able to obtain housing in their own name but are at risk of returning to homelessness. Services will include access to housing, financial counseling, and support.

Good Shepherd Housing & Family Services, Inc.
Emergency Services- Keeping Families at Home
Region 1
This project will provide counseling and grants to allow clients in short-term crises to avoid eviction or utility disconnection, which are basic needs. The population served is low-income residents of south Fairfax County who can support themselves once their immediate crises are resolved.

Grace Ministries of the UMC
Integrated Immigrant Services Program
Regions 2, 3
The program will provide emergency assistance through distribution of food, clothing, diaper and other necessities on a monthly basis. In addition, health screenings and health resource information, job training, and job skills training in the areas of personal care aide training and commercial driver's license training for school bus drivers will be provided.

Helping Children Worldwide
Connections for Hope & HOST Team Region 3 Collaboration
Region 3

The program will provide access to multiple services by providing space for several organizations to colocate for easier access to services. Services will include health care, ESL, legal services, computer training, services to prevent and end homelessness, and remedial homework assistance. The organization has made several cooperative agreements with other nonprofit organizations to provide these services.

Herndon-Reston FISH, Inc.
Family Assistance Prevention/Crisis Intervention
Region 3
The program will provide emergency financial assistance to prevent clients from being evicted from their homes as well as to prevent the disconnection of utility services. This is the major component of Herndon-Reston FISH as their primary mission is crisis intervention. This program requires that all clients who receive financial assistance attend financial literacy workshops which are taught by program volunteers. This strategy is implemented to assist clients with the tools that they need to become self-sufficient. Additionally, Herndon-Reston FISH will also provide round-trip transportation services to assist elderly clients and individuals with disabilities to their medical appointments.

Hispanic Committee of Virginia
Crisis Intervention & Family Self-Sufficiency
Regions 1,2,3,4
The program will assist families in meeting their emergency and short-term needs by providing: information & referral services, foreclosure prevention and loss mitigation education and counseling, immigration legal assistance and citizenship preparation, pre-GED counseling and ESL services.

Homestretch, Inc.
Homestretch Transitional Housing
Regions 1, 2, 3, 4
This project involves providing comprehensive transitional housing services for homeless families with the goal of helping them attain self-sufficiency, family stability, and permanent housing. The need addressed is for affordable housing and services for homeless families in order to help them break the cycles of homelessness, poverty, and dependence. The population served is homeless families with children under 18 in Fairfax County and the City of Falls Church.

Homestretch, Inc.
ADDRESS – Aggressive Dynamic Debt Reduction Elimination & Savings Strategies Regions 1, 2, 3
This program provides financial management education, budget and credit counseling, debt reduction and savings assistance, with on-site child care, for homeless residents in order to help them become selfsufficient.

Homestretch, Inc.
The Homestretch English as a Second Language Program
Regions 1, 2, 3
This project will provide ESL instruction for individuals enrolled in the transitional housing program in order to improve their employability, and self-sufficiency. The population served is homeless adults with limited English which is an obstacle to self-sufficiency.

Housing & Community Services of Northern Virginia
Case Management/Housing Counseling
Regions 1, 2, 4

The program provides counseling and case management services to low income families in the Mount Vernon, Lee and Springfield districts. The program provides short-term housing counseling for up to six months and long-term case management for up to two years to assist families to manage the crisis and achieve stability. The program will also provide housing search assistance, emergency financial assistance to prevent eviction or utility cut-off and foreclosure prevention services. Advocacy, education and information services are provided to help program participants and the community atlarge better understand their rights, responsibilities, needs and resources. Counselors will also assist clients progress towards financial stability through budget and credit counseling and referrals to job skills training that will enable individuals to earn livable wages.

Infant Toddler Family Day
Family Child Care Teacher Training & Workforce Development
Regions 1,2,3,4
This project will provide training and support services to low-income immigrants to assist them in becoming skilled, professional early child care teachers. Additionally, all of the training includes English for Speakers of Other Languages (ESOL). Participants will be provided an opportunity to obtain a college Infant Toddler Certificate, Associates Degree in Early Childhood Development and/or a Child Development Associate (CDA) certification. The goal of the program is to assist participants in becoming self-sufficient.

James Mott Community Assistance Program
Self-Sufficiency Program
Region 4
The program provides individuals and families with emergency assistance for food, utilities and rent payments.

Jeanie Schmidt Free Clinic
Screen, Treat, Educate Program (STEP) Regions 3, 4
This proposal addresses the need for healthcare services to uninsured, low income individuals in the Reston-Herndon area. Services will include dental, vision, asthma, diabetes, hypertension and cholesterol screenings; treatment for adults and children with chronic illnesses; education on preventive care measures and community resources; and referrals to a permanent medical home.

Jewish Community Center of No. Va.
Camp Shalom
Regions 1, 2, 3, 4
The program will provide four two-week summer camp sessions for children in grades 1-6 with a variety of communication issues, including Autism Spectrum Disorders, Down Syndrome, and ADHD. Activities will include workshops, individual therapeutic coaching sessions, educational, recreational, cultural and social enrichment activities.

Jewish Social Service Agency
Helping Troubled Children & Teens by Strengthening Families
Regions 1, 2, 3, 4
Jewish Social Service Agency (JSSA) proposes to continue its services by providing psycho-educational groups, social skills therapy groups, individual therapy and family therapy to 188 individuals during FY 2011 & FY 2012. The program would like to continue to serve youth enrolled at Herndon Middle School and would also like to expand its services to children enrolled in Hutchinson Elementary School. JSSA proposes to expand its services to children in elementary school based on its experience in working

with this target population and recognizing that early intervention is the key to reducing risk and maintaining mental health among youth.

Just Neighbors Ministry
Immigration Legal Services Regions
1, 2, 3, 4
The program will provide immigration legal services to low income immigrants and refugees in Fairfax County. The program will assist individuals with obtaining a green card, work permit, Temporary Protective Status and various other legal services.

Koinonia Foundation, Inc.
Emergency Relief Services
Region 1
The program provides financial assistance for rental and utility expenses in South County. A social worker is available to assess client needs and to develop a self-sufficiency plan. In addition, Koinonia operates a food pantry and a clothing closet.

Korean American Association of Northern Virginia
Vocational Training for Korean-Americans in Fairfax County
Regions 1, 2, 3, 4
The program will provide 23 vocational and related courses including three computer courses, six English courses (including an advanced English/Citizenship class), two classes in heating and air conditioning, a plumbing class, electrical technician class, tailoring classes, and classes to prepare for a construction license, pharmacy technician certification and nursing aide certification. The proposal will target Korean immigrants who need language and job skills to become self-sufficient.

Family & Youth Counseling for Korean Americans in Fairfax County
Korean American Family Counseling Center Regions 1, 2, 3, 4
The program will offer individual and family counseling services to promote mental health; a school based Support Group for Youth and a monthly educational seminar. Program expansion includes the provision of a Youth Vision Conference to connect youth with successful professionals to increase knowledge of career opportunities and expand their social relationships. The school-based Support Group for Youth is a mentoring program facilitated in two middle schools in Fairfax County (Edgar Allen Poe and Liberty Middle School). Staff meet with students once per week and provide activities that help students understand both Korean and American cultures. Additionally, the organization is developing the Love & Care Foundation which is an active suicide prevention and treatment program for Korean Americans.

Korean American Family Counseling Center
Peer-to-Peer Youth Learning Program Regions
1, 2, 3, 4
The program is designed to help low-income Asian-American students in grades K-12 and their parents that are in need of opportunities and resources to achieve academic goals, learn parental skills and develop a social support network. The intervention involves one to one peer-led education & mentoring, individual and family counseling, and parent education. The parental education will focus on the promotion of academic achievement, social-emotional competence, social support and healthy parent-child relationships. Students with problematic behaviors will receive individual counseling from culturally competent counselors and troubled parents will also be offered individual or family therapy.

Korean Community Service Center of Greater Washington

Mental Health Resources Project Regions 1, 2, 3, 4

The project provides a comprehensive range of culturally and linguistically appropriate direct services free of charge that help Asian clients improve their mental health status. Program activities include mental health resource building, information and referral services, short-term counseling and the provision of mental health awareness and preventive workshops. Case management is designed to include referrals to support groups and interpretation/ translation services in order to improve clients' overall mental health status.

Korean Community Service Center of Greater Washington
Self-Sufficiency Project for Korean Immigrants
Regions 1, 2, 3, 4

The program provides a comprehensive range of culturally and linguistically appropriate direct services that help Korean immigrants build up their financial security, improve their health status, attain or maintain stable housing and increase their civic participation. Program activities include telephonic and face-to-face information & referral services, comprehensive case management, short-term counseling and crisis intervention and educational forums. Newly proposed activities include financial literacy education, connection to affordable health care insurance, Medicare Part D enrollment/review, housing counseling/placement, foreclosure prevention clinic, job search assistance and volunteer recruitment/education.

Legal Aid Justice Center
Legal Assistance for Immigrants-Employment Regions 1, 2, 3, 4

The program will provide legal assistance, education and advocacy to assist low wage immigrant workers in preserving their rights in the workplace. Specifically, the LAJC's ongoing employment law program provides: free legal assistance, including consultation and advice; assistance with *pro se* court proceedings; assistance with and monitoring of the filing of complaints with the Virginia Department of Labor and Industry; or extended legal representation including trial in state or federal court. The LAJC program will continue to conduct regular outreach to low-wage immigrant workers in an effort to educate them about workers' rights, the legal system and where to get assistance.

Legal Services of Northern Virginia Legal Aid – Families & Consumers Regions 1, 2, 3, 4

The proposal will provide legal service (assistance and representation) to low income families and individuals in the areas of family law, law for children, consumer law, elder law, and public benefits law. These services enable low income people to meet their basic needs and become stable and independent and therefore self-sufficient. The target population includes people with disabilities, the elderly, battered women and people needing multicultural and multilingual assistance.

Legal Services of Northern Virginia
Legal Aid – Housing & Employment Regions 1, 2, 3, 4

The program will provide legal services to low income individuals and families, including seniors and people with disabilities, in the areas of housing and employment. The legal service will help clients find and maintain safe and affordable housing and attain or retain jobs.

Legal Services of Northern Virginia
Legal Aid - Immigrant Law Project Regions 1, 2, 3, 4

The program will provide legal information, outreach, legal advice and representation to immigrants in the areas of civil rights, housing, family and employment.

Legal Services of Northern Virginia
Legal Aid – Access to Justice Route 1
Regions 1, 2, 3, 4
The proposal addresses the need for legal services in South County. This new project proposes to provide free civil legal services to low-income families and individuals, including seniors and persons with disabilities who are residents of the Route One area. The focus of the project is to serve individuals who need legal assistance with family and housing issues.

Literacy Council of Northern Virginia
Adult Basic Literacy/ESOL Tutoring & Classroom Programs
Regions 1, 2, 3, 4
Literacy Council of Northern Virginia will provide beginning-level literacy and English language adult education through four programs: Basic Literacy Tutoring, ESOL Tutoring, Family Learning Program, and ESOL Learning Centers which are designed to meet the various needs of the population served.

Lorton Community Action Center
Self Sufficiency Region
1
The services offered under the Self Sufficiency program include: case management, English as a Second Language (ESL) classes, nutrition classes and pro bono legal services. The LCAC case manager works one-on-one with clients that require individual counseling and assistance. Case management includes assistance with budget management, securing and maintaining housing, employment assistance, learning life skills, accessing transportation, resolving medical crises and addressing other issues.

Lorton Community Action Center
Crisis Intervention Region
1
The program will provide basic needs to the low income residents of the Lorton area. Services will include the provision of food, clothing, furniture; information and referral; emergency financial assistance and seasonal assistance.

Lorton Community Action Center
Ongoing Assistance for Independent Living
Region 1
The program will offer food, clothing and furniture assistance, medical and prescription assistance, ongoing homelessness prevention, seasonal assistance and direct assistance to residents of the Lorton area who are in need of ongoing help to live independently. In large part, these clients are elderly residents, clients with disabilities or single-parent households with several children. Services will be designed to assist families with continuing needs in order to resolve recurring problems and avoid additional crises.

Lutheran Social Services of NCA
Refugee Self-Sufficiency Program Regions
1, 2, 3, 4
The program will provide intensive case management and employment services to low-income refugee families with unemployed heads of households who are homeless or threatened with homelessness.

Services will assist in securing and maintaining housing, meeting basic needs, increasing job skills, and increasing employment options.

National Rehabilitation and Rediscovery Foundation
Holistic Approaches for Achieving Self-Sufficiency & Independence for Individuals with Disabilities
Regions 1, 2, 3, 4
This project proposes to continue to provide neuromuscular and motor skills training as well as therapeutic dance movement sessions to 300 individuals identified with brain injuries and other neurological disabilities. The program proposes to cooperate with the Northern Virginia Brain Injury Association to provide community based services to individuals with disabilities.

New Hope Housing, Inc.
Housing First Services for Chronically Homeless Adults
Region 1
The project will provide community case management for chronically homeless adults in Region 1 and the city of Falls Church, including skill building for daily living, addressing personal challenges, increasing income and increasing self-determination.

Newcomer Community Service Center
Newcomer Self Sufficiency Program Regions
1, 2, 3, 4
This proposal addresses the need for services for immigrants and refugees to become self sufficient in the U.S. The proposed project provides the following services: immigration services and citizenship counseling, employment services, ESL instruction, case management, and information and referral services.
Northern Virginia AIDS Ministry
Medical Transportation Support Services Regions
1, 2, 3, 4
This project will provide transportation services to Fairfax County residents living with HIV/AIDS. This service will be used to assist clients to medical and other social service appointments. The project will also provide bus tokens or Metro fare cards to clients and refer them for other social services such as FASTRAN.

Northern Virginia AIDS Ministry
Access Advocacy for Children/Pals Regions
1, 2, 3, 4
The program proposes to provide case management and referral services to low-income families who are affected/infected by HIV/AIDS. The target population to be served is children and youth between the ages of 0 to 17. The children and youth will be able to participate in the PALS Mentoring program in which each individual will be matched with a volunteer mentor who will be trained to address their individual needs as well as assist families in navigating the social service system.

Northern Virginia AIDS Ministry

1, 2, 3, 4
This project will provide information on facts related to preventing HIV and other sexually transmitted diseases including the risks associated with alcohol and substance abuse to youth across Fairfax County, including Fairfax County Public Schools, juvenile detention centers, group homes and other community based organizations that serve youth.

Northern Virginia Community College Educational Foundation
American Dream Team
Regions 1, 2, 3, 4
The program will provide employment-focused ESL programs to low income and moderate income residents of Fairfax County. Courses will be provided at four NOVA campuses- Annandale Campus, Loudoun Campus/Reston Center, Medical Education Center and the Manassas/Woodbridge Campuses. Additionally, the American Dream Team will identify and recruit employers whose hiring needs generally match those of the target population.

Northern Virginia Community College Educational Foundation
NOVA Restorative Dental Clinic
Region 4
The project proposes to meet the needs of low income Fairfax County residents by adding restorative dental care services which will require the addition of dental assistant hours, expanding the program's hours of operation which requires the addition of dentists hours, and adding support staff to ensure the quality of care, efficiency of operations and improve the communication between patients and clinicians. The project will continue to provide existing services such as oral screenings, full-mouth radio-graph, diagnosis and treatment plans, simple surgery, simple fillings and patient education and expand its services to include restorative dental care services so that patients can function free of infection or imminent physical health caused by untreated dental disease.

Northern Virginia Dental Clinic, Inc.
Northern Virginia Dental Clinic
Regions 1, 2, 3, 4
This project will address the CCFP priority area 1 by providing oral health care services to low income and uninsured Fairfax County residents ages 18 or older. The project's goal is to eliminate all pain and infection, restore oral health and educate clients on proper home care techniques to help maintain their improved state of oral health.
Northern Virginia Family Service Training
Futures
Regions 1, 2, 3, 4
The program provides low income clients intensive job training and readiness skills in order to prepare them for new careers in the business or healthcare sectors with livable wages, benefits and opportunities for continued career growth. The program provides 25 hours per week of training for 25 weeks. Each program cycle consists of 17 weeks (425 hours) of intensive office/computer skills training, 3 weeks of skills application in an internship with a local company, and 5 weeks of job search training and skills marketing. Through an innovative partnership with Northern Virginia Community College (NVCC), students are eligible to earn up to 17 college credits towards NVCC's Business Information Technology Certificate.

Northern Virginia Family Service
Multicultural Human Services Regions
1, 2, 3, 4
Northern Virginia Family Service Multicultural Human Services (MHS) provides mental health and social service programs to English-limited immigrant and refugee individuals and families in Fairfax County, for whom existing services are inaccessible due to language and cultural barriers, an overburdened workforce, or fees that are not affordable. The five primary programmatic components include: intake & referral activities, case management, educational activities, mental health services and Immigration & Citizenship services.

Northern Virginia Family Service Adult
Health Direct Assistance
Regions 1, 2, 3, 4
The program will meet the urgent care needs of low income clients by ensuring they are linked to affordable community based medical and dental providers and receive financial assistance when necessary to access medical providers or prescription medication.
Northern Virginia Family Service

Senior Employment Resources
Unemployment Crisis Prevention for Seniors Regions 1, 2, 3, 4

The proposal addresses the need for employment services for people over age 50 who wants to be productive in the community. The project's focus is to encourage older job seekers to prepare themselves for exploring the current job market, job searches and employment and to urge more employers to hire older workers. Services will include computer training, job search counseling, resume development, job placement assistance and job data bank.

ServiceSource, Inc.
Laurie Mitchell Employment Center- TEC 2000
Regions 1, 2, 4

ServiceSource has teamed with the Laurie Mitchell Employment Center to facilitate the TEC 2000 program, which is information technology training designed to assist people with disabilities to become productive and independent members of society. Participants will gain significant basic competencies through the completion of a curriculum which includes soft skills, job preparation training and customized job placement services. The curriculum was developed to not only address entry level deficiencies found among individuals with disabilities, but also includes employability and administrative skills. Upon successful completion of the basic curriculum, students receive the Microsoft Office Specialist Certification

and are teamed with an Employment Specialist for placement into competitive employment. After employment placement, clients receive extensive employment support up to 90 days to assure a successful transition.

Shepherd Center of Fairfax-Burke
Project Independence: Helping Fairfax-Burke Seniors Age in Place
Regions 2, 4
The program provides supportive services to seniors, including companion shopping, accompanied medical transportation, outreach to low-income seniors, enrichment and socialization activities, exercise classes and informal caregiver programs.

SkillSource Group, Inc.
SkillSource- Sheriff Employment Center
Regions 1, 2, 3
The program will provide employment assistance to inmates to help them gain and retain employment before and after their release. Job seekers have access to computers and the internet, training grants, labor market information, community resources, job search tools, career development workshops, resume assistance and employment counseling. Staff will connect an offender with any supportive service that might eliminate impediments to being employed, such as transportation vouchers for the bus or Metro, or equipment and clothing purchases. Additionally, the case manager can help offenders who have not completed their high school education to obtain a GED and connect them with courses and materials that will help them study for the recertification test. Potential clients identified by the Sheriff's Office must have 12 or fewer months left on their sentence.

Specially Adapted Resource Clubs (SPARC)
Day Support Club House 1 & 2 Regions
1, 2, 3, 4
The program will provide an accessible club designed for adults with physical and/or developmental disabilities. Participants will self-direct their choice of activities. SPARC proposes the following activity stations: receptionist, media center, computer lab, library, instructional/demonstration kitchen, horticulture, gross motor, small animal habitats, conference, sensory, respite. Staff and volunteers will also facilitate nutritional and personal care needs. Other services will include information on access to transportation options, art and music, and hands on activities of money management and entrepreneurial projects.
Tahirih Justice Center
Holistic Legal Services to Protect Immigrant Women/Girls from Violence & Achieve SelfSufficiency
Regions 1, 2, 3, 4
The program will provide pro bono legal representation to women and girls fleeing gender-based violence. Services will include immigration related matters, holistic social service case management support and family law (orders of protection, custody, divorce, child support etc.) representation. Clients will receive referrals to access basic needs services such as shelter, transitional housing, medical and psychological care, food, and clothing. Hispanic Committee of Virginia will provide job readiness trainings, career counseling, and ESL classes.
