FOREWORD

This directory of rental complexes in the Fairfax area has been compiled over time and is based upon the latest available information, as of January 2012, to include the various Fairfax County Rental Housing Censuses and an internet search for rental complexes with accessible units. This directory does not constitute an endorsement of any particular rental complex. It is intended solely as a source of information. The geographic listing is by zip code address and general area. For example, look under Kingstowne in addition to Alexandria.

The term "accessible," as used in this guide, means that the number of apartments listed as accessible for each complex are at least minimally wheelchair accessible, including the entrances to the building and individual apartment, and there are appropriate curb cuts where vehicles would be parked. In some cases, wheelchair access may be in the rear of the building, such as through a patio entrance.

The disability features listed for each apartment are as reported by each respondent in the latest Fairfax County Rental Housing Census, or as responded to inquiry from this office. The user of this directory is encouraged to visit and inspect the unit to determine whether it meets his or her particular needs before signing a lease. For example, a "wide doorway" may not be wide enough for a large power wheelchair. Please note that where the heading "Location of accessible units" indicates multi-floors, and "Elevators with Braille" is not indicated, it means the complex has elevators without Braille. Questions concerning this directory may be referred to Disability Services Planning and Development staff at 703-324-5421, TTY 703-449-1186 or by e-mail to disabilityservices@fairfaxcounty.gov.

People in need of accessible or modified housing are encouraged to know their rights under the Virginia Uniform Building Code, the Virginia Fair Housing Law, the Fair Housing Act, Section 504 of the Rehabilitation Act and the Americans with Disabilities Act. Questions concerning these may also be referred to the Disability Services Planning and Development staff.

Financial assistance programs are available to help citizens afford housing. The Fairfax County Department of Housing and Community Development has programs that provide housing vouchers, rental assistance, and assistance for first-time homebuyers. The Housing Authority can be reached at 703-246-5100 or TTY 703-385-3578; their Web site can be found at www.fairfaxcounty.gov/rha. In addition, Fairfax County publishes a "Low and Moderate Income Housing Guide," which can be found at www.fairfaxcounty.gov/rha. Under "Other Resources", click on *Low and Moderate Income Housing Guide;* it is also available by contacting the Department of Housing and Community Development or the Disability Services Planning and Development staff.
