[1] The 2007 School Referendum totaled $365,200,000 of which $315,200,000 was for school improvement needs and $50,000,000 was for a County vehicle maintenance facility for school buses and other County vehicles. The maintenance facility will be funded from the County's capacity allocation, as approved by the Board of Supervisors on May 7, 2007.
