Second Public Meeting on Access to the New Wiehle Avenue and Reston Parkway Metrorail Stations

Tuesday, July 24, 2007
7:00 PM – 9:00 PM
Hyatt Regency Hotel
Reston Town Center • 1800 Presidents Street • Reston, Virginia
Sponsored by the Reston Metrorail Access Group (RMAG)

Second of Four Planned Public Meetings

Metrorail is coming to Reston with new stops planned for Wiehle Avenue and Reston Parkway. As a member of the Reston community, you are invited to attend the second in a series of four public meetings to discuss the issues surrounding getting people to and from the stops safely and efficiently.

Learn about the Project

You will have the opportunity to hear presentations, ask questions, and to provide direct input into the formation of station access management plans. A complete update of the status of the project, a timeline for further public involvement, and a summary of how input from the first public meeting has already been incorporated into the project planning will be provided.

Provide Input Directly to the Planning Team

As the development and testing of draft access management plans gets underway, your input will be especially crucial. Through question and answer sessions and small group work, you will have the opportunity to directly contribute your ideas, values and concerns to the team responsible for creating the station access plans.

Note: If you are driving please park in one of the four *free* garages located on the New Dominion Parkway side of Town Center and walk over to the Hyatt. These garages are entered from Fountain Drive, Library Street or Explorer Street.
