July 2010

Does your yard need a cleanup?

A clean, well-drained yard is NOT attractive to mosquitoes.
Check your yard every week for mosquito breeding sites.

Can you find the breeding sites in this picture?

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	Use repellents! 3
4 Independence Day	5	6	7	8	9	10
11	12	Mosquito Dunks® can kill larvae. 13	14	15	16	17
18	19	20	21	22	23	The Asian tiger mosquito bites during the day. 24
25	26	27	28	29	30	31

Solution: 1. Tire 2. Bird Bath 3. Roof gutters 4. Wading pool 5. Watering can 6. Flower Pot 7. Corrugated pipe
