

Fairfax County's Magnet Housing Program

Providing Attractive, Affordable Rental Housing for Our Emerging Professional Workforce

1, 2, 3, and 4-Bedroom Units

WHAT IS THE MAGNET HOUSING PROGRAM?

While jobs in Fairfax County may be plentiful, the development of housing has not kept pace with job growth. Furthermore, the cost of housing has placed Fairfax County out of reach, even for some who work here. The Magnet Housing Program provides attractive, well-located, affordable rental housing for qualified applicants so they can reach their career goals while enjoying the benefit of an affordable monthly rent. The program is operated by the Fairfax County Redevelopment and Housing Authority (FCRHA) and the Fairfax County Department of Housing and Community Development (HCD).

WHO IS ELIGIBLE TO PARTICIPATE IN THE MAGNET HOUSING PROGRAM?

The FCRHA has partnered with Fairfax County Public Schools, the Fairfax County Fire and Rescue, and Police Departments, the Fairfax County Sheriff's Office, and Inova Health System¹ to provide affordable rental housing in Fairfax County. This opportunity is being provided to contracted school teachers, bus drivers, as well as Fire, Police, and Sheriff's Office recruits in training, and Inova - operating room and emergency department nurses or surgical, laboratory, radiology technicians or radiology therapists.

Homeowners are not eligible, and pets are not allowed in the Magnet Housing Program. Additional partners and properties could be added in the future.

At time of application, you must meet the eligibility requirements above. Gross household income from all sources must not be below the minimum or exceed the maximum income limits shown below, based on household size:
