

Countywide Strategic Planning

Update & Recommendation

March 26, 2019

Objectives for Today's Meeting

1. Review strategic planning process and guiding principles.
2. Share community engagement process and what we learned.
3. Review and affirm proposed strategic priority areas.
4. Explain next steps.
5. Initiate strategic planning dialogue between BOS & FCPS Boards.

Purpose of Countywide Strategic Planning

Set clear, unified, community-driven vision for the next 10-20 years

Align and integrate existing issue- and department-specific plans

Provide a tool for focusing and prioritizing County initiatives over the next 3-5 years

Communicate progress on achieving measurable outcomes to all stakeholders

Guiding Principles for Planning Process

Apply a **racial and social equity lens** to engagement efforts and strategy development

Create **multiple avenues** for community, stakeholder, and employee engagement

Define **community-focused** outcomes and strategies (vs. government-centric)

Use **data-driven insights** and develop **evidence-based strategies**

Engagement Focused on 5 Key Questions

1. What are the **most critical issues & opportunities** the county will need to address over the next 10-20 years?
2. What **visionary headlines** would you like to see written about Fairfax County 10 years from now?
3. What does County government currently **do particularly well**?
4. In what areas does County government **need to improve**?
5. What do you think should be the County's **top three priorities** for the next 3-5 years?

In-Person Stakeholder Engagement

Multiple sessions featuring **small-table discussion format** (with trained County facilitators and notetakers); participants also provided written responses.

Feedback on Stakeholder Engagement Sessions

- Generally positive feedback from community and staff participants:

Thank you for the opportunity to share my concerns and my ideas for the future. It was well organized. Having facilitators really helped.

I liked the table discussions so I could hear the various viewpoints of my fellow community members. I learned a lot from this.

I wish more people took part in this.

This made me feel proud to be a county employee.

- In addition, the employees who served as facilitators and notetakers appreciated the developmental opportunity to use those new or enhanced skills.

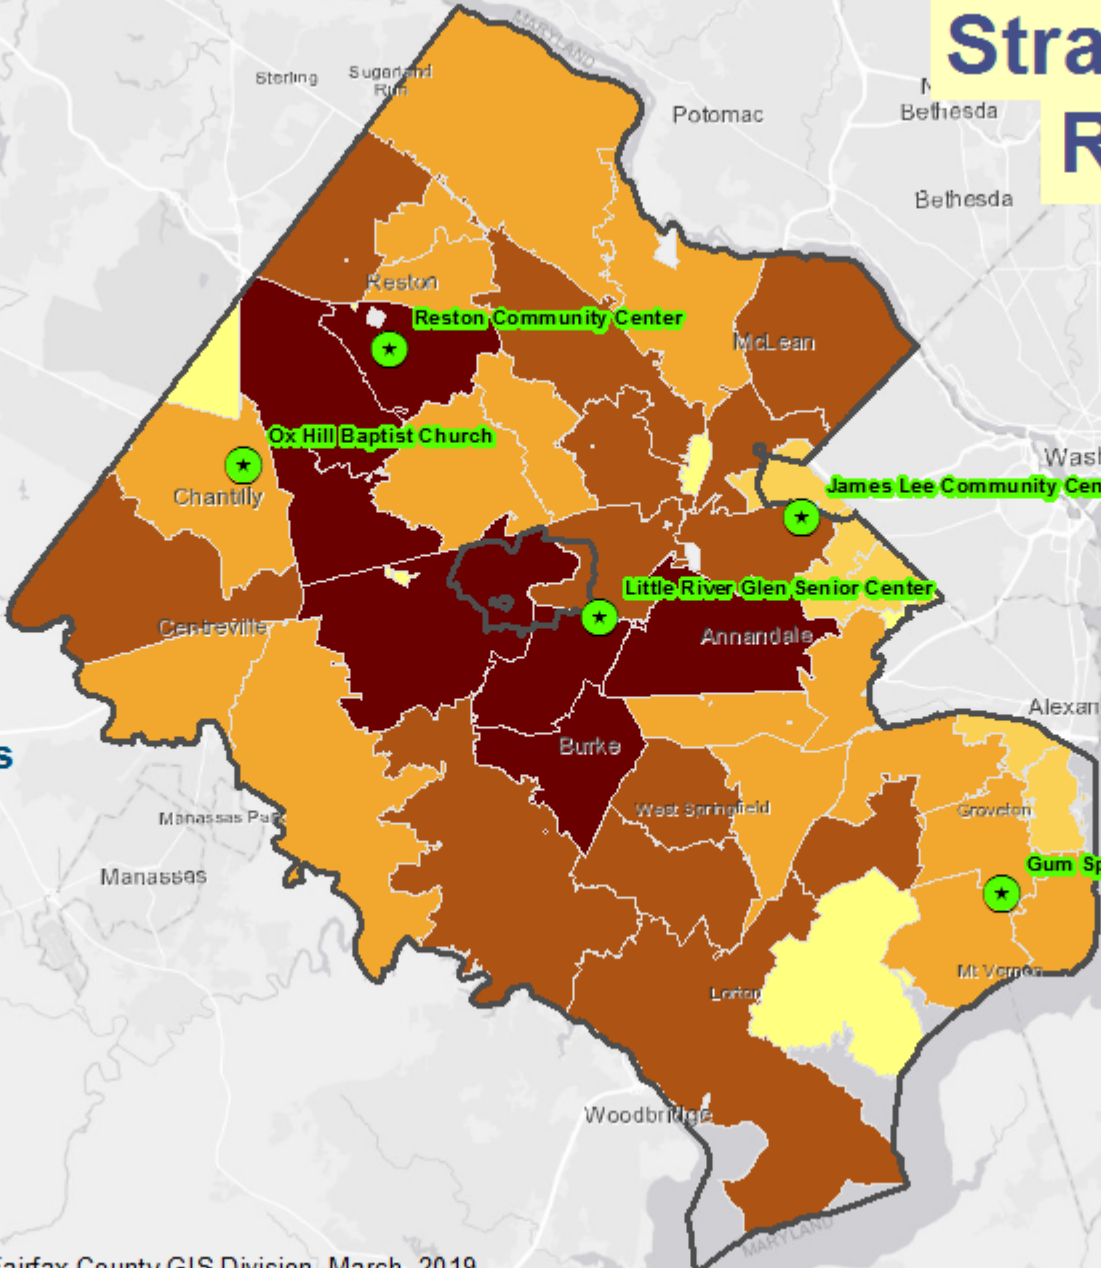

~850 respondents did not provide a valid Zip Code.
~1000 respondents were from ~200 Zip Codes outside of Fairfax County and not represented on the maps.

Strategy Team Process – April to October

Step 1: Orientation

- Set expectations; presentations from subject matter experts on key cross-cutting issues

Step 2: Challenge Statements

- Conduct SWOT analysis and define key challenges facing the County in their priority area
- Includes review of existing plans, analysis of just-completed community input and additional targeted stakeholder engagement

Step 3: Factor Maps

- Identify and map key factors that influence the desired outcomes in each priority area

Step 4: Strategies and Metrics

- Identify and prioritize evidence-based strategies to achieve the desired outcomes
- Define key metrics to measure and report progress

Process includes “tollgate” sessions after each step to review work, with planned coordination across teams.

November and Beyond

November-December

- County Executive and Steering Committee review and refine draft plans from Strategy Teams

January

- County Executive presents proposed plan

Upon Board Approval, County to Move Forward With Implementation

- New business model and organizational focus for greater collaboration across County agencies and FCPS to achieve priorities
- Capital and operating budgets aligned with strategic plan and priorities
- Ongoing engagement with the community and stakeholders focused around the strategic plan priorities
- Enhanced performance management and reporting of key metrics

Reminder: The strategic plan will always be a “living document” – open to adjustment as circumstances evolve.
