TOP SECRET

Cub Run RECenter Secret Agent

Nothing is safe from the evil claws of Dr. Derek, not even the ice cream in the lobby. For his latest nefarious scheme, the doctor is holding Cub Run RECenter ransom for \$5 million. He has laced the ice cream with explosive jalapeños which will be triggered in 2 hours if the ransom is not paid. It's up to you to help by retrieving the deactivation code and save Cub Run RECenter from the impending jalapeño ice cream explosion.

INSTRUCTIONS...

You don't need a map to solve this Mystery Trail. The directions will lead you from the start to finish. If you miss an answer along the way, retrace your steps and try again.

COMPLETING THE MISSION...

Solve the clues to complete the mission. Use the answer grid on the back page and work out the deactivation code. The answers are words that you will find as you follow the trail. When you find each answer, write it into the grid. Some of the boxes in the grid are shaded. Cross out the corresponding letters in the combination box. Solving all the clues will leave 4 letters. This is the deactivation code.
Mission complete!

YOUR MISSION

Work out the deactivation code. This trail starts and ends at the front of our building..

Keep your back to the building and walk - don't run to find the clue numbered one.

CLUE 1

Find where Cub Run REC happenings are posted. What is the animal that is brown and yellow is greeting you?

Place the answer on page 5.

CLUE 2

Follow his direction to the bird watching station.

Clue 2 is the wing color of the bird appearing to endlessly eat throughout his entire vacation.

Leave the bird to dine, turn around, and find a tall wooden sign.

Face the sign, turn right. The next sign will be a delight.

CLUE 3

At the sign you will stop as you will need to look at the top

Don't be scared or run, It's only a mere number __?

End this path and find a new that has a three foot high stump calling to you.

CLUE 4

At the end of the trail there are no bones.

But Richard knows that with a last name of _____?

Keeping the sign to your left.

Turn left.

CLUE 5

Which way does the path bend?

There is nature on your left and on your right Stop when you see an informational sign in your sight.

CLUE 6

The "Ribbons of Green" says.

"You can team with a _____?" There you have clue number six, now proceed watching for those sneaky ticks.

Your mission is only half way complete so walk toward a building with those sweet feet!

?

Our wildlife creatures love our Cub Run Stream Valley.

Now find the rules without a dally.

CLUE 7

What should always be on a leash?

Pay attention, the man on a sign is **not** showing the right way to go.

Go the other way.-ok?

CLUE 8

Where numbers greet you with color- add the two most southern .

That is your clue labeled number eight!

Quickly go north east in a long straight line- that's where you find clue number nine!

CLUE 9

Don't pass me- I'm red, short and small. I'm your friend if fire you should call. I have 2 words but just use my second.

Keep it on your right, follow the curb to the very end. A sign in the grass will tell you with the first 3 words where to head next.

CLUE 10

Stand in the middle of the big grassy circle.

The stone number surrounding you is your clue numbered ten.

CLUE 11

You'll need the colors of the numbers in the heavens to figure out clue number eleven, (Use the photo clue in next box)

MISSION COMPLETE

Congratulations! You should now be able to work out the four figure code to thwart Dr. Derek!
