

Little Pimmit Run Sanitary Sewer Realignment Project Community Meeting

WW-000028-016

Department of Public Works and Environmental Services
Working for You!

A Fairfax County, VA, publication
October 4, 2021

Agenda

- Meeting Goals
- Vicinity Map
- Project Goals
- Existing Conditions
- Proposed Alignment
- Schedule
- Questions

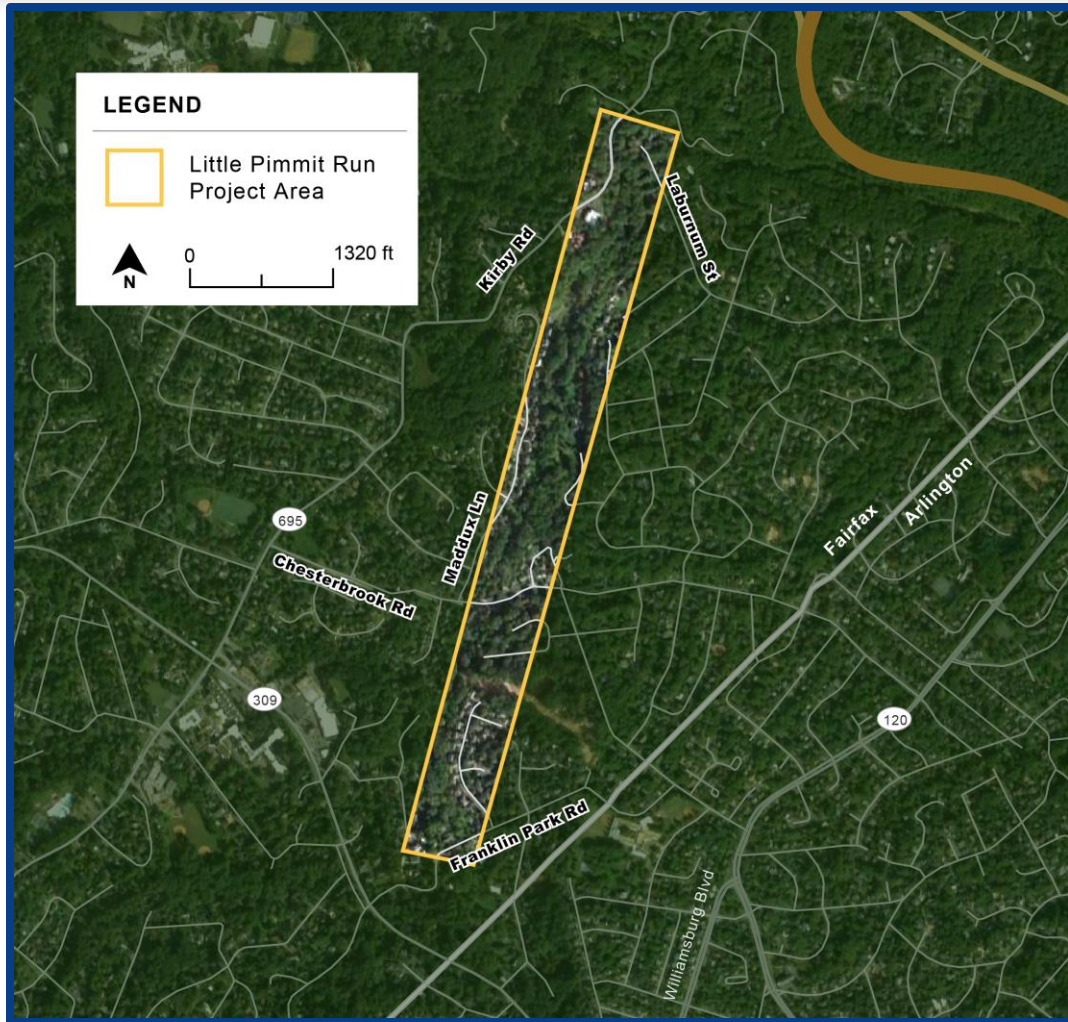

Meeting Goals

- Share information
- Maintain open dialogue with the community
- Build connections with local organizations such as homeowners associations

Vicinity Map

- Kirby Road to the North
- Franklin Park Road to the South
- Bound by:
 - *Briar Ridge Ct*
 - *Chesterbrook Vale Ct*
 - *Maddux Lane*

Project Goals

Improve and protect public infrastructure

Assess sanitary sewer segments which cross Little Pimmit Run for relocation

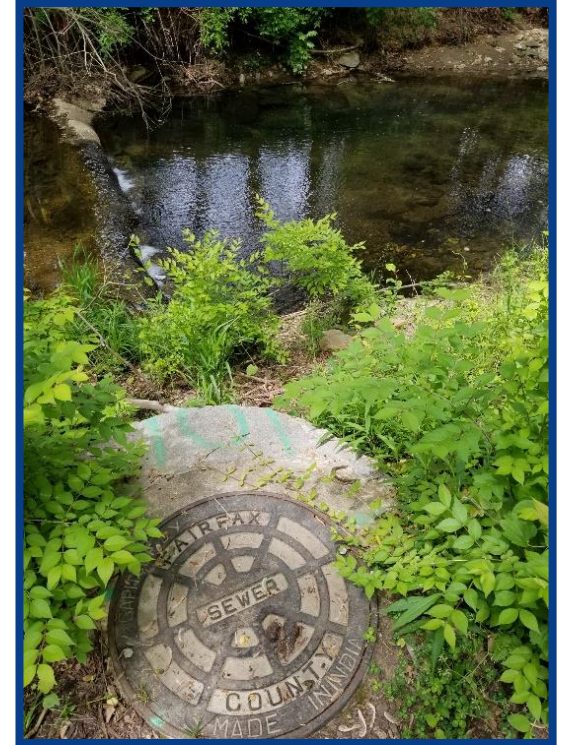

Prevent costly emergency repairs

Reduce risks to public health and the environment

Existing Conditions

Exposed and aerial sanitary sewers present risk to environmental and human health

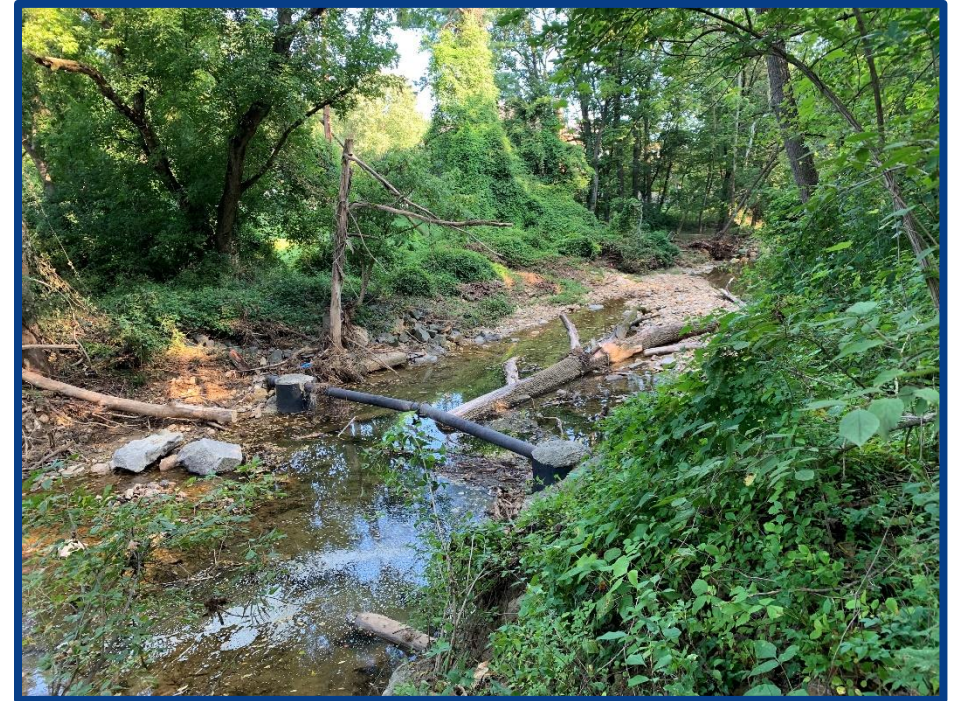

Existing Conditions

Sanitary Sewer Realignment Project will eliminate 5 exposed crossings

Existing Conditions: Damaged Pipe

- Exposed pipes are at increased risk of damage
- Realignment sanitary sewer will prevent recurrence of this issue
- Pipe (X3) is stable, interim repair is ongoing

Concurrent Stream Restoration Project

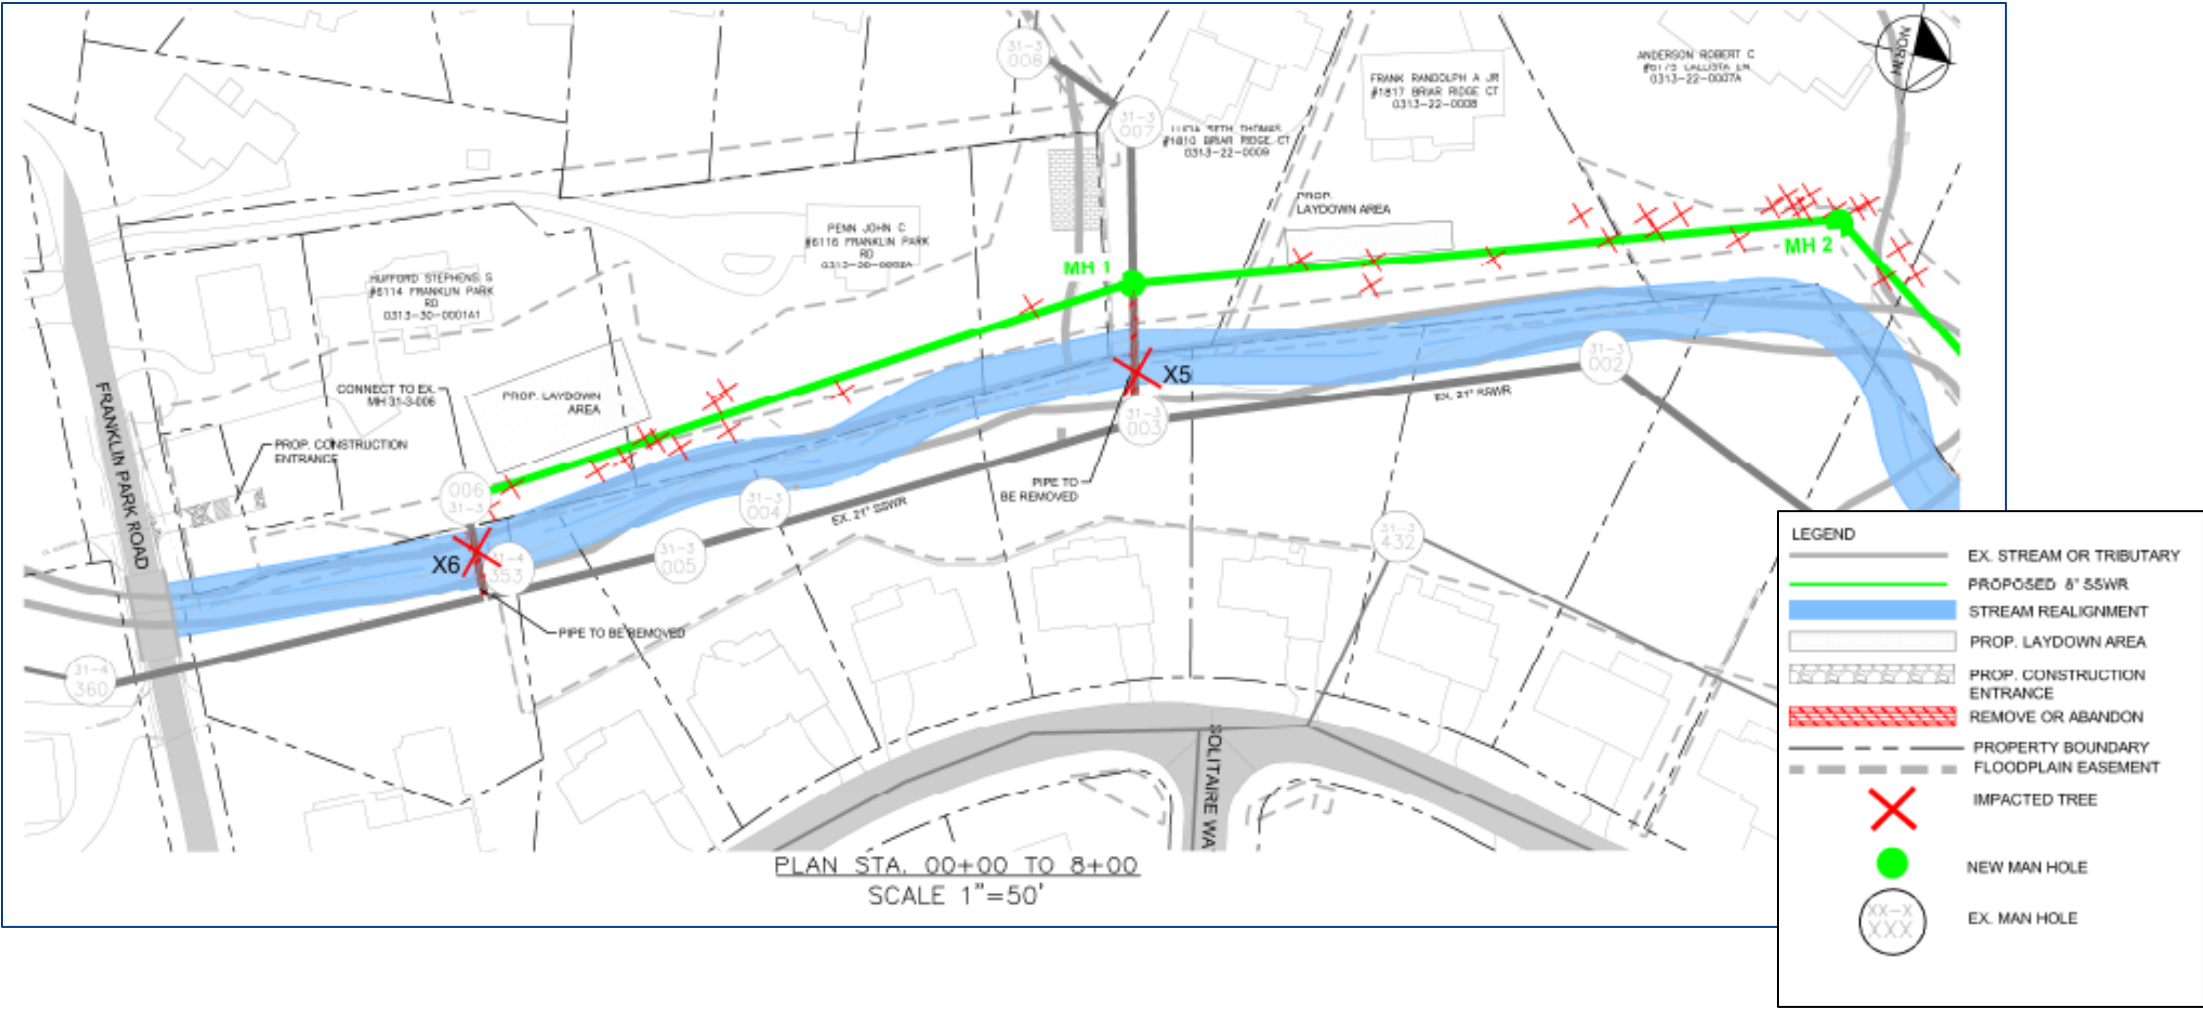

- Sanitary Sewer alignment designed in collaboration with Stream Restoration Project
