

A message from Kathy Smith

There are several community events and meetings coming up. The Fairfax County Department of Transportation will hold a public meeting on the Route 28 widening project on Tuesday, April 3 at 6:30 p.m. at Union Mill Elementary School. The proposed project is from the Prince William County line to Route 29. More information is below.

The 2018 Teen Job Fair at Chantilly High School will take place on Saturday, April 7 from 11:00 a.m. to 1:00 p.m. The event is open to all teens in Fairfax County. This event is cosponsored by my office, Chantilly HS STEM Academy, and the Dulles Regional Chamber of Commerce.

It is officially spring! Hopefully that means we will not see any more snow until winter. I hope you and your family have a restful and warm spring break.

Sincerely,

Kathy

Community Meeting on Route 28 Widening

The Fairfax County Department of Transportation will hold a [public meeting](#) on the [Route 28 widening project](#), **Tuesday, April 3, 2018, at 6:30 p.m., in the cafeteria of Union Mill Elementary School, (13611 Springstone Drive, Clifton, VA).**

The Route 28 corridor has experienced increased congestion for many years. The proposed project calls for widening Route 28 in Fairfax County for a distance of approximately 2.3 miles from the bridge over Bull Run to the interchange at Route 29, including:

- Adding additional lanes on side streets to improve intersections

- Upgrading traffic signals
- Improving bicycle and pedestrian connections and crossings, including new 10-foot shared-use paths on both sides of Route 28

The meeting will begin at 6:30 p.m., with an Open House, a formal presentation at 7:00 p.m., followed by time for questions and answers.

For more information on the Route 28 widening project, visit the project webpage at: <https://www.fairfaxcounty.gov/transportation/projects/route28-widening>.

2018 Teen Job Fairs

You are invited to attend the 2018 Fairfax County Teen Job Fairs and Resume Building Workshops. First jobs are important and these events help connect teens and employers face to face and prepare our youth for the workforce.

These events will focus on student job seekers (approximately ages 16 to 18) looking for full time employment, after-school employment, seasonal positions, internship opportunities, or volunteer experiences. It is open to all teens in Fairfax County looking for employment or wanting tips to build their resume. Volunteer opportunities and resume building workshops will be available for younger students looking to begin to build their resume. We ask that students [click here](#) to register.

Businesses and organizations have the opportunity to showcase their companies, brand their business in the local community, and advertise the positions they have available. It does not cost to participate. Businesses and organizations seeking to secure space at the job fair should [click here](#) to fill out the application form.

During our four job fairs last year, over 2000 Fairfax County teenagers and 120 employers attended all events combined. These job fairs provided hundreds of teenagers the opportunity to get in front of employers and for employers and volunteer organizations to find talented, driven Fairfax County students to fill their positions.

Animal Shelter Corner

Meet Louis!

Age: 8y

Gender: Male

Color: Brindle

Spayed/Neutered: Yes

Size: Extra-large

Someone better hurry up and adopt Louis because the staff and volunteers at the Fairfax County Animal Shelter are falling hard for this big boy and may just have to

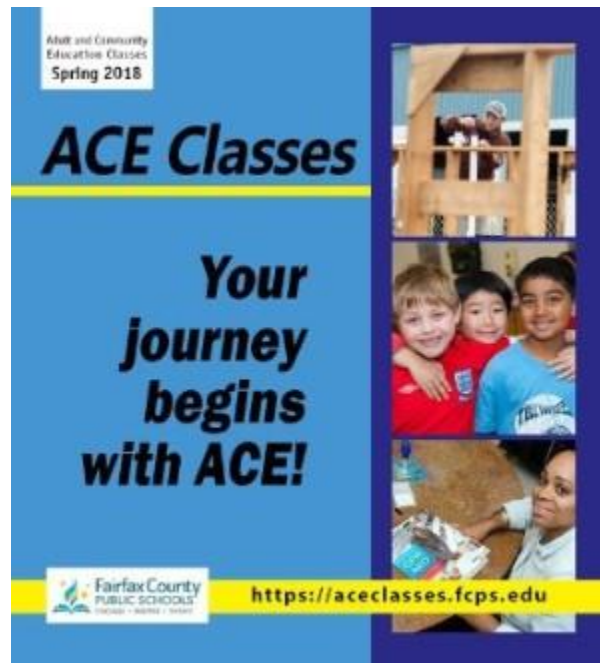

keep him as their shelter mascot! He is one of the most lovable, sweet, and helpful dogs they've ever had! He's already spent a busy Saturday in their adoption office providing assistance to the public and overseeing operations, including the protection of a staff member's breakfast (although they think he had ulterior motives there). He then went home with one of their foster families and kept a very close eye on them all weekend as they did projects around the house - just to make sure they did it right. He even helped test the couch to make sure it was big enough for his 100 pound frame.

He really is just a big love bug! This is what his foster mom had to say about him: "Louis is such an easy going dog! Loves to run in the yard, fetch balls, and explore, walks easily on a leash, knows how to sit, shake, and lay down. He very much enjoyed having the couch all to himself whenever possible, but he also loves to cuddle when he can! I hope he finds a home quickly!"

Louis is an older, distinguished boy who may prefer to be an only dog and loves being around his people so much that he would prefer not being left alone for long periods. He's just looking for a loving home to spend his golden years - preferably one with a big, comfy couch!

For more information about Louis, please contact the Fairfax County Animal Shelter at 703-830-1100, or by email at animalshelter@fairfaxcounty.gov.
