**EXPLANATORY NOTE:**

The "Total Available" indicates the revenue in each fiscal year that is to be used to support expenditures. This amount is the total revenue adjusted by the amount of funding that is either appropriated from fund balance or added to fund balance. In some instances, adjustments to fund balance that are not currently reflected in the "Changes in Fund Balance" table also affect the "Total Available." Explanations for these adjustments are provided below. The "Total Available," plus (minus) the effect of these changes matches the expenditure totals by fiscal year of the "Expenditure by Fund/Summary of Appropriated Funds," net of any transfers between funds.

<sup>1</sup> Not reflected are the following adjustments to balance in FY 2023:

Fund 81100, Fairfax County Rental Program, does not reflect (\$6,170,244) as any remaining balances were moved to Fund 81400, FCRHA Asset Management.  
Fund 81200, Housing Partnerships, does not reflect (\$36,446) as any remaining balances were moved to Fund 81400, FCRHA Asset Management.  
Fund 81300, RAD - Project-Based Voucher, does not reflect (\$7,217,860) as any remaining balances were moved to Fund 81400, FCRHA Asset Management.  
Fund 81400, FCRHA Asset Management, assumes balances of \$6,170,244 from Fund 81100, Fairfax County Rental Program, \$36,446 from Fund 81200, Housing Partnerships and \$7,217,860 from Fund 81300, RAD - Project-Based Voucher as a result of Funds 81100, 81200 and 81300 being consolidated into Fund 81400.
