

Ready to talk about substance use and mental health?

One in eight visits to the ED involves mental and substance use disorders.

Learn effective techniques to discuss mental health and substance use with adult patients in an emergency room setting.

Lucy: Tracking suicide warning signs and screening for alcohol use.

Anthony: Screening for risk of an alcohol disorder.

Jody: Screening for risk of suicide or a substance use disorder.

Build skills by engaging in 3 clinical scenarios with virtual patients.

Accredited for 1.5 AMA CME and 1.5 ANCC CNE
