

STATE VPDES CONSTRUCTION GENERAL PERMIT FEE FORM

(Please Type or Print All Information)

Instructions: Permittees with state permit coverage under the General VPDES Permit for Discharges from Construction Activities (VAR10) are required to pay permit administration fees. Fees are required for registration for coverage, reissuance, permit modification or transfer, and annual permit maintenance. Applications will not be processed until the fee is received.

Fees for state general permit coverage issuance, reissuance, maintenance, modification and transfer are included on the back of this form. Once you have determined the fee for the type of application you are submitting, complete this form. The original copy of the form and your check or money order payable to Fairfax County should be submitted to:

**Fairfax County DPWES, LDS
Site and Addressing Center, 2nd Floor, Herrity Building
12055 Government Center Parkway
Fairfax, VA 22035-5506**

This form should accompany the registration statement (for initial coverage, continuation of coverage or permit modifications), transfer agreement form, or payment of annual maintenance fees. You should retain a copy for your records.

Registration Statements. The County fee for filing a state permit registration statement for coverage under the General VPDES Permit for Discharges of Stormwater from Construction Activities issued by the Virginia Department of Environmental Quality on behalf of the State Water Control Board, is as follows:

TYPE OF STATE PERMIT	ISSUANCE
1. All land disturbing activities requiring General Permit coverage for Discharges of Stormwater from Construction Activities.	\$308

State Permit Modification or Transfer Fees. The following fees apply to the modification or transfer of a state permit. The fee assessed shall be based on the total disturbed acreage of the construction activity. In addition to the permit modification fee paid to the County, modifications resulting in an increase in total disturbed acreage shall pay to the state the difference in the initial permit fee paid and the permit fee that would have applied for the total disturbed acreage.

TYPE OF STATE PERMIT	MODIFICATION
1. Small Construction Activity/Land Clearing (Areas within common plans of development or sale with land-disturbance acreage less than one acre)	\$0
2. Small Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than one acre and less than five acres for construction of single-family detached residential structures)	\$0
3. Small Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than one acre and less than five acres except for construction of single-family detached residential structures)	\$200
4. Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than five acres and less than 10 acres)	\$250
5. Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 10 acres and less than 50 acres)	\$300
6. Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 50 acres and less than 100 acres)	\$450
7. Large Construction Activity/Land Clearing (Sites or areas within common plans of development or sale with land-disturbance acreage equal to or greater than 100 acres)	\$700

B. State Permit Maintenance Fees. The following annual state permit maintenance fees apply to each state permit identified below, including expired permits that have been administratively continued. State permit coverage must be maintained throughout the life of the construction activity until the state permit is terminated. Annual permit maintenance fees are due April 1 of each year. Applicants who first obtain their state permit between January 1 and April 1 are not required to pay the maintenance fee for the first permit year. Otherwise, permittees whose permit coverage will extend beyond April 1 of each year must pay the following annual maintenance fee to the County.
