The admissions procedure requires the applicant to gather individual letters of recommendation, as well as other documents, and submit a complete set of documents with the application. An advantage of this system is that the applicant knows the application is complete when submitted. After completing this form, please place it in an envelope addressed to the applicant, seal the envelope, and sign and date it across the seal. **Return it to the applicant**, who will forward it to the Post, unopened, with the application materials. We appreciate your cooperation. If additional space is needed, please feel free to attach a separate sheet. If you prefer, you may type your entire statement on your organization's official stationary and attach it to this form.

How long have you known the applicant? _____ In what capacity? _____

Please evaluate the applicant by placing a check in the column that most nearly represents your opinion. If you lack the knowledge to make a definite rating, please check "Inadequate Opportunity to Observe."
