

Use of Force Subcommittee

- I. Review (not investigate) recent use of force incidents (lethal and non-lethal) involving FCPD as well as review any existing data summarizing all FCPD use of force interactions, officer involved shootings resulting in death or injury, and in-custody deaths from 2005 to 2015, including identification and review of incidents in which SWAT teams, military-type equipment, and other high risk tactics were employed
- II. Review of FCPD use of force and critical incident response policies and practices, including:
 - A. Current policies and practices and changes since 2006
 - B. Police Executive Research Forum report
 - C. Use of Force Committee
- III. Review FCPD use of force and critical incident response training policies and practices
- IV. Review FCPD threat assessment, de-escalation and incident avoidance policies and practices
- V. Review the roles of and relationships between the FCPD, the Office of the County Attorney, and the Office of the Commonwealth's Attorney in connection with use of force and critical incident responses
- VI. Review of "best practices" on use of force and critical incident response, including:
 - A. DOJ reports on Cleveland, Ferguson and Philadelphia police departments, the March 2015 Interim Report of the President's Task Force on 21st Century Policing, and the March 2011 "Electronic Control Weapons Guidelines" published jointly by the Police Executive Research Forum and the U.S. Department of Justice Office of Community Oriented Policing Services
 - B. Policies on the use of body cameras and dashboard cameras, including when they are required to be used, the retention of the video, the public release of and public access to the video, how best to respect individual privacy interests, and the administrative burdens associated with the use of such cameras
 - C. Policies on the provision of medical treatment and other assistance to individuals injured as the result of the use of force
- VII. Based on the review of existing FCPD policies and practices and a review of the policies and practices of other jurisdictions and the cited and other resources, develop proposed recommendations to the Board of Supervisors for changes and/or next steps for consideration by the Commission
