Animal Shelter Corner

Meet Joshie!

Ok so we have no history on this little fellow, since he arrived as a stray! He's about a year old, and is a nice little guy. He would love an adopter who can provide him with some basic training, plenty of exercise and adventures, and of course a lifetime of love.

If you'd like to adopt Joshie, send in a completed adoption questionnaire. The Fairfax County Animal Shelter will facilitate an in-person meeting prior to adoption, and as mentioned they will schedule a dog-to-dog intro if you already have a pup at home. All adoption info, steps, and forms can be found [online](#).

Reminders!

2020-2021 Flu Season:

While flu and COVID-19 share many characteristics, one key difference is that there are vaccines to prevent flu. [Learn more about flu vs. COVID-19](#).
