Missed Collections during a Holiday

The purpose of this Solid Waste Advisory is to remind waste collectors that both refuse and recyclables must be collected at least once per week every week, even if that week includes a holiday. In other words, if you provide once-per-week collection (of anything - refuse, recyclables, yard waste) and the regularly scheduled collection day for that material falls on a holiday, you will need to collect those materials on another day during that same week. Also, collectors must notify all affected customers and this office, in writing, 30 days in advance of the change - see Chapter 109.1-5-7 (a) (4).

This revised Advisory supersedes an earlier version dated November 10, 2009.
