

Fairfax County Trails, Sidewalks and Bikeways Committee
September 9, 2020 Meeting
7:00 p.m.
Toll Free Call In: 1 877 336 1829
Participant access code: 7703575

AGENDA

Call meeting to order and VFOIA recitals (Ken Comer, Chair) (10 minutes)

Discussion:

ActiveFairfax Transportation Plan (“the Plan”) Status Update (Nicole Wynands) (30 minutes)

- Role of the TSB Committee in development of the Plan
- Public outreach methodology re: obtaining input from TSB, the community (including Supervisors’ offices), and user and advocacy groups
- Plan-specific web page that will allow public input re: trail gaps, destinations, prioritization
- Creation of one-page Plan summary of the project to include high-level schedule and link to Plan website
- Status of FCPA’s effort to develop more pedestrian and bicycle access to parks (PROSA) and relationship to the Plan to include means to avoid conflicts or ‘lost’ trails? (Beth Iannetta)
- Provisions for eliminating conflicts as the current Countywide Trails Plan and Bicycle Master Plan are merged into the Plan in cases where different facilities recommended

Remote Meetings (David Loss) (10 minutes)

- Forecast for how much longer they will be needed
- Alternatives to audio-only: Zoom, Microsoft Teams, or GoToMeeting to include cost to FCDOT

Staff Report – FCDOT (10 minutes)

Citizen comments/Q &A (30 minutes)

Active/Unresolved Issues (30 minutes or time remaining)

Ideas for future presentations

West County Trail at I-66 OTB Trail at Compton Road

Lorton VRE coordination—connection between PHNST and CCT

Mason Neck Trail Extension

Route 1 Embark/BRT planning and VDOT widening

Potomac Heritage National Scenic Trail

Mt. Vernon Trail Extension at Grist Mill Park

I-495 NEXT

Adjourn
