# FY2016 Provider Application Proposed Services and Rates Addendum C

State Standardized Service	Standardized Definition	License Type and Source	APOS Addendum	Proposed CRTS Name	Proposed CRTS BLI Abbreviation	Unit Type	Proposed FY2016 Rate	Provider Service Description (Attach additional Word Documents if necessary.)
<b>Applied Behavior Analysis</b>	ABA is the design, implementation, and evaluation of environmental modifications to produce socially significant improvement in human behavior. ABA includes the use of direct observation, measurement, and functional analysis of the relations between environment and behavior. ABA uses changes in environmental events, including antecedent stimuli and consequences, to produce practical and significant changes in behavior.	BCBA, BACBA DBHDS	C (Home based)	Applied Behavior Analysis	ABA	Hour	\$60.00/hour Medicaid/Magellan	
<b>Crisis Intervention</b>	Crisis intervention services are mental health care services, available 24 hours a day, seven days per week, to provide assistance to individuals experiencing acute mental health dysfunction requiring immediate clinical attention. The objectives are: to prevent exacerbation of a condition; to prevent injury to the individual or others; and to provide treatment in the least restrictive setting.	DBHDS Emergency and Crisis Intervention	C (Home based)	Crisis Intervention	Crisis Intv	15 min intercal	\$30.79/hour Medicaid/Magellan	
<b>Crisis Stabilization</b>	Crisis Stabilization services are direct mental health care services to non-hospitalized individuals experiencing an acute crisis of a psychiatric nature that may jeopardize their current community living situation. The goals are to avert hospitalization or re-hospitalization; provide normative environments with a high assurance of safety and security for crisis intervention; stabilize individuals in psychiatric crisis; and mobilize the resources of the community support system, family members, and others for ongoing maintenance, rehabilitation, and recovery.	DBHDS Non Residential or Residential Crisis Stabilization	C (Home based)	Crisis Stabilization	Crisis Stablz	hour	\$89.00/hour Medicaid/Magellan	
<b>Family Support Services</b>	A broad array of services targeted to provide assistance, support, and/or training in various community settings to build natural supports and functional skills that empower individuals and families towards autonomy, attaining and sustaining community placement, preserving the family structure, and assisting parents in effectively meeting the needs of their children in a safe, positive and healthy manner. The services may include but are not limited to skill building (parenting skills, fiscal management, coping skills, communication, interpersonal skills, supervised visitation, babysitting, non-foster care/maintenance day care etc.) and behavioral interventions.	In home services, DBHDS	C (Home based)	Intensive Family Preservation Services	FSS-IFSP	Hour		
<b>Family Support Services</b>		In home services, DBHDS or individual LCSW/LPC	C (Home based)	Supervised Visit Monitored	Visit-Mon	Hour		
<b>Family Support Services</b>		In home services or Supportive In Home Services / DBHDS or individual LCSW/LPC	C (Home based)	Supervised Visit Therapeutic	Visit-Therapy	hour		
<b>Intensive In-Home Services</b>	IHS services for Children/Adolescents under age 21 are intensive, time-limited interventions provided typically but not solely in the residence of a child who is at risk of being moved into an out-of-home placement or who is being transitioned to home from out-of-home placement due to documented clinical needs of the child. These services provide crisis treatment; individual and family counseling; and communication skills (e.g. counseling to assist the child and his parents to understand and practice appropriate problem-solving, anger management, and interpersonal interaction, etc.); case management activities, and coordination with other required services. Service also includes 24-hour emergency response.	Intensive In-home services / DBHDS	C (Home based)	Intensive In Home Service	IHS	Hour	\$60.00/hour Medicaid/Magellan	
<b>Mental Health Skills Building</b>	A training service for individuals with significant psychiatric functional limitations designed to train individuals in functional skills and appropriate behavior related to the individual's health and safety, activities of daily living, and use of community resources; assistance with medication management; and monitoring health, nutrition, and physical condition. These services are intended to enable individuals with significant mental illness to achieve and maintain community stability and independence in the most appropriate, least restrictive environment.	DBHDS	C (Home based)	Mental Health Skills Building	MHSB	hour
