(A) (R) Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and moved that the Board adopt the Resolution authorizing the advertisement of a public hearing to be held before the Planning Commission on January 12, 2005, at

8:15 p.m., and before the Board on **January 24, 2005, at 4 p.m.** to consider proposed amendments to the Code of the County of Fairfax, Chapter 112 (Zoning Ordinance), as follows:

- To establish the submission requirements and fees for these special permits and special exceptions.
- To add a second option to the proposed amendment for the BZA, instead of the Board of Supervisors, to be able to amend lot width modifications in residential districts by special permit.

Supervisor Gross seconded the motion.

Discussion ensued, with input from Lorrie Kirst, Deputy Zoning Administrator, Ordinance Administration Branch, Zoning Administration Division, Department of Planning and Zoning (DPZ); Cynthia Bailey, Assistant County Attorney; Barbara A. 15. **ADMIN 19 – SUPPLEMENTAL APPROPRIATION RESOLUTION (SAR) AS 05047 FOR THE FAIRFAX COUNTY POLICE DEPARTMENT (FCPD) TO ACCEPT FUNDING FROM CHILDSAFENET** (11:36 a.m.)

(SAR) Chairman Connolly moved to:

- Approve SAR AS 05047 for the FCPD to accept \$431,279 from ChildSafeNet to initiate the pilot phase of the Department's Sexual Predator Enforcement and Apprehension Detail. No local cash match is required.
- Direct staff to assume responsibility not only for the implementation of the assessment of the pilot project, but also for securing future grant funding from the Federal Government.

He further opined that the citizens should not be required to go before Congress to secure funds for the FCPD. By assuming responsibility, the County will allow Childsafenet to devote its time and energy to securing private sector donations as was the original intent and commitment. The existence and anticipated success of the pilot project will undoubtedly assist them in their fundraising efforts.

Therefore, Chairman Connolly moved that this item be approved with this amendment. Supervisor McConnell seconded the motion, and it carried by unanimous vote, Supervisor Bulova, Supervisor DuBois, Supervisor Frey, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, Supervisor McConnell, Supervisor Smyth, and Chairman Connolly voting, "AYE."

No local cash match is required.
- Direct the Board to draft a letter for his signature to both the Governor and Mr. John Marshall expressing the County's concern that the largest jurisdiction in the State, with probably the largest number of gang members needs to participate in the funding

allocation provided by the \$3 million through the offices of Congressman Frank Wolf.

Supervisor Gross seconded the motion, and it carried by unanimous vote, Supervisor Bulova, Supervisor DuBois, Supervisor Frey, Supervisor Gross, Supervisor Hudgins, Supervisor Hyland, Supervisor Kauffman, Supervisor McConnell, Supervisor Smyth, and Chairman Connolly voting, "AYE."

Without objection, it was so ordered.

Chairman Connolly recognized the presence of Kathy Smith, School Board Chairman; Tessie Williams, Braddock District Representative and School Board Facilities Chairman; Jack Dale, School Division Superintendent; and Dean Tistadt, Assistant School Division Superintendent; and welcomed them to the Board Auditorium.

Supervisor Bulova noted for the record that the Board received correspondence from the Federation of Citizens Associations in favor of the proposal.

Supervisor Bulova moved that the Board concur in the recommendation of staff and approve the financing proposal for the School System administrative offices with the following amendments:

- That the financing proposal be limited to fund only Phase One of the proposal, purchase, and fit out of the existing building and land, and the acquisition of the vacant parcel for a future building and direct staff to return to the Board for financing of Phase Two with a new plan of finance based on conditions existing at that time.
- That the County Executive be directed to work with the Superintendent of Schools to formulate recommendations for consideration by the Board and the School Board which address the following issues:

Following discussion, Supervisor Hudgins withdrew her request for presentation at a later time.

Supervisor Hyland noted for the record that the Education Committee of the Mount Vernon Council of Citizens Association supports this proposal. Supervisor Smyth asked the School Board to consider traffic demand management regarding this proposal, and it was so noted.

Supervisor Kauffman asked to amend the motion to defer decision until the Board can meet with the School Board and staff to develop a phase out plan for the 40 staff positions and a disposition for the surplus property, thereby risking the loss of some of the savings but gaining a credible deal for a good faith vote. This motion failed due to the lack of a second.

Additional discussion ensued with input from Mr. Tistadt.

The question was called on the motion, as amended, and it **CARRIED** by a recorded vote of nine, Supervisor Kauffman voting "NAY."

School Board Chairman Smith briefly addressed the Board regarding the consolidation of School Division administrative staff.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board direct the County Executive and the Superintendent of Schools to meet as soon as possible as recommended by Ms. Smith to discuss the various issues discussed today, such as the future disposition of potential properties. ADDITIONAL BOARD MATTERS

32. **CORRECTION TO WASHINGTON POST ARTICLE REGARDING PAYMENTS TO METRO BOARD MEMBERS** (12:21 pm.)

Chairman Connolly stated that in the Sunday, December 5 edition of *The Washington Post*, it was erroneously reported that some Virginia members of the Metro Board were paid \$22,000 per year, and that other Virginia members received nothing. He noted that this information was false, that no one was paid \$22,000, and he called for a prominent correction. Supervisor Hudgins and Supervisor Kauffman, members of the Metro Board, receive a stipend of \$50 per meeting attended. The \$50 payment is made to the members of the Northern Virginia Transportation Commission (NVTC) as representatives to the Metro Board. The Virginia representatives serve as representatives of NVTC, not as representatives of their individual localities. A brief discussion ensued.

33. **FAREWELL TO DAVID HARRISON OF THE CONNECTION NEWSPAPERS** (12:27 p.m.)

Chairman Connolly announced that this is the last Board meeting for David Harrison, a reporter for the *Connection* newspapers. He has accepted a position with the *Roanoke Times*. On behalf of the Board, Chairman Connolly wished him well.

Chairman Connolly noted that if the presentations need to be staggered in two sessions that would be at the discretion of the director of the Office of Public Affairs.

35. **NATIONAL MENTORING MONTH** (12:28 p.m.)

Chairman Connolly asked unanimous consent that the Board proclaim January 2005 as “*National Mentoring Month*” in Fairfax County and direct staff to invite the appropriate representatives from the Fairfax County Partnership for Youth to receive the proclamation at the January 10, 2005, meeting. Without objection, it was so ordered.

36. **FIREFIGHTER COMBAT CHALLENGE** (12:29 p.m.)

Chairman Connolly said that on November 13, 11 firefighters from the County’s Fire and Rescue Department faced the “best of the best” in the World Firefighter Combat Challenge held in Las Vegas, Nevada. He announced that ESPN will broadcast the event later this month and again in January. Two teams of four firefighters each and three individual competitors traveled at their own expense to Nevada to compete as representatives of Fairfax Fire and Rescue where they went head to head with over 80 qualifying teams from the United States and Canada. Team Fairfax finished eighth in the world and the remainder of County competitors did extremely well.

Therefore, Chairman Connolly asked unanimous consent that the Board direct staff to invite the Fire Department athletes, along with those involved in their training and fundraising efforts, to appear before the Board at a future date to be recognized for their achievement and to be encouraged in their future efforts. Without objection, it was so ordered.

37. **SANTA'S RIDE** (12:29 p.m.)

Chairman Connolly said in December of 1988, the Police Department’s Motor Squad started “Santa’s Ride for Children,” as a campaign to benefit sick and needy children at INOVA Fairfax Hospital.

Over the years the response from County employees, community organizations, and citizens has been so overwhelming that the program has expanded to benefit underprivileged children throughout Fairfax. The Motor Squad, in conjunction with the Office of the Sheriff, the police departments of the Town of Vienna and the City of Fairfax along with the Virginia State Police, will conduct the sixteenth Annual Santa’s Ride on December 15 and 16. On those days, County Police Department motorcycles will be ridden by Santa and his elves as they travel around the County gathering up donation boxes filled with toys.

Chairman Connolly encouraged all County employees to consider dropping a new, unwrapped toy into one of the collection boxes scattered throughout government buildings. Citizens and groups wanting to join the efforts may bring unwrapped, new toys to any police district station or to the Government Center.

Chairman Connolly asked unanimous consent that the Board direct staff to publicize this effort. Without objection, it was so ordered.

Vice-Chairman Bulova returned the gavel to Chairman Connolly.

38. **WIEHLE AVENUE STEERING COMMITTEE PRINCIPLES AND RECOMMENDATIONS REGARDING DULLES RAIL** (12:30 p.m.)

Supervisor Hudgins asserted that extending rail to Dulles is a high priority and critical to the County, the region, and the Dulles Corridor. She said that planning associated with the stations is critical to the success of rail and the surrounding station areas. With the environmental impact statement complete, and preliminary engineering in progress, she said that it is important to include planning associated with the Wiehle Avenue Station (interim terminus of the Dulles rail extension) prior to the finalization of the preliminary engineering.

As a result of the charrette in 2002, Supervisor Hudgins said that the community produced conceptual plans for the Wiehle Avenue and Reston Parkway Stations. Since that time, Wiehle Avenue Station has been determined an interim terminus for Phase I of the Dulles Corridor Project. While the public plan calls for a 2300-space parking garage, bus bays, and kiss and ride area at the County-owned park and ride lot, mixed use, Transit Oriented Development (TOD) is more desirable.

Supervisor Hudgins said that to make the Transit Station Area (TSA) truly efficient, it was determined that a joint development project through a Request for Proposal (RFP) could accomplish the TOD and utilize the County-owned lot more efficiently. She established the Wiehle Avenue Steering Committee to review the Wiehle Avenue conceptual plan from the Charrette and develop principles that would be incorporated in an RFP for a Joint Development Project at the Wiehle Avenue Station. The steering committee completed the development of the principles and held a public meeting for community review and feedback. She distributed a letter from the committee dated November 11, 2004, that includes the Wiehle Avenue Joint Development Principles.

Supervisor Hudgins commended the members of the committee for their diligent and thorough work. She thanked County staff for its work and guidance, particularly Patti Stevens who served as facilitator. The objective of this work is to encourage joint development of the Wiehle Avenue site in lieu of the public plan of a 2300-parking space parking garage.

Accordingly, Supervisor Hudgins moved that the Board forward to staff the Wiehle Avenue Joint Development Principles and recommendations as found on the letter from the committee and direct staff to use the document as guidance in developing the RFP for redevelopment of the Wiehle Avenue County-owned park-and-ride area. Chairman Connolly seconded the motion.

Supervisor Hudgins amended the motion to direct staff to invite the committee members to appear before the Board for recognition, and this was accepted.

Following a brief discussion, the question was called on the motion, as amended, which carried by unanimous vote.

39. **DR. MARTIN LUTHER KING BIRTHDAY OBSERVANCE (HUNTER MILL DISTRICT)** (12:34 p.m.)

Sponsored by a diverse group of religious communities, civic associations, businesses, schools, and the Reston Community Center, the event will feature a wide variety of programs, including a keynote address by Robert E. Simon, the founder of Reston. This year's keynote theme is "Twenty Years of Keeping the Promise/Uniting Cultures a Global Perspective."

To recognize this significant celebration, Supervisor Hudgins asked unanimous consent that the Board direct staff to invite the Reston Dr. Martin Luther King, Jr. Birthday Celebration Planning Committee to appear before the Board at the January 10, 2005, meeting to receive a proclamation in observance of Dr. King's birthday. Without objection, it was so ordered.

Therefore, he moved that the Board direct staff to coordinate with the Park Authority to study the feasibility and cost of this suggested project and report its findings as soon as possible. Supervisor Kauffman seconded the motion and it carried by a vote of nine, Supervisor Hudgins being out of the room.

42. **RECOGNITION OF POLICE OFFICERS (MOUNT VERNON DISTRICT)**
(12:36 p.m.)

With reference to an email attached to his written Board Matters, Supervisor Hyland stated that a constituent recently contacted him with praise for the actions of the police in their apprehension of a suspect in the area of Mount Vernon.

Therefore, Supervisor Hyland moved that the Board recognize the members of the Police Department responsible for this arrest and direct staff to place letters of commendation in their personnel files. Supervisor McConnell seconded the motion, which carried by a vote of nine, Supervisor Hudgins being out of the room.

43. **RIGHT-OF-WAY AND FUNDING NEEDS IN THE RICHMOND HIGHWAY CORRIDOR (LEE AND MOUNT VERNON DISTRICTS)**
(12:37 p.m.)

Jointly with Supervisor Kauffman, Supervisor Hyland presented a Board Matter regarding the Richmond Highway Corridor. As referenced in his written Board Matter, copies of which were distributed to the Board, he noted that staff has prepared cross-sections for various transit alternatives and a group of citizens and staff reached consensus on the typical section to use for planning purposes until the transit study can be completed and a decision made on the type of future public transit in the corridor.

Accordingly, Supervisor Hyland moved that the Board direct staff to:

- Prepare a letter to Virginia Department of Transportation requesting that final decision on the preferred build option in the remaining study segment, Segment C, be deferred until a transit study is completed in the Route One Corridor and reiterating the Board's request that the State fund such a study at the earliest opportunity. The request for this transit study has already been made by the Board as part of its testimony at the Pre-allocation Public Hearing for the State's Six-Year Program for Highway and Transit Funds for Fiscal Year (FY) 2006 through FY 2011. This study should include demand forecasting and alternative analysis to identify the most appropriate form of public transit to be included within the Richmond Highway Corridor in the future.
- Use the typical section for planning purposes, as attached to his written Board Matter, including, for identification, the right-of-way dedication requirements in conjunction with development activity in the corridor.

- Prepare an out-of-turn plan amendment and other documents, as needed, to:
 - Incorporate this typical section into the Comprehensive Plan for the portion of Richmond Highway designated as an “Enhanced Public Transportation Corridor” with the understanding that this cross-section will be modified in the future after a public transit study is completed and a preferred option is selected by the Board.
 - Explore the establishment of a transportation fund for the corridor that would provide a mechanism for site development contributions for transportation improvements to be deposited and used for critical corridor-wide transportation needs.

Supervisor Kauffman seconded the motion.

Following discussion, the question was called on the motion, which carried by a vote of nine, Supervisor Hudgins being out of the room.

44. **CHIEF AIDE FOR MOUNT VERNON DISTRICT SUPERVISOR**
(12:40 p.m.)

Supervisor Hyland announced that his Chief Aide, Charles Unger, will be resigning effective December 10. Supervisor Hyland expressed his appreciation to Mr. Unger and shared anecdotes.

Supervisor Hyland announced that he has selected Mr. Brett Kenney as his new chief aide and introduced him to the Board.

Supervisor Kauffman expressed his appreciation to Mr. Unger for his work on shared projects.

45. **PEDALS FOR PROGRESS** (12:44 p.m.)

Supervisor Gross stated the Pedals for Progress is a non-profit group that collects used bicycles for shipment overseas for reuse. It has partnered with the County’s recycling program by collecting bicycles at the annual Recycling Road Show for the past three years.

The December 4 edition of *The Washington Post* highlighted the plight of the local Pedals for Progress organization. The group is losing its bicycle storage site and has been unable to locate an alternate site. Supervisor Gross said that it came to her attention that the Department of Public Works and Environmental Services (DPWES) may be able to assist this organization by providing storage space at one of the County’s solid waste complexes.

Accordingly, Supervisor Gross asked unanimous consent that the Board direct DPWES to work with Pedals for Progress and make the required space available for its use if it can be accommodated at one of the solid waste complexes. Without objection, it was so ordered.

46. **RECOGNITION OF MR. JEFF KARATZ** (12:45 p.m.)

Supervisor Gross said that Jeff Karatz has been the outstanding director of the Jewish Community Center of Northern Virginia (JCCNV) for 19 years. She noted some of his considerable accomplishments. Regrettably, Mr. Karatz announced his decision to leave the area and return to the Midwest with his family.

Therefore, Supervisor Gross asked unanimous consent that the Board direct staff to invite Mr. Karatz and members of the JCCNV to appear before the Board in the March/April timeframe to be recognized prior to his departure. Without objection, it was so ordered.

Chairman Connolly noted that March may be preferable for scheduling because of the budget cycle in April.

47. **CULMORE CLEANUP DAY** (12:46 p.m.)

Supervisor Gross said that on Saturday, November 6, community organizations, local businesses, and County agencies came together in a partnership to do the second Culmore Cleanup Day. Again, this year it was a great success as more than 70 youth and adults showed up for the event.

Therefore, Supervisor Gross asked unanimous consent that the Board direct staff to invite all the organizations, business representatives, and individuals that participated in the Culmore Cleanup Day to appear before the Board to be recognized for the shining example that they have provided. Without objection, it was so ordered.

48. **GLENCARLYN ROAD BAPTIST CHURCH (MASON DISTRICT)**
(12:47 p.m.)

Supervisor Gross said that for the past 15 years the Glencarlyn Road Baptist Church has hosted the monthly Bailey's Crossroads Human Services Roundtable and has consistently participated in its activities. However, effective January 2005, the Church will no longer be able to host the roundtable due to its other space needs.

As referenced in her written Board Matter, Supervisor Gross said that under the leadership of Reverend Greg Loewer, the Church has participated in many community initiatives, such as serving as a drop-in center for the homeless during the winter, actively supporting community events such as Bailey's Day, Community Awards, Business/Nonprofit Outreach Breakfasts, and cleanup

campaigns and providing a kitchen ministry (small household items and appliances) for low income families establishing a home in the community.

Therefore, Supervisor Gross asked unanimous consent that the Board direct staff to invite Reverend Loewer and representatives from his church to appear before the Board at an appropriate time to be recognized and to thank them for their years of service and partnership through opening their doors and lending their support in addressing community needs. Without objection, it was so ordered.

49. **CONCURRENT PROCESSING FOR REZONING APPLICATION RZ 2004-MA-025, HECHINGER ENTERPRISES (MASON DISTRICT)** (12:48 p.m.)

Supervisor Gross said that Hechinger Enterprises has filed Rezoning Application RZ 2004-MA-025 on the property identified as Tax Map Parcel 80-2-((1))-23. The application seeks to rezone a portion of the property to permit the reuse of a vacant former Hechinger store, which has been vacant since November of 1999.

Therefore, Supervisor Gross moved that the Board direct the Department of Public Works and Environmental Services to permit processing of the site plan associated with this pending application concurrently. This motion should not be construed as a favorable recommendation of the application by the Board, and does not relieve the applicant of compliance with the provisions of any applicable ordinances, regulations, or adopted standards. Supervisor Hyland seconded the motion and it carried by unanimous vote.

50. **FF REALTY LLC APPLICATION (MASON DISTRICT)** (12:49 p.m.)

Supervisor Gross said that that FF Realty LLC will soon be submitting a rezoning/final development plan for property in the Baileys Crossroads area between George Mason Drive and South Fourteenth Street. This area was the subject of Out-of-Turn Plan Amendment OTPA SO4-I-B2, adopted on September 27, 2004. The applicant also will be filing a vacation/abandonment request for portions of Condit Court and South Greenbrier Street, two small cul-de-sacs in the subject property comprising about 20,218 square feet. The underlying fee ownership of the streets is held by the Board.

Therefore, Supervisor Gross moved that the Board allow the "to-be-vacated" areas as described above to be included in the RZ/FDP application to be filed with the Department of Planning and Zoning. This motion should not be construed as a favorable recommendation of this application or related applications by the Board and does not relieve the applicant of compliance with the provisions of any applicable ordinances, regulations, or adopted standards. Supervisor McConnell seconded the motion and it carried by unanimous vote.

51. **TRANSPORTATION DEMAND MANAGEMENT** (12:50 p.m.)

Supervisor Smyth said that the Transportation System Management (TSM) and Transportation Demand Management (TDM) have been topics of discussion in

Providence District for the last few years. She asserted that it is time for the County to take look at ways to make TDM part of the overall “package” in land use and development in the County.

Supervisor Smyth said that pedestrian improvements initiative was discussed in July 2002. At that time, the Board initiated a comprehensive Pedestrian Program for the County and provided dedicated resources to meet specific goals. Consideration of TDM is also in concert with the Chairman’s Transportation Plan and recent resolutions approved by the Planning Commission.

Therefore, Supervisor Smyth moved that the Board direct the Department of Public Works and Environmental Services, Department of Transportation, Department of Planning and Zoning, Office of the County Attorney, and other agencies, as appropriate, to form a staff working group to examine:

- Best practices in TDM.
- What the County is currently doing with regard to this subject.
- Recommendations for what needs to be done.
- Budget requirements, obstacles, and considerations.
- Opportunities for inclusion of this subject in the upcoming Transportation Plan Update.

She further moved that the Board direct this working group to report with recommendations on this subject at the conclusion of this analysis and, at that time, the Board can further act on this matter. Supervisor Bulova seconded the motion.

Following discussion, the question was called on the motion, which carried by unanimous vote.

52. **RECOGNITION OF STUDENTS FROM FREEDOM HILL ELEMENTARY SCHOOL (PROVIDENCE DISTRICT)** (12:53 p.m.)

Supervisor Smyth said that Delegate Steve Shannon brought to her attention that the fourth grade students at Freedom Hill Elementary School, in Providence District, have made a discovery - kyanite. It is a shiny translucent gemstone named after the Greek word *kynos* which means “blue.” Kyanite is mainly used for jewelry but is also used in the manufacturing of spark plugs and heat resistant ceramics and is known for its color zones and variation in hardness.

During their journey of discovery, in their social studies class, the students found that Virginia does not have a designated mineral or fruit. They decided to pursue their research on kyanite which took them to the Kyanite Mining Corporation where they learned the functionalities and characteristics of Kyanite.

Fueled by their research, the students contacted Delegate Shannon and asked for guidance in legislating kyanite as the Commonwealth's mineral. Supervisor Smyth said that due to this student interest, Delegate Shannon contacted her office to express how impressed he was with both the students and the teaching staff at Freedom Hill Elementary School. He will be examining the interest in other parts of the state for pursuing this matter.

In the meantime, Supervisor Smyth commended the fourth graders of Freedom Hill Elementary for exemplifying the outstanding achievement of the students in Fairfax County's Public School System. She added that she is especially proud to commend their performance because they chose to make decisions based on research and go as far as they could to bring attention to their discovery of kyanite.

Therefore, Supervisor Smyth asked unanimous consent that the Board direct staff to invite the fourth graders of Freedom Hill Elementary, their teacher Mr. Miller and representatives to appear before the Board at its January 24, 2005, meeting, in acknowledgement and appreciation of the achievements of the students of Freedom Hill Elementary School. Without objection, it was so ordered.

There was a brief query to Merni Fitzgerald, Director, Office of Public Affairs, regarding scheduling for January 24, 2005.

A brief discussion ensued regarding the kyanite discovery.

53. **LOW IMPACT DEVELOPMENT AT THE PROVIDENCE DISTRICT SUPERVISOR'S OFFICE SITE** (12:56 p.m.)

(NOTE: Earlier in the meeting, the Board took action to accept a grant for this item. See Clerk's Summary Item CL#17.)

Supervisor Smyth expressed appreciation to the Board for its action on the low impact development project grant at her office site. She distributed a written Board Matter with more information on the subject, including an article she wrote for *The Fairfax Chronicle* in November. More information is posted on the County's website at www.fairfaxcounty.gov/gov/bos/pd/dcr_grant.htm.

54. **CERTIFICATE OF RECOGNITION FOR REVEREND JAMES E. BROWNE, SR. (PROVIDENCE DISTRICT)** (12:56 p.m.)

Supervisor Smyth said that Reverend James E. Browne, Sr., was elected Pastor of Second Baptist Church on July 19, 1972 (located on Costner Drive in Falls Church, Virginia). His chief ambition has been to fulfill, as much as possible, the dreams of his predecessor the Reverend W.E. Costner.

Reverend Browne was born in Texarkana, Arkansas and reared in Texarkana, Texas. He earned his B.S. and M.S. degrees in Electrical Engineering and attended numerous schools to earn the M.A. in Theology and the Doctorate in

Divinity. The degrees in religious education and in theology were earned at the Hamilton State University of Tucson, Arizona.

Supervisor Smyth noted the many civic and religious organizations in which Reverend Browne is active. He is also a life member of the Fairfax County Branch of the NAACP and was with the Oregon Branch of the NAACP for many years. In fact, he was even present during the *Brown versus Board of Education* decision.

Supervisor Smyth stated that Reverend Browne had a great impact on the Northern Virginia region and the Commonwealth of Virginia. Therefore, she asked unanimous consent that the Board recognize Reverend Browne for his 32 years of service to the community and the County at the January 24, 2005, meeting. Without objection, it was so ordered.

A brief discussion ensued.

Therefore, Supervisor Bulova moved that the Board accept the Auditor's Quarterly report. This motion, the second to which was inaudible, carried by unanimous vote.

57. **AFFORDABLE HOUSING** (1:01 p.m.)

(BACs) Supervisor DuBois said that she recently came across an article from *American City and County* that discusses the successful efforts of San Jose, California to expand its affordable housing stock.

Supervisor DuBois said that she was particularly struck by San Jose's construction of a 100 unit apartment complex targeted to teachers and its use of a deferred interest down payment loan program targeted to teachers who own homes in the City and work for its public schools. This program has helped 400 teachers buy houses since 1999 alone.

Supervisor DuBois noted that many of Fairfax County teachers and staff are currently priced out of the County housing market. In the not so distant future

there will be difficulty in attracting high quality employees because the salaries cannot keep pace with the cost of living.

Therefore, Supervisor DuBois asked unanimous consent that the Board direct staff to review this program and report whether it could be replicated in the County and also report on whether there is any land currently owned by the County or the School Board that might be made available for a rental apartment complex to house the hundreds of new young teachers who come to work in the County every year. Without objection, it was so ordered.

Chairman Connolly relinquished the Chair to Vice-Chairman Bulova and asked unanimous consent that the Board:

- Direct the County Executive to review this issue.
- Refer this issue to the Preservation Task Force, the Housing Committee, and Paula Sampson, Director, Department of Housing and Community Services.

Without objection, it was so ordered.

Therefore, Supervisor Kauffman moved that the Board waive the application fees for 21 day permits associated with the Springfield Host Lions Club Charities 2005

62. **ROTARY INTERNATIONAL (SPRINGFIELD DISTRICT)** (1:06 p.m.)

Supervisor McConnell said that 2005 will mark the centennial anniversary of Rotary International. In recognition of the one hundredth anniversary of Rotary International, the West Springfield Rotary Club recently contacted her with the offer of a gift to the County and the community, to be made in the spirit of its worldwide celebration of "Service Above Self."

Supervisor McConnell said that the theme that the Rotary Club has suggested, "Service Above Self," conveys the ideas and ideals of the Board and the County government as a whole.

Therefore, Supervisor McConnell moved that the Board:

- Accept, in concept, the West Springfield Rotary Club's offer to give the County a sculpture embodying the ideal of "Service Above Self." The Rotary Club assured her that it will pay all costs of commissioning and producing the sculpture.
- Approve, in concept, the placement of the sculpture in the lobby of the West Springfield Governmental Center.

- Direct staff to provide support, as requested, to help select a suitable location for the monument in the lobby of the West Springfield Governmental Center.
- Direct the County Executive to appoint three members of staff to work with the Rotary Club to develop a sculpture design to be recommended to the Board.
- Direct the County Attorney to work with the Rotary Club and the sculptor to ensure that the County will receive all ownership rights and any other appropriate and necessary rights over the sculpture.
- Direct the County Executive to present to the Board the final design, plans, and location of the sculpture, as well as the terms of any necessary agreements, at the appropriate time for the Board's final acceptance and approval.

Supervisor Gross seconded the motion and it carried by unanimous vote.

63. **FAIRFAX CENTER (SPRINGFIELD DISTRICT)** (1:10 p.m.)

Supervisor McConnell said that there have been numerous proposals as to how to develop a piece of property in the Fairfax Center area that is located north of Route 29, east of Ridge Top Road. This area is characterized by industrial zoning and attempts to develop office use under the current Plan have so far been unsuccessful. There now appears to be an opportunity to develop this area with a high quality mixed use project that would include high density residential along with office and retail uses. The project proposes to create a pedestrian-friendly community offering convenient work, living, shopping, dining, and gathering places.

Therefore, Supervisor McConnell moved that the Board:

- Authorize an out-of-turn plan amendment for Sub-Unit Q9 and the portion of the Sub-Unit Q5 located east of Ridge Top Road in the Fairfax Center area. Staff should consider amending the Comprehensive Plan to allow for mixed use development including high density residential, office, and retail use up to 1.4 floor area ratio.
- Direct staff to concurrently process this out-of-turn plan amendment along with any associated rezoning applications that should be filed for property in this area.

This motion should not be construed as a favorable recommendation by the Board on the proposed plan amendment or any subsequent development applications. Supervisor Hyland seconded the motion and it carried by unanimous vote.

AGENDA ITEMS

70. **ADDITIONAL ACTION ON ADMIN 18 – AUTHORIZATION TO ADVERTISE PUBLIC HEARINGS ON PROPOSED AMENDMENTS TO THE CODE OF THE COUNTY OF FAIRFAX, CHAPTER 112 (ZONING ORDINANCE), REGARDING MODIFICATION OF CERTAIN MINIMUM REQUIRED YARDS; WAIVER OF RESIDENTIAL MINIMUM LOT WIDTH; AND INCREASE IN FENCE OR WALL HEIGHT** (4:22 p.m.)

(NOTE: Earlier in the meeting, the Board took action on Admin 18. See Clerk's Summary Item CL#14.)

Supervisor Smyth said that Admin 18 requests authorization to advertise certain amendments to the Zoning Ordinance to enable the Board of Zoning Appeals (BZA) to approve special permits under specified circumstances and standards for what are often non-controversial homeowner improvements. The proposed amendments would, in certain limited circumstances, allow the BZA to approve special permits for reductions in the minimum required yard and for increases in front yard fences. The proposed submission requirements in Admin 18 for such special permits do not include any provisions relating to flood plain delineation.

Therefore, Supervisor Smyth moved that the Board amend its approval of Admin 18 so as to add to the proposed submission requirements for special permits for both minimum required yard and increases in front yard fences with the following language:

“Approximate delineation of any floodplain designated by the Federal Insurance Administration, United States Geological Survey, or Fairfax County, the delineation of any Resource Protection Area and Resource Management Area, and the approximate delineation of any environmental quality corridor as defined in the adopted comprehensive plan, and, if applicable, the distance of any existing and proposed structures from the floodplain, Resource Protection Area and Resource Management Area, or environmental quality corridor.”
