

# Committee Member Input

Kings Park Civic Association

- **Braddock Road Widening** –
  - Removal of trees and changing grade/slope – noise abatement approaches
  - Entrance ways at both Kings Park Dr. & Southampton Dr. should be redesigned and/or replaced icw widening
  - Cut through traffic and local parking
  - Pedestrian crossing now limited to only three locations with traffic lights
- **Transit Center** – consider relocating to State Training Center property (at Burke Station Road) to lessen congestion at Burke Lake Rd.
- **Wakefield Chapel/Danbury Forest Study** –
  - Interim implementation?
