

Non Profit Training

General Non Profit Financial Management

Wednesday, January 16

9:30 AM – 12:30 PM

Conference Center, Rooms 4/5
12000 Government Center Pkwy.
Fairfax, VA 22035

Gain a better understanding of nonprofit financial basics to best support the nonprofit organization: budgeting, internal controls, cost allocations, understanding indirect costs and forecasting. Learn how to understand and analyze nonprofit financial statements and the importance of providing sound financial information to board of directors and stakeholders.

Faculty: Michael Gelman, CPA, Rubino & McGeehan.

Level: Basic

Registration: www.regonline.com/178265
