

Evolution of Transportation

Traveling by bike:

From Arlington: Take the W&OD trail to left on Gallows Road bike lanes or sidepath. Bike lanes end at Cottage Street just north of the I-66 bridge; either continue on Gallows Road or take the sidepath on the west side to the Dunn Loring Metro station where there is a narrow sidewalk that could be used but travel at a walking pace to avoid conflicts with pedestrians. Continue to right on Prosperity Ave then left on Merrilee Dr. Cross Lee Hwy and continue onto Eskridge Rd to left at Strawberry Lane. Angelica Theater will be on the right just past District Ave. Bicycle parking is located on the ground level of the parking garage on the left just before District Ave.

From Herndon/Reston/Vienna: Take the W&OD Trail to right on Gallows Road bike lanes or sidepath and follow the directions above from that point.

From Tysons: Take Gallows Road bike lanes or sidepath and follow directions above after the W&OD Trail intersection.

From the Cross County Trail and points south: At Eakin Park take the trail into the park. Go right on Tobin Rd to left on Monarch Lane and continue around to the intersection of Beverly Dr where there is a paved trail on the left that leads to the new unnamed road just south of the Ronald McDonald House. Proceed left (north) on that road to left on Willow Oaks Dr to right on Williams Dr. Cross Route 50 and continue on Williams Dr to right on Eskridge Dr to right on Strawberry Lane. Angelica Theater will be on the right just past District Ave. Bicycle parking is located on the ground level of the parking garage on the left just before District Ave
