

REQUIREMENTS AND PROCESS FOR 'ONE TIME' CIVIL CEREMONY AUTHORIZATION

Individuals expecting to perform a wedding ceremony in the Commonwealth of Virginia must receive authorization through the court, prior to performing the ceremony, pursuant to the Code of Virginia §20-25. Authorization will be on a one-time basis only. The authorization is only valid for couples with a Virginia-issued marriage license and for a ceremony located in the Commonwealth of Virginia. ***Please allow 10-14 days prior to the ceremony for the authorization process.***

Eligibility to be a one-time marriage celebrant is:

1. Must be a resident of Fairfax County.
2. Must never have been convicted of a felony.
3. Must execute a \$500.00 cash bond. (Due after the Court authorizes the petition.)

The Clerk's office must receive the following items to initiate the authorization process:

1. **Notarized petition.** Petition can be completed on-line and printed. (*Typed petitions are preferred to avoid errors that may delay the authorization process.*)
2. **Money order or certified check in the amount of \$31.00 made out to the Clerk of the Fairfax Circuit Court. If hand delivered, the court accepts cash as well.** Do not submit the bond amount at the initial filing.

The required documentation and money order can be mailed or hand delivered to:

**Fairfax County Circuit Court
ATTN: Civil Intake
3rd Floor, Room 319
4110 Chain Bridge Road
Fairfax, VA 22030**

Once the petition has been submitted, an order is prepared and submitted to the judge for approval. The celebrant is not authorized to perform the ceremony until after the court order has been signed and the bond process is complete. Notification of approval will be sent via email or by phone from the contact information provided on the petition to make an appointment to execute the bond. **The bond money cannot be accepted until after the order has been signed.**

Bonding Process:

Once the order has been signed, the celebrant will make an appointment to execute the required **\$500.00 cash bond** (money order or cashiers check may be accepted, **no personal checks**). The bond must be executed prior to the date of the marriage ceremony. The celebrant ***must be present with picture identification*** at the time the bond money is received.

The cash bond can be refunded once the marriage register has been submitted back to the court from where it was issued. The Bond Return Request Form (supplied during the bond process) will need to be included with the marriage register originals if they are from Fairfax Circuit Court for refund. If the marriage license was obtained in another court other than Fairfax Circuit Court, then a certified copy of the marriage register will need to be provided to the Fairfax Circuit Court with the Bond Return Request form to have the bond refunded.
