Prevention Planning

Here are the steps I will take to prevent a housing emergency:

- I will put \$_____ per month into an emergency rent fund (can be a checking/savings account, a fund held by family)
- I will pay my bills on time and review my household budget every month
- I will check with my landlord every three months to see if I am following the rules of my lease
- I will let my landlord know when something in my house needs to be repaired
- I will take good care of my apartment (vacuum the carpets, sweep/mop the floors, clean the sinks and toilets, dust, take out trash, etc.).
- I will keep the noise down so people can't hear what is happening in my house through the walls, floor or ceiling

Note: If you have accounted for all your expenses, including savings, your difference should be \$0.00.
 If you come up with a positive number, you may want to consider allocating the extra money toward your debt and/or savings.
 If you come up with a negative number, you are spending more than you make. Review the budget thoroughly to examine where you can trim your expenses.
