## OPIOID OVERDOSE AND NALOXONE EDUCATION FOR VIRGINIA

### – Opiate Overdose Reversal Training –

**Did you know?**

***Overdose is the leading cause of accidental death in the United States?***

***The only way to reverse an opiate overdose is to administer NALOXONE?***

***You can be trained to administer this life-saving medication?***

*This training will provide you with the skills and tools to administer Naloxone. You can also speak with your facilitator about obtaining Naloxone after the training.*

***Spanish translation services are also available for this training, please let us know if you are interested in this service.***

This one-hour training is free and open to **everyone**.

If you or someone you know uses opiates, PLEASE ATTEND!
