

**GARAGE PARKING AT:
Heritage Center
(East Wing)
7611 Little River Turnpike
Conference Room 348E
Annandale, VA 22003**

As you drive up to the front of the Heritage Center building (entrance on Little River Turnpike), there are two entrances to the garage and one exit.

- **Garage Level A Spaces That Are Not Time Limited:**

The entrance to the far right labeled "**Parking**" is where you enter for **Fairfax County Visitor Parking Spaces**, which are to the left. These parking spaces are labeled "**Fairfax County Visitor**" (Garage Level A) and are not time limited.

- **Garage Top Level Spaces That Are Limited to 2 Hours:**

The middle entrance, labeled "**Visitor Parking**," is the 2-hour parking on the top level. You can park anywhere, but again **you are limited to 2 hours**, which is strictly enforced by the landlord. You will be towed if you exceed 2 hours. (There are also 2-hour parking spaces on Garage Level A.)
