unique, different and similar

# DIVERSITY IS YOU

The Department of Family Services Is  
an organization where our diversity is our strength.  
We support a community that embraces all.

## Behaviors that support the department's vision of

# DIVERSITY

We learn about the cultures, traditions and experience of clients and coworkers. We seek opportunities for mutual learning.

We show respect for our coworkers and clients by:

- Learning to pronounce their names properly.
- Being informed and sensitive about when and how major observances of various cultures and religions are recognized.

We speak up when we witness or experience behavior that is offensive or disrespectful.

We are mindful of the many ways we are unique, different and similar. We treat others as we would like to be treated.
