

Fund 304

Transportation Improvements

Board of Supervisors' Adjustments

The following funding adjustments reflect all changes to the FY 2008 Advertised Budget Plan, as approved by the Board of Supervisors on April 30, 2007:

- ◆ The Board of Supervisors made no adjustments to this fund.

Focus

This fund supports the land acquisition, design and construction of County roads. During the 1981 Session of the Virginia General Assembly, legislation was approved that authorized counties with a population over 125,000 to undertake secondary roadway improvements through the use of General Obligation bond revenues or General Fund revenues. Prior to this action, the construction and maintenance of all roadways in Fairfax County had been the exclusive responsibility of the Virginia Department of Transportation (VDOT). The road bond construction program was most recently financed by General Obligation bonds approved by the voters in November 2004 in the amount of \$55 million. The next Transportation Bond Referendum is scheduled for fall 2007.

This fund has been supplemented periodically with General Fund monies and state aid to support spot improvement projects as approved by the Transportation Advisory Commission (TAC) and the Board of Supervisors. These projects consist of intersection improvements such as turn lanes, sidewalk and trail connections, and bus stop improvements. Generally, these improvements are low-cost, quick-hit projects to improve mobility, enhance safety, and provide relief for transportation bottlenecks throughout the County.

Funding of \$2,100,000 is included in Fund 304, Transportation Improvements in FY 2008.

Changes to FY 2007 Adopted Budget Plan

The following funding adjustments reflect all approved changes in the FY 2007 Revised Budget Plan since passage of the FY 2007 Adopted Budget Plan. Included are all adjustments made as part of the FY 2006 Carryover Review and all other approved changes through December 31, 2006:

- ◆ As part of the FY 2006 Carryover Review, the Board of Supervisors approved an increase of \$54,685,844 due to the carryover of unexpended project balances in the amount of \$50,209,293 and an adjustment of \$4,476,551. This adjustment includes: the appropriation of \$13,069 in miscellaneous revenues received in FY 2006; the appropriation of \$1,235,825 in VDOT revenues associated with the County administering construction of pedestrian improvements using State Secondary funds; and the appropriation of \$2,010,000 associated with bond premium applied to this fund as part of the Summer 2005 bond sale. In addition, transfers in were increased: \$800,000 from the General Fund to replace bond funds utilized for local cash match requirements associated with FTA grants for the Richmond Highway Public Transportation Initiative and the Burke VRE Station Parking Expansion projects; \$968,213 from Fund 308, Public Works Construction due to the elimination of Fund 308 as part of the FY 2006 Carryover Review; and \$74,444 from Fund 303, County Construction, Project 009468, Braddock District Capital Projects to fund estimated construction funding shortfalls associated with Project 064237, Roberts Road/Braddock Road improvements. These increases were partially offset by transfers out in the amount of \$195,000 to Fund 300, Countywide Roadway Improvements associated with Project 006617, Fox Mill Road/Reston Parkway; and transfers out to Fund 301, Contributed Roadway Improvements in the amount of \$280,000 for Project 008801, Stone Road, and in the amount of \$150,000 for Project 009900, Miscellaneous Reserve based on a revised scope associated with the West Ox/Monroe Street project.

Fund 304

Transportation Improvements

The following funding adjustments reflect all approved changes to the FY 2007 Revised Budget Plan from January 1, 2007 through April 23, 2007. Included are all adjustments made as part of the FY 2007 Third Quarter Review:

- ◆ As part of the *FY 2007 Third Quarter Review*, the Board of Supervisors approved an increase \$18,800,000 due to the appropriation of \$18,600,000 in remaining bond funds for roads and pedestrian improvements associated with the fall 2004 Transportation Bond Referendum. These bond funds will support the Centreville Road Widening and Stringfellow Road projects. In addition, a transfer from the General Fund of \$200,000 is required to replace bond funds utilized for local cash match requirements associated with an FTA grant for the Burke VRE Station Parking Expansion project as approved by the Board of Supervisors on September 11, 2006.

A Fund Statement, a Summary of Capital Projects, and a Project Detail Table for the projects funded in FY 2008 are provided on the following pages. The Summary of Capital Projects may include some projects without a Total Project Estimate amount. These projects are considered "continuing" projects or projects for which funding is necessary on an ongoing basis (e.g., a contingency or planning project). The Project Detail Table includes project location, description, source of funding and completion schedules.

Fund 304

Transportation Improvements

¹ The sale of bonds is presented here for planning purposes only. Actual bonds sales are based on cash needs in accordance with Board policy. On November 2, 2004, voters approved a Transportation Bond Referendum in the amount of \$165 million, of which \$55 million was included for roadway and pedestrian improvements in Fund 304. An amount of \$20.71 million from the 2004 bond referendum was sold as part of the Summer 2005 Bond Sale for implementation of the Board of Supervisor's 4 Year Transportation Plan. In addition, an amount of \$2.01 million has been applied to this fund in bond premium. An amount of \$34.29 million remains in authorized but unissued bonds from the November 2, 2004 bond referendum.

² Represents House Bill 599 state revenues.

³ A total of \$18,785,000 in revenue from the Virginia Department of Transportation (VDOT) is associated with Project 064233, Spring Hill Road (\$7,700,000), Project 064246, South Van Dorn/Franconia Interchange (\$7,585,000) and Project 064248, Fairfax County Parkway Widening (\$3,500,000). To date, an amount of \$5,525,957 has been received and \$13,259,043 is anticipated in FY 2007 and beyond.

⁴ FY 2007 reflects anticipated revenue from VDOT State Secondary Road funds associated with Project 064267, Pedestrian Improvements - VDOT.

⁵ Reflects revenue in the amount of \$1,875,000 from the Governor's Congestion Relief Program for improvements to County intersections to meet air quality standards and relieve traffic congestion.

⁶ Developer contributions of \$92,420 are anticipated in FY 2007 associated with Project 064233, Spring Hill Road (\$12,420) and Project 4YP002, Route 1/Post Office Left Turn Lane (\$80,000).

⁷ The FY 2007 General Fund transfer reflects the replacement of bond funds utilized to satisfy FTA grant Local Cash Match requirements associated with Project 064268, Richmond Highway Public Transportation Initiative and Project 064269, Burke VRE Station Parking Expansion. This increase to the General Fund transfer is totally offset by a decrease in the General Fund transfer to Fund 102, Federal/State Grants.

⁸ Reflects a Transfer In from Project 006615, Telegraph Road/Florence Lane in Fund 300, Roadway Improvement Fund based on project completion.

⁹ Reflects a transfer In from Project U00100, VDOT Participation in Fund 308, Public Works Construction based on the elimination of Fund 308 as part of the *FY 2006 Carryover Review*.

¹⁰ Reflects a Transfer In from Project 009468, Braddock District Capital Projects in Fund 303, County Construction to help support construction of Project 064237, Roberts Road/Braddock Road.

¹¹ In order to accounty for revenues and expenditures in the proper fiscal year, an audit adjustment in the amount of \$1,835,214 has been reflected as an increase to FY 2006 expenditures to reflect expenditure accruals. The project effected by this adjustment is Project 4YP018, Centreville Road Widening. This impacts the amount carried forward resulting in a net decrease of \$1,835,214 to the *FY 2007 Revised Budget Plan*. The audit adjustment has been included in the FY 2006 Comprehensive Annual Financial Report (CAFR).

¹² Reflects an amount of \$195,000 in FY 2007 to support Project 006617, Fox Mill Road/Reston Parkway, in Fund 300, Countywide Roadway Improvements.

¹³ FY 2006 reflects an amount of \$100,000 to support County matching funds associated with a Job Access/Reverse Commute Grant for pedestrian access improvements in the Tyson's area. FY 2007 reflects an amount of \$150,000 transferred back to project 009900, Miscellaneous Reserve associated with Project 064242, West Ox Road/Monroe Street and an amount of \$280,000 for Project 008801, Stone Road.

¹⁴ Capital projects are budgeted based on the total project costs. Most projects span multiple years, from design to construction completion. Therefore, funding for capital projects is carried forward each fiscal year, and ending balances fluctuate, reflecting the carryover of these funds.

Fund 304 Transportation Improvements

064212	TAC Spot Improvement Program
Countywide	Countywide
<p>Description and Justification: This project supports small spot improvement projects as approved by the Transportation Advisory Commission and the Board of Supervisors. These projects consist of intersection improvements such as turn lanes, sidewalk and trail connections, and bus stop improvements. These improvements are low-cost, quick-hit projects to improve mobility, enhance safety, and provide relief for transportation bottlenecks throughout the County. Funding in the amount of \$1,000,000 is included in FY 2008 to continue this initiative.</p>

Fund 304 Transportation Improvements

064277	SVD/Franconia - Advanced RW
Various	Lee
<p>Description and Justification: This project supports interchange improvements at South Van Dorn and Franconia Road. The project is being managed by Fairfax County for the Virginia Department of Transportation (VDOT) and utilizes federal funding. Due to active construction and development at an adjacent site, advance land acquisition of two sites and redesign of the development was required in order to obtain the right-of-way necessary for road construction. The Board of Supervisors authorized land acquisition on January 22, 2007. FY 2008 funding of \$1,100,000 is included for land acquisition costs.</p>
