

Transportation and Pedestrian Initiatives

Transportation Goals

- ✓ To provide long range transportation planning for new capacity roadway improvements.
- ✓ To identify potential locations for major transit facilities such as future rail stations and park-and-ride sites.
- ✓ To enhanced public transportation corridors which will require further study to identify the feasibility of alternative modes and levels of service.

Pedestrian Initiatives Goals

- ✓ To provide a system of alternative transportation links between residential, educational and commercial activity centers oriented to the non-motorized user.
