In addition, a total of 168 project positions have been abolished since FY 1991, resulting in a total of 1,987 abolished positions. This results in a net increase of 665 positions through the FY 2008 Advertised Budget Plan. Despite the net addition of positions, Positions Per 1,000 Citizens have decreased dramatically during the period between FY 1992 and FY 2008, from 13.57 (including the 168 project positions) to 11.16, a 17.8 percent decrease. Consistent with the Board's commitment to Building Safe and Caring Communities, the Public Safety Program Area has seen the most significant increase in Positions Per 1,000 Citizens with most other Program Areas actually declining.
