

Compensation Plans and Pay Schedules

The County Compensation Plans (C, E, F, L, O, P, and S) for FY 2008 are included on the following pages.

- ◆ The E, L, and S Compensation Plans have been adjusted by 2.92 percent for FY 2008 to include the impact of the annual market index. Consistent with the transition from cost of living increases completed in FY 2002, the adjustment impacts the minimum, midpoint, and maximum of the pay plans but does not impact individual employee salaries. This market index is calculated based on data from the Consumer Price Index, the Federal Wage adjustment, and the Employment Cost Index, which includes state, local and private sector salaries. The E Plan designates pay grades for positions appointed by the County Executive, including Department Heads, the L Plan provides pay grades for attorneys in the County, and the S Plan provides the pay grades for the majority of non-public safety employees.
- ◆ The C, F, O, and P Compensation Plans are used for the various Public Safety classifications in the County. They include steps for public safety employees who will continue to be evaluated under the public safety merit evaluation system. The C Plan is used for Sheriff's Deputies, the F Plan for the Fire and Rescue Department, the O Plan for Police Officers and the P Plan for Animal Control Officers, Public Safety Communicators, Police Communication Assistants, and Traffic Enforcement Officers. Each of the pay grades on these Plans have also been adjusted for FY 2008 by 2.92 percent resulting in increases for these public safety employees to reflect the impact of the annual market index.

The Job Classification Table includes an alphabetical listing of County job classes with the FY 2008 pay grade classification.
