## Public School Operating

---

### **Focus**

Expenditures required for operating, maintaining and supporting the instructional program of Fairfax County Public Schools (FCPS) are recorded in Fund 090, Public School Operating. These expenditures include the costs for salaries and related employee benefits, materials, equipment and services to continue current programs, as well as costs for projected changes in membership and inflation. Revenue to support these expenditures is provided by a transfer from the County General Fund, state and federal aid, tuition payments from the City of Fairfax, as well as other fees and transfers.

It should be noted that the following fund statement reflects the FY 2008 Fairfax County Public School Superintendent's Proposed Budget, which was released on January 11, 2007 and included a request for a 4.6 percent increase to the General Fund transfer. Adjustments to the Superintendent's Proposed Budget, adopted by the Fairfax County School Board on February 7, 2007 will be discussed in the Overview Volume of the County's FY 2008 Advertised Budget Plan. All financial schedules included in the FY 2008 Advertised Budget Plan reflect the funding level commensurate to a 3.5 percent increase in the General Fund transfer plus an additional \$8 million to fund the second phase of the Initiatives for Excellence to the Fairfax County Public Schools consistent with the FY 2008 Budget Guidelines reaffirmed and approved by the Board of Supervisors on July 31, 2006. The proposed County General Fund transfer for school operations in FY 2008 totals \$1,586,600,722.
