

Fund 102

Federal/State Grant Fund

Mission

To provide reserves for unanticipated and anticipated grants awarded to Fairfax County from federal, state, and other funding sources. The reserves enable Fairfax County to accept grant funding to enhance services provided to the residents of Fairfax County.

Focus

In order to provide a comprehensive summary of grant awards to be received by the County in FY 2009, awards *already received* and awards *anticipated to be received* by the County for FY 2009 are included in the Fund 102, Federal/State Grant Fund budget. The total FY 2009 appropriation within Fund 102, Federal/State Grant Fund is \$65,139,300, an increase of \$6,547,250 or 11.2 percent, from the FY 2008 Adopted Budget Plan total of \$58,592,050 and includes both grant awards already received and grants that are anticipated. The total for grant awards already received and appropriated directly to the agency receiving the grant is \$668,635 in FY 2009. Funds for grants held in reserve until the grant award is received and approved by the Board of Supervisors total \$64,470,665 in FY 2009.

In order to secure grant funding, the grantor often requires that a certain percentage of funds be matched from local funding sources. In FY 2009, the total General Fund commitment for Local Cash Match totals \$1,762,329 a decrease of \$3,183,583, or 64.4 percent, from the FY 2008 Adopted Budget Plan total of \$4,945,912. This decrease is due to the availability of new transportation money from the Northern Virginia Transportation Authority (NVTA) that will be utilized as the Local Cash Match for the Congestion Mitigation Air Quality (CMAQ) program, Job Access/Reverse Commute (JARC) program, and Federal Appropriations. Additionally, the General Fund commitment for Local

Cash Match has been reduced by \$2,000,000 due to the availability of Local Cash Match carried over from previous years. It should therefore be noted that although the FY 2009 anticipated need for Local Cash Match is \$3,093,694, only \$1,093,694 has been budgeted as the General Fund transfer for Local Cash Match. The FY 2009 Local Cash Match total for grant awards already received and appropriated directly to the agency receiving the grant is \$668,635, while funds for grants held in reserve until the grant award is received and approved by the Board of Supervisors totals \$3,093,694, including \$1,093,694 from the General Fund and \$2,000,000 in Local Cash Match carried over from prior years.

Prior appropriation of the anticipated grants will allow for grants to be handled in an expeditious manner when actual awards are received. As specific grants are awarded and approved, a supplemental appropriation of the required funds is made to the specific agency or agencies administering a grant. This increase in a specific agency grant appropriation is offset by a concurrent decrease in the grant reserve. The list of anticipated grants to be received in FY 2009 was developed based on prior awards and the most recent information available concerning future awards. A detailed list of grant programs by agency, including a description of the grant programs funded, the number of positions supported, the residents served, and the funding sources (federal/state grant funds, General Fund support, and other support) is included. In addition, an amount of \$1,075,000, the same level as in FY 2008, is included as part of the reserve to allow for grant awards that cannot be anticipated.

Fund 102

Federal/State Grant Fund

Effective September 1, 2004, the Board of Supervisors established new County policy for grant applications and awards that meet certain requirements. If a grant is \$100,000 or less, with a required Local Cash Match of \$25,000 or less, with no significant policy implications, and if the grantor does not require Board of Supervisors' approval, the agency can work directly with the Department of Management and Budget to receive the award and reallocate funding from the anticipated/unanticipated reserve directly to the agency. If an award exceeds these limitations but was listed in the Anticipated Grant Awards table in the Adopted Budget for the current fiscal year, the Board of Supervisors' approval is not required unless the actual funding received differs significantly from the projected funding listed in the budget. For any grant that does not meet all of the specified criteria, the agency must obtain Board of Supervisors' approval in order to apply for or accept the grant award.

Appropriated Grant Awards

The Community Oriented Policing Services (COPS) Grants from the U.S. Department of Justice (DOJ) are appropriated directly to the Police Department in the amount of \$668,635. The COPS grants are multi-year federal awards to localities aimed at increased community policing. The FY 2009 appropriation includes the third and final year of a COPS in Schools award received in FY 2006 of which no federal funding will be received and Local Cash Match funding of \$668,635 is required.

¹ It should be noted that sufficient Local Cash Match funding has been included to cover the anticipated General Fund obligation for the COPS grants in Agency 90, Police Department. The FY 2009 Local Cash Match total in Agency 90 includes both new funding sources as well as funds carried over from previous fiscal years.

Funding in Reserve within Fund 102

An amount of \$64,470,655 is included in FY 2009 as a reserve for grant awards. Grant awards are principally funded by two general sources – federal/state grant funding and Local Cash Match. The FY 2009 reserves for each of these sources are estimated for anticipated grant awards and for unanticipated grant awards. The Reserve for Grant Funding and the Reserve for Local Cash Match are shown on the fund statement as both estimated revenue and estimated expenditures.

In FY 2009, the Reserve for Grant funding is \$63,376,971, including the Reserve for Anticipated Grant Funding of \$62,376,971 and the Reserve for Unanticipated Grant Funding of \$1,000,000. This reflects an increase of \$9,745,907 or 18.2 percent from the FY 2008 Adopted Budget Plan Reserve for Grant Funding of \$53,631,064. This increase is primarily attributable to increased estimated funding for grants in the Department of Family Services, the Department of Transportation, and the Police Department.

Fund 102 Federal/State Grant Fund

In FY 2009, the Reserve for Local Cash Match is \$3,093,694 including the Reserve for Anticipated Local Cash Match of \$3,018,694 and the Reserve for Unanticipated Local Cash Match of \$75,000. This reflects a decrease of \$1,199,797, or 27.9 percent, from the FY 2008 Adopted Budget Plan Reserve for Local Cash Match of \$4,293,491. The decrease in Local Cash Match requirements is due primarily to a shift of anticipated Local Cash Match requirements from the General Fund to new funding from the Northern Virginia Transportation Authority. The Reserve for Local Cash Match of \$3,093,694 includes \$1,093,694 budgeted as a transfer from the General Fund as well as \$2,000,000 in Local Cash Match carried over from prior years. The Reserve for Local Cash Match is a projection of the County contributions required for anticipated and unanticipated grant awards. It should be noted that an additional \$668,635 in Local Cash Match has been directly appropriated to the Police Department for a COPS grant award already received. This results in a FY 2009 total Local Cash Match commitment of \$3,762,329. The anticipated Local Cash Match required by agencies is as follows:

AGENCY	FY 2009 ADVERTISED LOCAL CASH MATCH
Office of the County Executive, Office of Partnerships	\$44,000
Department of Transportation	\$112,500
Department of Community and Recreation Services	\$48,346

Police Department	\$103,861
Fire and Rescue Department	\$252,000
Reserve for Unanticipated Grant Awards	\$75,000
Total	\$3,093,694

The following table provides funding levels for the FY 2009 Advertised Budget Plan for the fund including the awards in the reserves for anticipated and unanticipated awards. Actual grant awards received in FY 2009 may differ from the attached list.

Foster Care and Adoption Staffing (67513G)	22/22.0	\$1,763,186	\$273,294	\$1,489,892	\$0
The General Assembly approved \$6.9 million statewide for new foster care and adoption staffing, effective July 1, 1999. This funding is a result of a staffing study conducted by the Virginia Department of Planning and Budget and the Virginia Department of Social Services that demonstrated the need for 201 additional staff for local jurisdictions. The additional staff is used to improve the agencies' ability to meet legal mandates with regard to foster care and adoption. The expected outcomes are to reduce the average length of time children spend in foster care; to lower the caseloads in order to meet new judicial time frames and to provide more intensive services; to accelerate the adoption process for older, special needs children; to reduce expenditures out of the Comprehensive Services Act pool; to return children to a family member or permanent placement more quickly; and to enable social workers to visit their children in foster care at the standard of once every month. A 15.5 percent Local Cash Match is required.

Success in these areas will serve to reduce County costs for the most intensive and intrusive services.

¹ In order to account for revenues and expenditures in the proper fiscal year, an audit adjustment in the amount of \$1,433,091 in revenues and \$754,722 in expenditures has been reflected as an increase to FY 2007 revenues and expenditures to accurately record revenues and expenditures. This impacts the amount carried forward resulting in a net decrease of \$2,187,813 to the *FY 2008 Revised Budget Plan*. The audit adjustment has been included in the FY 2007 Comprehensive Annual Financial Report (CAFR). Details of the FY 2007 audit adjustments will be included in the FY 2008 Third Quarter Package.

² The *FY 2009 Advertised Budget* Beginning Balance reflects \$2,000,000 in available Local Cash Match carried over from previous years. It should therefore be noted that although the FY 2009 anticipated need for Local Cash Match is \$3,093,694, only \$1,093,694 has been budgeted as the General Fund transfer for Local Cash Match. Savings of \$2,000,000 will be identified as part of the *FY 2008 Carryover Review* from current Local Cash Match sources.

³ The *FY 2008 Revised Budget Plan* Beginning Balance reflects \$8,849,809 in Local Cash Match carried over from FY 2007, including \$3,031,601 in Local Cash Match previously appropriated to agencies but not yet expended and \$5,818,208 in the Reserve for Estimated Local Cash Match consisting of the balance of the Reserve not used during FY 2007 plus Local Cash Match returned to the Reserve as the result of grant closeouts. Thus, the total Reserve for Estimated Local Cash Match in FY 2007 is \$7,741,847.

⁴ Emergency Preparedness grant funding is reflected as a separate category in order to centrally identify grant funds earmarked for security and emergency preparedness requirements. Agencies involved in this effort include the Office of Public Affairs, Department of Purchasing and Supply Management, Facilities Management Department, Department of Public Works and Environmental Services, Department of Transportation, Department of Family Services, Department of Information Technology, Health Department, Police Department, Office of the Sheriff, Fire and Rescue Department, and the Office of Emergency Management.

⁵ The Ending Balance in Fund 102, Federal/State Grant Fund, fluctuates primarily due to timing, as some revenues received late in the fiscal year have not been by spent by June 30 as the time period for spending grant funds often continues beyond the end of the fiscal year.
