\* ENSNI = Estimate, No Scope, No Inflation

Cost estimates for long term CIP projects are based on preliminary project descriptions provided by the requesting agency, and include all estimated costs for land acquisition, permits and inspections, project management and project engineering, consultant design, construction, utilities, fixed equipment and information technology infrastructure.

1/ The Virginia Department of Transportation has primary responsibility for these road projects; however, it is possible that Fairfax County may contribute to the cost of the project to supplement other sources of funding.
