¹ Personal Property Taxes that are reimbursed by the Commonwealth as a result of the Personal Property Tax Relief Act of 1998 are included in the Revenue from the Commonwealth category in accordance with guidelines from the State Auditor of Public Accounts.

² As part of the FY 2007 Advertised Budget Plan, the approximate value of one penny of the real estate tax rate for both Fund 318, Stormwater Management Program, and Fund 319, The Penny for Affordable Housing Fund, was reflected as revenue in the funds instead of as a transfer in from the General Fund.

³ The FY 2005 reserve of \$23.2 million represents the sum of the \$8.1 million reserved by the Board of Supervisors as part of the *FY 2004 Carryover Review* as well as additional revenue of \$15.1 million associated with the September 1, 2004 implementation of the increased rates for recordation and cigarette taxes. As the Board indicated, these additional dollars were held in reserve and utilized for Board consideration and tax relief as part of the FY 2006 budget.

⁴ The FY 2005 reserve of \$12.31 million represents the reductions to the FY 2005 Third Quarter recommendation approved by the Board of Supervisors on April 18, 2005. As the Board indicated, these additional dollars were held in reserve for tax relief and were utilized in balancing the FY 2006 budget.

⁵ As part of the FY 2007 Advertised Budget Plan, the County Executive recommended various reserves to address requirements that could not be funded within the Board adopted guidelines for County growth. These reserves represented opportunities for investment and included funding to begin to address the County's GASB 45 liability, funding for courtroom renovations and elevator replacement at the Jennings building, funding to cover escalation in construction costs for County facilities, funding to implement recommendations regarding safety enhancements at bus shelters and bus stops, and funding to allow the Board of Supervisors to provide additional tax relief or fund consideration item requests. The Board of Supervisors utilized the majority of the funding available in these reserves for additional real estate tax relief of \$0.04 per \$100 of assessed value and additional funding for the Fairfax County Public Schools. A portion of the funding for GASB 45 (\$8,200,000), courtroom renovations and elevator modifications (\$2,900,000), construction inflation (\$8,000,000), safety enhancements at bus shelters and bus stops (\$2,500,000) and capital renewal (\$3,841,000) were approved by the Board and are appropriated to these projects as part of the FY 2007 Adopted Budget Plan.
