REFLECTIONS ON YOUR SERVICE LEARNING EXPERIENCE

1. Where did you volunteer?

2. What were your main duties there?

3. What did you enjoy the most about your experience?

4. What concerns did you have about the experience? What, if any, drawbacks did you find as you completed your service learning hours? BE HONEST! You are not being graded on how much you liked your service learning project.

5. List three words that come to mind when you consider your service learning project. Briefly explain your choices.

6. If you were responsible for recruiting volunteers for community service learning projects, how would you accomplish that task? Use the back if necessary.
