There are also town meetings (*on different dates than the proposal meetings above*) that you could attend (see information on the back of this sheet) if you cannot view one of the budget proposal meetings.
4. After attending/viewing a budget meeting, write your impressions of constituents' budgetary concerns.
 - a. Assess the validity of their concerns.
 - b. How would you rank the areas of need as expressed by the presenters?

Remember - your responses will probably only be 1-2 pages in length (approximately 1 page per question).
