

## Response to Questions on the FY 2010 Advertised Budget Plan

**Request By:** Supervisor Hyland

**Question:** Please provide usage data on the libraries over the last few months compared with previous usage levels.

**Response:**

The following chart shows comparative countywide data for the periods of July 2007 through January 2008 (FY 2008) and July 2008 through January 2009 (FY 2009). Increases of 7 to 10 percent have been experienced in all four categories (Items Circulated, Library Visits, Program Attendance, and Internet Usage).

### Comparative Statistics July - January FY 2008 vs. FY 2009

Measure	July - January		
	FY 2008	FY 2009	Diff.
Items Circulated	7,447,758	8,044,222	7%
Library Visits	3,261,019	3,543,594	8%
Program Attendance	63,140	69,789	10%
Internet Usage	425,756	470,455	10%
