

Fund 102

Federal/State Grant Fund

Mission

To provide reserves for unanticipated and anticipated grants awarded to Fairfax County from federal, state, and other funding sources. The reserves enable Fairfax County to accept grant funding to enhance services provided to the residents of Fairfax County.

Focus

In order to provide a comprehensive summary of grant awards to be received by the County in FY 2011, awards *already received* and awards *anticipated to be received* by the County for FY 2011 are included in the Fund 102, Federal/State Grant Fund budget. The total FY 2011 appropriation within Fund 102, Federal/State Grant Fund is \$62,960,909, an increase of \$3,167,245 or 5.3 percent, over the FY 2010 Adopted Budget Plan total of \$59,793,664.

In order to secure grant funding, the grantor often requires that a certain percentage of funds be matched from local funding sources. In FY 2011, the General Fund commitment for Local Cash Match totals \$2,914,001, a decrease of \$48,419, or 1.6 percent, from the total FY 2010 anticipated need for Local Cash Match of \$2,962,420.

Prior appropriation of the anticipated grants will allow for grants to be handled in an expeditious manner when actual awards are received. As specific grants are awarded and approved, a supplemental appropriation of the required funds is made to the specific agency or agencies administering a grant. This increase in a specific agency grant appropriation is offset by a concurrent decrease in the grant reserve. The list of anticipated grants to be received in FY 2011 was developed based on prior awards and the most recent information available concerning future awards. A detailed list of grant programs by agency, including a description of the grant programs funded, the number of positions supported, the residents served, and the funding sources (federal/state grant funds, General Fund support, and other support) is included. In addition, an amount of \$1,075,000, the same level as in FY 2010, is included as part of the reserve to allow for grant awards that cannot be anticipated.

Effective September 1, 2004, the Board of Supervisors established new County policy for grant applications and awards that meet certain requirements. If a grant is \$100,000 or less, with a required Local Cash Match of \$25,000 or less, with no significant policy implications, and if the grantor does not require Board of Supervisors' approval, the agency can work directly with the Department of Management and Budget to receive the award and reallocate funding from the anticipated/unanticipated reserve directly to the agency. If an award exceeds these limitations but was listed in the Anticipated Grant Awards table in the Adopted Budget for the current fiscal year, the Board of Supervisors' approval is not required unless the actual funding received differs significantly from the projected funding listed in the budget. For any grant that does not meet all of the specified criteria, the agency must obtain Board of Supervisors' approval in order to apply for or accept the grant award.

Funding in Reserve within Fund 102

An amount of \$62,960,909 is included in FY 2011 as a reserve for grant awards. Grant awards are principally funded by two general sources – federal/state grant funding and Local Cash Match. The FY 2011 reserves for each of these sources are estimated for anticipated grant awards and for unanticipated grant awards. The Reserve for Grant Funding and the Reserve for Local Cash Match are shown on the fund statement as both estimated revenue and estimated expenditures.

In FY 2011, the Reserve for Grant funding is \$60,046,908, including the Reserve for Anticipated Grant Funding of \$59,046,908 and the Reserve for Unanticipated Grant Funding of \$1,000,000. This reflects an increase of \$3,215,664, or 5.7 percent, over the FY 2010 Adopted Budget Plan Reserve for Grant Funding of \$56,831,244. This is primarily attributed to an increased estimated funding for grants in the Department of

Fund 102 Federal/State Grant Fund

Family Services, Health Department, General District Court, Police Department and Fire and Rescue Department.

In FY 2011, the Reserve for Local Cash Match is \$2,914,001 including the Reserve for Anticipated Local Cash Match of \$2,839,001 and the Reserve for Unanticipated Local Cash Match of \$75,000. This reflects a decrease of \$48,419, or 1.6 percent, from the FY 2010 Adopted Budget Plan Reserve for Local Cash Match of \$2,962,420. The decrease in Local Cash Match requirements is due primarily to decreased anticipated requirements in the Department of Family Services and the Fire and Rescue Department. The Reserve for Local Cash Match is a projection of the County contributions required for anticipated and unanticipated grant awards. Additionally, funding of \$34,263 in required Local Cash Match for Police Grants is available in Agency 90, Police Department. The anticipated Local Cash Match required by agencies is as follows:

AGENCY	FY 2011 ADVERTISED LOCAL CASH MATCH
Department of Family Services	\$2,164,940
Office to Prevent and End Homelessness	\$500,837
Department of Neighborhood and Community Services	\$100,000
Juvenile and Domestic Relations District Court	\$28,575

Fire and Rescue Department	\$36,804
Reserve for Unanticipated Grant Awards	<u>\$75,000</u>
Total	\$2,948,264

The following table provides funding levels for the FY 2011 Advertised Budget Plan for the fund including the awards in the reserves for anticipated and unanticipated awards. Actual grant awards received in FY 2011 may differ from the attached list.

¹ The *FY 2010 Revised Budget Plan* Beginning Balance reflects \$7,452,462 in Local Cash Match carried over from FY 2009, including \$2,167,584 in Local Cash Match previously appropriated to agencies but not yet expended and \$5,284,878 in the Reserve for Estimated Local Cash Match consisting of the balance of the Reserve not used during FY 2009 plus Local Cash Match returned to the Reserve as the result of grant closeouts. Thus, the total Reserve for Estimated Local Cash Match in FY 2010 is \$5,189,579.

² In order to account for revenues and expenditures in the proper fiscal year, audit adjustments in the amount of \$980,298.46 have been reflected as increases to FY 2009 revenue and \$205,489.46 have been reflected as increases to FY 2009 expenditures to properly record revenue accruals and reclassify grant expenditures to the correct program year. This impacts the amount carried forward, resulting in corresponding decreases to the *FY 2010 Revised Budget Plan* revenue and expenditure budgets. The audit adjustments have been included in the FY 2009 Comprehensive Annual Financial Report (CAFR). Details of the Audit Adjustments will be included in the FY 2010 Third Quarter package.

³ Represents funding received by the Department of Family Services, Office to Prevent and End Homelessness, Office of the Commonwealth's Attorney, and the Department of Vehicle Services as part of the American Recovery and Reinvestment Act of 2009 (ARRA).

⁴ The FY 2010 Estimated Local Cash Match appropriated to agencies totals \$3,057,719 but \$250,000 has been taken from available Local Cash Match balances due to unspent funds from previous years.

⁵ Emergency Preparedness grant funding is reflected as a separate category in order to centrally identify grant funds earmarked for security and emergency preparedness requirements. Agencies currently involved in this effort include the Office of Public Affairs, Department of Purchasing and Supply Management, Department of Information Technology, Health Department, Police Department, Fire and Rescue Department, and the Office of Emergency Management.

⁶ The Ending Balance in Fund 102, Federal/State Grant Fund, fluctuates primarily due to timing, as some revenues received late in the fiscal year have not been by spent by June 30 as the time period for spending grant funds often continues beyond the end of the fiscal year.
