¹ In addition to funds received by the County directly from the State in the funds listed herein, it is projected the State will provide \$56,616,843 to the Northern Virginia Transportation Commission (NVTC) in FY 2014 as a credit to help offset Fairfax County's Operating Subsidy and \$3,174,221 as a credit to help offset Fairfax County's Capital Construction Subsidy in Fund 30000, Metro Operations and Construction. State aid in the amount of \$19,129,770 is also projected to be disbursed to NVTC in FY 2014 which will be utilized to offset operations in Fund 40000, County Transit Systems.

² As part of the County's implementation of a new enterprise resource planning system, FOCUS, several changes have been made which impact the display of budget information. This schedule reflects the County's new chart of accounts, which impacts the spread of funding among revenue categories (including Revenue from the Commonwealth), but does not impact bottom-line funding. The new chart of accounts is used across all fiscal years; therefore, the presentation of the FY 2013 Adopted Budget Plan by category is slightly different than previously shown.

³ Personal Property Taxes of \$211,313,944 that are reimbursed by the Commonwealth as a result of the Personal Property Tax Relief Act of 1998 are included in the Revenue from the Commonwealth category in accordance with guidelines from the State Auditor of Public Accounts.
