Contributory Overview

Fund 10030, Contributory Fund, was established in FY 2001 to reflect General Fund support for agencies or organizations that receive County contributions. FY 2015 funding totals \$14,744,665 and reflects an increase of \$1,349,909 or 10.1 percent over the FY 2014 Adopted Budget Plan funding level of \$13,394,756. The required Transfer In from the General Fund is \$14,720,884. Individual contributions are described in detail on the following pages.

Contributory funding is in compliance with the Board of Supervisors' policy to make General Fund appropriations of specified amounts to various nonsectarian, nonprofit or quasi-governmental entities for the purpose of promoting the general health and welfare of the community. Contributory agency positions are not part of the County merit system and funding for all contributory agencies is reviewed annually. Each request is reviewed on the basis of the benefit to Fairfax County citizens, contractual or regional commitments, the responsibilities of state agencies, and a prior County commitment of funding. When appropriate, a nonprofit agency that provides specific contractual partnership services may be referred to Fund 10020, Consolidated Community Funding Pool, for funding consideration by the Consolidated Community Funding Advisory Committee.

Since public funds are being appropriated, disbursements provided to designated agencies are currently made contingent upon submission and review of quarterly, semiannual and/or annual reports. This oversight activity includes reporting requirements prescribed by the County Executive, requiring designated agencies to accurately describe the level and quality of services provided to County residents, as well as the overall financial strength and stability of the County's contributory agencies. Various County agencies may be tasked with oversight of program reporting requirements. Contributory agencies that do not file reports as requested, may, at the discretion of the County Executive, have payments withheld until appropriate reports are filed and reviewed.

It should be noted that population is used by several of the organizations as the basis for their requests for FY 2015 funding from Fairfax County. The population figures cited by the individual organizations for Fairfax County may differ somewhat from one another due to the particular projection service utilized.

The chart on the following pages summarizes the FY 2015 funding for the various contributory organizations.

FY 2015 Funding Adjustments

The following funding adjustments from the FY 2014 Adopted Budget Plan are necessary to support the FY 2015 program. Included are all adjustments recommended by the County Executive that were approved by the Board of Supervisors, as well as any additional Board of Supervisors' actions, as approved in the adoption of the budget on April 29, 2014.

◆ **FY 2015 Baseline Adjustments** **\$1,349,909**

A net increase of \$1,349,909 reflects adjustments associated with contributions based primarily on legal requirements, per capita calculations, contractual or regional commitments or based on membership dues. The following summaries describe these adjustments in more detail by program area.

The **Legislative-Executive Functions/Central Service Agencies** program area increases \$34,722 or 1.7 percent for several organizations based on per capita requirements and adjusted County population figures for which population is cited and used in the calculation. This increase includes \$26,072 or 2.8 percent for the Metropolitan Washington Council of Governments (COG) due to an increase in the FY 2015 per capita rate and increased Water Resource Planning and Environmental Fund contributions, \$10,556 or 1.7 percent for the Northern Virginia Regional Commission (NVRC) due to an increase in County population and increased Four Mile Run Watershed Management Program and Waste Management Program contributions, and \$3,656 or 1.5 percent for the Virginia Association of Counties due to an increase in Fairfax County's population. These increases are

Fund 10030 Contributory Fund

partially offset by a decrease of \$5,562 or 3.2 percent for Northern Virginia Transportation Commission (NVTC) based on the share of revenue to be received by NVTC on behalf of the County (calculation based on state statute). It should be noted that population, as determined by the County's Department of Neighborhood and Community Services, may differ from other particular projection services, e.g., Weldon Cooper Center for Public Service, used by various contributory agencies as the basis for their contributions.

The **Public Safety** program area decreases \$40,350 as a result of the elimination of funding for the Fairfax Partnership for Youth due to the organization reexamining its role in the community.

The **Health and Welfare** program area increases \$162,026 or 5.2 percent due to an increase of \$107,801 or 4.4 percent for the Northern Virginia Healthcare Center/Birmingham Green Adult Care Residence, known collectively as Birmingham Green, based on actual costs and utilization rates at the facility, \$30,525 or 10.0 percent for Volunteer Fairfax due to additional requirements associated with increased community utilization of the organization's services, and \$23,700 or 11.1 percent for the Medical Care for Children Partnership (MCCP) due to additional operating requirements.

The **Parks, Recreation and Cultural** program area decreases \$666,150 or 15.4 percent due to the elimination of the County's operating support for the Lorton Arts Foundation in the amount of \$750,000, partially offset by an increase of \$50,000 or 6.1 percent for the Arts Council of Fairfax County to allow the organization to provide additional grant funding to local art organizations in the County, and \$33,850 for the Northern Virginia Regional Park Authority based on an increase in Fairfax County's population.

The **Community Development** program area increases \$1,859,661 or 50.0 percent due to an increase of \$1,750,000 for the Fairfax 2015 World Police and Fire Games based on contractual requirements associated with the games, \$674 or 23.8 percent for the Architectural Review Board to comply with federally mandated training requirements, and \$500,000 for the INOVA Translational Medicine Institute. These increases are partially offset by decreases of \$340,618 or 12.5 percent for the Convention and Visitors Corporation based on projected Transient Occupancy Tax revenue in FY 2015, \$50,000 for the VPI/UVA Education Center based on the expiration of the 20-year funding agreement with the organization, and \$395 or 0.4 percent for the Northern Virginia Community College (NVCC) based on population changes within participating jurisdictions.

The **Nondepartmental** program area remains at the FY 2014 level.

Changes to FY 2014 Adopted Budget Plan

The following funding adjustments reflect all approved changes in the FY 2014 Revised Budget Plan since passage of the FY 2014 Adopted Budget Plan. Included are all adjustments made as part of the FY 2013 Carryover Review, FY 2014 Third Quarter Review, and all other approved changes through April 30, 2014.

- ◆ **Carryover Adjustments** **\$1,050,000**
As part of the *FY 2013 Carryover Review*, the Board of Supervisors approved funding of \$1,000,000 to provide support to the Fairfax 2015 World Police and Fire Games due to upcoming contractual requirements associated with the games. In addition, unexpended funding of \$50,000 was appropriated for the Birmingham Green nursing home and assisted living facility. This funding is for a feasibility study to support the long-term care services provided at Birmingham Green.

The Alliance for Innovation – formerly known as the Virginia Innovation Group – is part of the Innovation Groups (IG), a network of local government professionals seeking innovation and governmental excellence. The International City/County Management Association, IG and Arizona State University founded the Alliance for Innovation to assist local governments across the country by identifying the major forces that will drive local government in the future; responding to those forces by identifying and accelerating innovations; identifying and documenting best practices; and reducing the time from when an innovation is identified to when it becomes practice.

No funding is included in FY 2015 as Fairfax County has suspended its membership with the Alliance for Innovation.

Dulles Area Transportation Association	\$9,000	\$15,000	\$15,000	\$15,000	\$15,000

The Dulles Area Transportation Association (DATA) is a public-private, nonprofit, 501(c) (3) tax exempt transportation management association dedicated to improving transportation in a 150-square mile area around Dulles Airport including the Route 28, Route 50, Route 7 and Dulles Corridor (the Greater Dulles Area). Its membership is composed of elected officials of the Commonwealth of Virginia, Fairfax County, Loudoun County, and the towns of Herndon and Leesburg; senior executives of the Metropolitan Washington Area Airports (MWAA); and other employer firms, property owners and business professionals, with membership open to all. DATA currently has over 50 dues-paying individual corporations and businesses, and governmental or quasi-governmental organizations. In addition, there are an additional 50 non-paying local representatives to the General Assembly, representatives of citizen associations, and affiliate members (e.g., Fairfax County Chamber of Commerce), none of whom are obligated to pay dues but allow similar memberships in their organizations.

DATA provides a neutral public forum for identifying transportation needs within the Greater Dulles Area, as well as generating solutions to meet them. DATA plans and conducts transportation seminars in support of efforts to improve transportation in the greater Dulles area in conjunction with regional members of the Commonwealth Transportation Board and other local governing bodies. Other programs emphasize congestion management and mobility approaches including heavy and light rail, bus rapid transit, and highway improvements and the effects of greenhouse gases and climate change will be explored further. DATA staff also works with the County's Department of Transportation to execute

Fund 10030 Contributory Fund

targeted projects aimed at raising employer and citizen awareness of the challenges and possible solutions to traffic congestion in the region.

The FY 2015 Fairfax County funding amount for the Dulles Areas Transportation Association is \$15,000, which is consistent with the FY 2014 Adopted Budget Plan.

Metropolitan Washington Council of Governments	\$899,965	\$939,972	\$939,972	\$966,044	\$966,044

The Metropolitan Washington Council of Governments (COG) is the regional planning organization of the Washington, D.C. area's local governments. COG works toward solutions to regional problems such as transportation, affordable housing, emergency preparedness and environmental issues. Currently, 22 area jurisdictions are members, including Fairfax County. Funding for COG is provided through federal and state grants, special contributions (fees for services) and local government contributions.

Annual COG contributions are based on the per capita rate multiplied by the population estimates provided by member jurisdictions. The FY 2015 per capita rate is \$0.71, up from the FY 2014 rate of \$0.70.

The FY 2015 Administrative Contribution totals \$787,905, an increase of \$24,542 or 3.2 percent over the FY 2014 Adopted Budget Plan of \$763,363. COG calculates each jurisdiction's share based on the region's estimated population. In addition to the Administrative Contribution of \$787,905 and Special Contributions of \$178,139 (\$140,606 for the Regional Environmental Fund and \$37,533 for Water Resources), for a total Fund 10030 contribution of \$966,044, an amount of \$13,997 is budgeted in Fund 40171, I-95 Solid Waste Disposal, and \$259,885 (\$230,561 for Water Resource Planning and \$29,324 for Blue Plains Users) is budgeted in Fund 69010, Sewer Operation and Maintenance. The total FY 2015 County contribution to COG is \$1,239,926.

The National Association of Counties (NACo) is an organization that represents and informs participating governments of current developments and policies that affect services and operations. NACo acts as a liaison with other levels of government, works to improve public understanding of counties, serves as a national advocate for counties and provides them with resources to find innovative methods to meet the challenges they face. NACo is involved in a number of special projects that deal with issues such as homeland security, energy, environment, housing and land use, among others.

An amount of \$21,635 is included for FY 2015 dues, which is consistent with the FY 2014 Adopted Budget Plan.

Northern Virginia Regional Commission	\$623,862	\$631,073	\$631,073	\$641,629	\$641,629

The Northern Virginia Regional Commission (NVRC) is a regional council of local governments in Northern Virginia created in 1969 pursuant to the Virginia Area Development Act and a regionally-executed charter. In 1995, the Virginia Area Development Act was amended and renamed the Regional Cooperation Act. It sets forth the purpose of planning district commissions as follows: "...to encourage and facilitate local government cooperation in addressing, on a regional basis, problems of greater than local significance. The cooperation resulting from this Act is intended to assist local governments in meeting their own problems by enhancing their abilities to recognize and analyze regional opportunities and take account of regional influences in planning and implementing their public policies and services."

NVRC's policies and programs are established by a 25-member Board of Commissioners composed entirely of elected council and board members of NVRC's 14 member localities. The work of the Commission is supported in part by contributions from the member local governments and by appropriations from the Virginia General Assembly.

NVRC serves as a neutral forum for decision-making; provides member governments with the information and analyses necessary to make sound local and regionally beneficial decisions; provides professional and technical services to enable member governments to plan for their future individually and as a region; and carries out programs and functions at the request of member governments to supplement their own capacities or to achieve economies of scale through regional approaches. NVRC's services are divided into regional policy programs such as the legislative program; demographics and information services; environmental and land use; and human services programs.

The total FY 2015 Fairfax County contribution is \$641,629, an increase of \$10,556 or 1.7 percent over the FY 2014 Adopted Budget Plan contribution of \$631,073. This amount provides for the annual contribution of \$568,091, as well as special contributions of \$42,072 to support the Occoquan Watershed Management Program, \$11,405 for the Northern Virginia Waste Management Program, and \$20,061 for the Four-Mile Run Watershed Management Program. The FY 2015 per capita rate of \$0.53 is unchanged from FY 2014. As a result, the increase in the County's contribution is attributable to an increase in County population based on population estimates generated by the Weldon Cooper Center for Public Service.

Northern Virginia Transportation Commission	\$169,504	\$173,465	\$173,465	\$167,903	\$167,903

The Northern Virginia Transportation Commission (NVTC) is the executive agency of the Northern Virginia Transportation District. It was established by state statute as a political subdivision of the Commonwealth of Virginia. The principal business activity of the Commission is to manage and control the functions, affairs and property of the Northern Virginia Transportation District, as defined in the Transportation Act of 1964. It represents its constituent jurisdictions (Alexandria, Falls Church, Fairfax City, Arlington County, Fairfax County and Loudoun County) on the Metro Board.

Fund 10030 Contributory Fund

Each NVTC jurisdiction is assigned a percentage of the local portion of NVTC's administrative budget based on the jurisdiction's share of state aid received by NVTC in the previous year. This is determined by the application of a subsidy allocation model that projects the total amount of state aid received by the region and local jurisdictions. This model contains seven formulas including such variables as Metro construction costs, Metrorail service costs, ridership volume and population. These calculated percentages for each jurisdiction are applied to NVTC's remaining administrative budget after other revenue sources such as state aid, interest earned and project chargebacks have been applied.

Based on its share of revenue received by NVTC on behalf of Fairfax County, the total FY 2015 County contribution is \$167,903, a decrease of \$5,562 or 3.2 percent from the FY 2014 Adopted Budget Plan contribution of \$173,465.

Virginia Association of Counties	\$241,125	\$245,950	\$245,950	\$249,606	\$249,606

The Virginia Association of Counties (VACo) is an organization dedicated to improving County government in the Commonwealth of Virginia. To accomplish this goal, the association represents Virginia counties regarding state legislation that would have an impact on them. The association also provides conferences, publications and programs designed to improve county government and to keep county officials informed about recent developments in the state, as well as across the nation.

The FY 2015 Fairfax County contribution to VACo is \$249,606, an increase of \$3,656 or 1.5 percent over the FY 2014 Adopted Budget Plan contribution of \$245,950. The FY 2015 per capita rate is projected to remain at \$0.22 for member contributions and is subject to final FY 2015 budget approval by VACo's governing board.

The Virginia Institute of Government is an ongoing informal gathering of organizational development staff from Virginia localities established to exchange ideas and strategies for developing high-performance governments and to help the Institute identify areas of needed assistance. Work products of the Virginia Institute of Government encompass four main areas: training, technical assistance, electronic information services, and select research projects. The Institute also provides staff support to certain state legislative and study committees.

No funding is included in FY 2015 as Fairfax County has suspended its membership with the Virginia Institute of Government.

Washington Airports Task Force	\$50,000	\$50,000	\$50,000	\$50,000	\$50,000

The Commonwealth of Virginia, Fairfax County, the private sector and other local governments support the Washington Airports Task Force. Its purpose is to develop markets, as well as promote domestic and foreign usage of the Metropolitan Washington Airports. It has yielded hundreds of millions of dollars in economic return for the Washington region and the Commonwealth of Virginia, including investment, tourism income, trade opportunities and jobs. Both Dulles and National Airports continue their significant impact on Fairfax County's economy.

The FY 2015 Fairfax County contribution is \$50,000, which is consistent with the FY 2014 Adopted Budget Plan. The contribution will be used to maintain a comprehensive, proactive marketing and sales program to promote the region's air service opportunities to the world's airlines and other air service providers; encourage improvement of airport access; ensure adequate Air Traffic Control, Homeland Security and Customs support services from the federal government; and support the Metropolitan Washington Airports Authority's Capital Development.

Fairfax Partnership For Youth	\$40,350	\$40,350	\$40,350	\$40,350	\$0

The Fairfax Partnership for Youth was created in 1997 as an outgrowth of the Community Initiative to Reduce Youth Violence (CIRYV). Its mission is to bring the community together to reduce youth violence and promote positive youth development. This agency seeks to reduce youth violence by facilitating a forum for public and private providers to collaborate, evaluate and create programs, activities and services to better integrate activities, fill gaps and avoid duplication of efforts in the provision of services to youth in the community.

Among the types of initiatives undertaken by the Fairfax Partnership for Youth are coordination of the Fairfax Mentoring Partnership; provision of the Support on Suspension (S.O.S.) effort, a voluntary community-based program designed to provide students in grades 6-12 with an opportunity to stay abreast of academic work while out of school due to suspension; the Fairfax County After-School Network for middle school-aged youth to minimize involvement in violence or other risky behaviors; assistance to the County on youth survey analysis; youth services information to provide the community with needed resources; advocacy on youth issues; and the Youth Suicide and Depression Prevention Task Force to study and reduce risk factors for young people.

No funding is included in FY 2015 as the organization is reexamining its role in the community.

NOVARIS	\$9,577	\$9,577	\$9,577	\$9,577	\$9,577

The Northern Virginia Regional Identification System (NOVARIS) utilizes state-of-the-art computer equipment to identify criminals by categorizing and matching fingerprints. It enables police to match a fingerprint found at the scene of a crime with any individual who has been arrested in the Washington Metropolitan area by comparing the print or partial print with all prints in the database.

Participating Washington metropolitan area jurisdictions share costs associated with NOVARIS based on the sworn police population of each jurisdiction as approved by the NOVARIS Advisory Board on July 30, 1997. As of FY 2008, Montgomery and Prince George's counties no longer participate in NOVARIS as those jurisdictions have joined a Maryland regional fingerprint system. However, Loudoun County and the Virginia State Police joined NOVARIS in FY 2008. The system is housed in Fairfax County and is staffed by personnel contributed by the participating jurisdictions. Fairfax County exercises a fiduciary responsibility for the financial management and operation of NOVARIS, with the County contribution made through the Contributory Fund.

The total Fairfax County FY 2015 funding is \$9,577, which is consistent with the FY 2014 Adopted Budget Plan. The contribution consists of the County's annual share of costs associated with operations and upgrades of NOVARIS.

The Health Systems Agency (HSA) of Northern Virginia is a regional body charged with coordinating and improving the health care system for Northern Virginia. To accomplish this, the agency establishes short-term objectives and long-range goals, as well as prepares annual implementation plans. In addition, HSA promotes and assists in community-oriented planning among and within local health care systems, documents and evaluates the need for new services in the region, and reviews health service and facility capital expenditure proposals subject to certificate of public need regulation filed by health service provider organizations in the region. Member jurisdictions include the counties of Fairfax, Arlington, Loudoun and Prince William, as well as the cities of Fairfax, Alexandria, Manassas and Falls Church. Funding contributions to HSA from local jurisdictions are encouraged but are not required.

Fund 10030 Contributory Fund

The FY 2015 funding amount for the Health Systems Agency is \$108,200, which is consistent with the FY 2014 Adopted Budget Plan. The contribution is based on a per capita rate of \$0.10 and Fairfax County's 2010 Census population figures. In FY 2015, revenue of \$262,907 is projected to be received from four sources: grants and contracts, \$52,000 or 19.8 percent; local government contributions, \$179,067 or 68.1 percent; fees, \$31,000 or 11.8 percent; and interest earnings and miscellaneous income of \$840 or 0.3 percent. Fairfax County is the largest local government contributor in FY 2015, providing \$108,200 or 60.4 percent of the support received from the local government units.

Birmingham Green, a collective name, was founded in 1927 as a District Home under legislation passed in 1918 by the General Assembly. The District Home legislation encouraged jurisdictions to join together to establish facilities for indigent persons who need a permanent home and also require assistance with daily living activities. Fairfax was one of five jurisdictions that agreed to participate in the District Home in Manassas.

The property, which is located on 54 acres, includes an original building from 1927, a 180-bed nursing facility, and two joint apartment-type buildings for 92 assisted living residents. The counties of Fairfax, Fauquier, Loudoun and Prince William, as well as the City of Alexandria established the Northern Virginia Healthcare Center Commission in 1987. Each jurisdiction is represented by a member on the Commission.

The present nursing home, Birmingham Green Healthcare Facility, opened in May 1991. The nursing facility accepts residents who are eligible for long-term care Medicaid and who are referred by the five participating jurisdictions. In Fairfax, social workers from the Department of Family Services screen and refer eligible individuals. A few persons are admitted for only rehabilitation and their care is paid for by Medicare or private insurance. For diversification of funding, but in keeping with the mission of serving indigent persons, a limited number of persons who pay privately are admitted.

Fund 10030 Contributory Fund

The old District Home, a licensed assisted living facility, adjacent to the nursing facility, now accepts private pay residents with moderate incomes. The District Home continues to operate under the auspices of the Commission. This facility provides room and board, along with assistance in activities of daily living for older adults and adults with disabilities.

Willow Oaks, a 92-unit licensed assisted living facility replaced the original 64-bed District Home in 2008. Funding for the new facility was primarily provided through the U.S. Department of Housing and Urban Development. As with the nursing facility, individuals are referred by the five participating jurisdictions. To be admitted, individuals must be eligible for auxiliary grants, which supplement the individuals' incomes. Medicaid provides for needed medical care.

Operating costs for Birmingham Green are partially covered through the Medicaid and General Relief programs at the maximum rates established by the state. To the degree that these funds, along with some additional funds from Medicare, other insurance, and private pay, are inadequate to cover the full costs of the operation of the facility, the sponsoring jurisdictions then subsidize Birmingham Green on a user formula basis. Each jurisdiction pays for Personnel Services and Operating Expenses at a level proportionate to the number of the jurisdiction's residents.

As part of the *FY 2013 Carryover Review*, funding of \$50,000 was carried over and appropriated from fund balance to support a feasibility study to support the long-term care services provided by the facility. The feasibility study will assess opportunities to both improve and expand services and maximize operating reimbursements. Fairfax County provides a large portion of the costs of supporting this facility and opportunities to maximize efficiencies may reduce future County requirements.

The total FY 2015 Fairfax County funding for these facilities is \$2,575,761, an increase of \$107,801 or 4.4 percent over the FY 2014 Adopted Budget Plan contribution of \$2,467,960. This increase is based on actual costs and utilization rates at the facility.

Volunteer Fairfax is a private, nonprofit corporation created in 1975 and incorporated in the Commonwealth of Virginia. The center promotes volunteerism through a network of over 1,000 nonprofit and public agencies by mobilizing people and other resources to improve the community. Its primary goals are: to assist private nonprofit and public agencies in developing strong, efficiently managed organizations and volunteer programs; to increase corporate and citizens' direct involvement in the community; to provide programs and services through partnerships that contribute to the resolution of community issues; and to increase the public's awareness of both the need for and the benefits of volunteer service to the community. The scope of the center's work also includes active participation in emergency preparedness activities and coordination through its support of the Citizen Corps, the County's Emergency Management Coordinating Council and Emergency Operations Center, the Northern Virginia Voluntary Organizations Active in Disaster, and the Metro Coalition of Volunteer Centers.

Established in 1964, the Arts Council of Fairfax County is a private, nonprofit organization whose goals are to encourage, coordinate, develop and meet the needs of County residents and organizations for cultural programs. It develops and maintains a broad range of visual and performing arts programs designed to contribute to the growth of an integrated area-wide cultural community. It also supports and encourages the development of local artists and organizations by providing opportunities to reach new audiences through participation in Arts Council-sponsored activities.

In FY 2015, the Arts Council will continue the planning and implementation of the County's Master Arts Plan. The FY 2015 Fairfax County contribution is \$331,694, an increase of \$50,000 or 17.7 percent over the FY 2014 Adopted Budget Plan contribution of \$281,694. The County's contribution to the FSO supports all facets of the orchestra – Masterworks concerts, educational outreach and special concerts. County support in FY 2015 will allow the orchestra to continue its valuable partnership with the Fairfax County Public Schools and the Fairfax County Park Authority to provide music literacy and outreach programs. FSO will continue to expand its Symphony Creating Outreach Resources for Educators (SCORE) program, an interactive and flexible program serving elementary, middle and high school band and orchestra students in Fairfax County Public Schools. In addition, FSO will continue to perform free events at County parks and historic sites.

Since FY 2005, the Board of Supervisors has provided funding to support construction of the U.S. Army Museum at Fort Belvoir in the southeastern part of Fairfax County. The capital campaign to raise \$200 million in private funds has been underway, managed by the Army Historical Foundation, a nonprofit organization dedicated to preserving the Army's heritage. The museum is expected to draw approximately 740,000 visitors annually when it opens. The museum will feature unique educational programs and resources in the areas of technology, history, geography, political science, engineering and civics for students of all ages. The opening date is tentatively set for 2018.

All of the branches of the military either already have a centralized museum, or are in the process of building one. The Air Force Museum is at Wright-Patterson Air Force Base, Ohio; the Navy Museum is at the Washington Navy Yard; and the U.S. Marine Corps opened its National Heritage Center at Quantico Marine Base, less than 20 miles south of Fort Belvoir in Prince William County in November 2006. A County contribution of \$100,000 has been included for the U.S. Army Museum for FY 2015, which is consistent with the FY 2014 Adopted Budget Plan.

Lorton Arts Foundation	\$3,350,000	\$750,000	\$750,000	\$0	\$0

The Workhouse Arts Center is a 56-acre, historically important County landmark, owned by Fairfax County and situated on the site of the former Lorton prison operated by the District of Columbia. Originally constructed in the early 1900's, the former workhouse and reformatory is on the National Park Service's Register of Historic Places, and included the imprisonment of early suffragettes. The prison facility closed in 2001 and the following year it was part of a 2,440-acre purchase by Fairfax County from the federal government. As reflected in the nominal purchase price, the federal sale of the total acreage set aside much of the land to parks and open space, and required the County to develop an adaptive re-use plan for the associated buildings. The County's non-profit tenant, Lorton Arts Foundation (LAF), implemented the adaptive re-use plan on the Workhouse portion of this property in accordance with zoning proffers and other restrictions, restoring 10 historic buildings on the campus with a total of about 84,000 improved square feet.

Fund 10030 Contributory Fund

LAF was created in 2001 as a 501(c)(3) not-for-profit entity. In 2004, LAF engaged local consultants to conduct a Financial Feasibility Study in support of bond financing of the capital renewal plan. The debt burden associated with renovating the campus proved to be unsustainable and threatened to collapse upon LAF. According to a 2012 study, LAF’s original feasibility study “overestimated revenues and underestimated operating expenses” associated with the arts campus. It was further determined that the LAF business model “was created at a time when the national and local economies were robust.” The national economic recession clearly impacted LAF’s ability to achieve its revenue goals, especially in a more challenging fundraising environment. Another study also acknowledged that “building an arts community and educational center from the ground up while managing a complex historical renovation of this scale is a sizable and complex undertaking.” As such, LAF simply overextended its ability to pay for operations and cover the debt. In fact, both studies identified significant, continued Fairfax County support as a critical necessity.

Over the years, the Board of Supervisors invested over \$16 million in this asset, both in infrastructure costs and direct operating support to LAF. Moreover, the Board committed to identifying long-term solutions to this fiscal crisis while honoring prior commitments to open space, parkland and rustic settings that reflect community needs and desires expressed during the intensive land use planning process that led to the development plan at the Workhouse site. During the past 18 months, senior County staff worked with LAF to stabilize their operations, while negotiating a long-term debt resolution. Reflecting its commitment to strong financial management, on January 14, 2014, the Board authorized the purchase of the leasedhold interest in the renovated Workhouse Arts Center campus occupied by LAF, which resolved LAF’s debt crisis and protected this County asset. Further, the Board’s action enabled the continued adaptive reuse of the historic property; provided for the stabilization, preservation and improvement of the site; and will help improve the quality of life in the Laurel Hill community through sustained arts programming at the Workhouse complex. LAF will be abolished and a new non-profit foundation will be restructured under County oversight. Consistent with these actions, the County’s funding of \$750,000, which in the past was provided to LAF for annual operating deficit support, is eliminated in FY 2015.

The Northern Virginia Regional Park Authority (NVRPA) is a multi-jurisdictional, special-purpose agency established to provide a system of regional parks for the Northern Virginia area. The NVRPA currently operates 24 regional parks and owns over 11,000 acres of land, of which more than 7,900 acres are in Fairfax County. Parklands within the system include: Bull Run, Bull Run Marina, Fountainhead, Sandy Run, Pohick Bay, Carlyle House Historic Park, Potomac Overlook, Upton Hill, Algonkian, Red Rock, the W&OD Trail, Occoquan, Hemlock Overlook, Cameron Run, Gateway, Meadowlark Gardens, Ball’s Bluff, Temple Hall, Brambleton, Aldie Mill and Blue Ridge Park. In addition, the NVRPA administers extensive regional historic and conservation properties throughout Northern Virginia. These community resources are supported primarily from the annual contributions of its six member jurisdictions: the counties of Fairfax, Loudoun and Arlington, and the cities of Fairfax, Alexandria and Falls Church. Each member jurisdiction’s contribution is in direct proportion to its share of the region’s population. In the past decade, the entire population served by the NVRPA grew to over 1.8 million residents and is expected to approach 2.0 million by 2020.

Fund 10030 Contributory Fund

In FY 2015, the NVRPA is asking member jurisdictions for \$3,514,510, which is an increase of \$71,493 over FY 2014, based on a per capita rate \$1.89, which is unchanged from FY 2014, and updated population figures. For FY 2015, NVRPA projects that 84.3 percent of operating costs will be funded with park revenues, with the remaining 15.7 percent coming from member jurisdictions. Fairfax County's contribution to the Northern Virginia Regional Park Authority in FY 2015 is \$2,114,158, an increase of \$33,850 or 1.6 percent over the FY 2014 Adopted Budget Plan based on an increase in the County's population.

It should be noted that in addition to the operating contribution, an amount of \$3,000,000 has been included in Fund 30010, General Construction and Contributions, as the FY 2015 annual capital contribution.

It was founded in 1996 as an educational institution to promote the social and economic vitality of Reston through a program of history-based educational activities. Since FY 2000, Fairfax County has provided annual funding to the Reston Historic Trust to assist in the operational costs of the Reston Museum, located at Lake Anne Plaza. The museum has evolved as a focal point in the community, hosting special events, weekend programs and lectures, and providing exhibits that depict Reston's past and future.

In FY 2015, the organization will continue its efforts on education, community outreach, and cultural development, through collaborative programming and training with other area organizations. A private/public partnership was established in 1968 between the Wolf Trap Foundation and the National Park Service for the operation of the Wolf Trap Farm Park for the Performing Arts in Vienna, Virginia. The partnership was founded through a gift of land to the United States Government. The National Park Service maintains the property and conducts parking and audience management.

The Foundation, with a budget in excess of \$28.0 million, is responsible for all other aspects of running the facility, including the presentation of a wide variety of performances and educational programs. Foundation programs reach nearly 410,000 people in Fairfax County each year at two sites: the Filene Center, a 7,000-seat outdoor amphitheater in a park-like setting; and the Barns of Wolf Trap, two 18th Century barns reconstructed at Wolf Trap using original building materials and techniques.

In FY 1999, Fairfax County began to contribute funding to Wolf Trap to support the Foundation's efforts to provide Fairfax County citizens with access to the best possible performing arts, and to position Fairfax County nationally as a leader in the arts and arts-in-education. Educational programs focusing on Fairfax County's young children and their teachers, parents and caregivers include development workshops for teachers, family involvement workshops, and field trip performances. For example, Wolf Trap is partnering with Fairfax County Public Schools to develop and evaluate new techniques of using the arts to advance science, technology, engineering and math (STEM) learning among kindergarten students.

Commission for Women	\$6,916	\$6,916	\$6,916	\$6,916	\$6,916

The Commission for Women was created by the Board of Supervisors in 1971 to promote the equality of women and girls in Fairfax County, to advise the Board on the concerns of Fairfax County's women and girls; to present possible solutions; and to effect long-term change through public education, policy reform and building community partnerships. The Commission is composed of 11 members, nine of whom are appointed by members of the Board of Supervisors and two at-large members appointed by the Board's Chairman. There is also a student representative from a local college or university who is a non-voting member.

In FY 2015, the Commission will focus on several initiatives, including participating in the County's Domestic Violence Prevention Policy Coordinating Council and leveraging existing County resources by collecting used cell phones for the Verizon Wireless HopeLine Program, which puts wireless services and equipment to work to assist victims of domestic violence.

The total FY 2015 Fairfax County contribution to the Commission for Women is \$6,916, which is consistent with the FY 2014 Adopted Budget Plan.

Convention and Visitors Corporation	\$2,608,344	\$2,730,901	\$2,730,901	\$2,390,283	\$2,390,283

As a result of enabling legislation approved by the 2004 General Assembly, the County was granted the authority to impose an additional 2 percent Transient Occupancy tax beginning July 1, 2004. As required by the legislation, no less than 25 percent of the additional revenue is to be designated for and appropriated to a nonprofit Convention and Visitors Corporation located in Fairfax County.

The mission of the Convention and Visitors Corporation, known as Visit Fairfax, is "to create and effectively market exciting products, programs and activities that will distinguish Fairfax County as a premier tourism destination." Visit Fairfax is a 503(c) (3) organization with 25 board members appointed by the Board of Supervisors and the tourism industry.

Based on the projected Transient Occupancy Tax revenue in FY 2015, the total Fairfax County FY 2015 contribution to the Convention and Visitors Corporation is \$2,390,283, a decrease of \$340,618 or 12.5 percent from the FY 2014 Adopted Budget Plan contribution of \$2,730,901.

The organization supports a native forest gardener network which produces, conserves and restores native plants of the Washington, DC metropolitan area. This program aims to produce batches of seedlings that are genetically diverse, locally adapted and representative of the native forest flora. Volunteer opportunities involve planting the native seedlings, shrubs, wild flowers, grasses and trees in local parks, fields, and forests. Earth Sangha partners with the Fairfax County Department of Public Works and Environmental Services and the Fairfax County Park Authority on several planting events throughout the County, including at Wilburdale Park in Annandale, Waverly Park in Vienna, Frying Pan Park in Herndon, and Sully Historic Park in Chantilly, among others.

As part of the *FY 2011 Carryover Review*, funding of \$250,000 was approved to provide ongoing support for the Fairfax 2015 World Police and Fire Games. The games are an Olympic-style event held biennially throughout the world to promote friendly competition, camaraderie, and international relationships among the participants. This event is anticipated to generate considerable revenue through the thousands of visitors that will come to Fairfax County for the Games and will stay in local hotels, eat, and shop at County establishments. The 10-day event is projected to bring as many as 10,000 participants and 15,000 visitors to Fairfax County. Additional corporate and private support is also being generated for this effort.

As part of the *FY 2013 Carryover Review*, funding of \$1,000,000 was provided to support the games due to upcoming contractual requirements.

The total FY 2015 contribution for the Fairfax 2015 World Police and Fire Games is \$2,000,000, an increase of \$1,750,000 over the FY 2014 Adopted Budget Plan contribution of \$250,000. This increase is required to cover contractual requirements associated with the games.

The Inova Translational Medicine Institute (ITMI) is Inova's visionary initiative to bring personalized medicine to Northern Virginia and the world. It is leading the transformation of healthcare from a reactive to a predictive model using technological innovation, pioneering research and sophisticated information management. The goal is to provide the right treatment for the right patient at the right time, and ultimately prevent disease in the first place. The long-term work of ITMI will enable Inova to successfully and quickly translate advances from genomics (the study of genes and their function) and the molecular sciences to patients, optimizing individual health and well-being.

Consistent with the Board of Supervisors' direction, funding of \$500,000 has been included as part of the FY 2015 budget to establish a partnership with ITMI. Inova's entry in translational medicine will not only dramatically improve personalized health care of Fairfax County citizens, but will help solidify the County as a visionary jurisdiction on the cutting edge of the future of medicine, bringing notable increased economic development to the area.

Northern Virginia Community College	\$90,636	\$90,030	\$90,030	\$89,635	\$89,635

Northern Virginia Community College (NVCC) is a comprehensive institution of higher education offering programs of instruction generally extending not more than two years beyond the high school level. The College currently has six campuses (Alexandria, Annandale, Loudoun, Manassas and Springfield for medical education and Woodbridge) with permanent facilities constructed on each site. In addition to the six campuses, the College has centers in Arlington and Reston. Each year, the College serves more than 60,000 students in credit-earning courses and more than 25,000 students in continuing education and training activities.

NVCC projects FY 2015 expenditures of \$213,065 for base operating requirements. The base, which is funded by the governing bodies of the local jurisdictions served by the College, as well as any fund balances support additional services that cannot be provided under the College's annual state fiscal

appropriations. For example, local funding provides for increased matching loan funds and support of community service activities. This local funding is for Operating Expenses only and is not applied toward Personnel Services. The local jurisdictions served by the College are requested to contribute their share of the College's base expenditure, which is calculated on a per capita basis as reported by the College using population figures from the Weldon Cooper Center for Public Service.

The FY 2015 Fairfax County contribution to this agency for operations and maintenance is \$89,635, a decrease of \$395 or 0.4 percent from the FY 2014 Adopted Budget Plan contribution of \$90,030. This decrease is due to shifts in population among the contributing jurisdictions. This amount reflects the County's share of the services provided to Fairfax County residents as reported by the College and is 47.8 percent of the local jurisdictions' contributions totaling \$187,429 for FY 2015.

In addition, County funding of \$2,502,731 is included in Fund 30010, General Construction and Contributions, for an annual capital contribution to the College based on a \$2.25 per capita rate using population figures provided by the Weldon Cooper Center. Funding provides for the continued construction and maintenance of various capital projects on college campuses within the NVCC system.

In FY 1995, Fairfax County entered into an agreement with the City of Falls Church, the Virginia Polytechnic Institute and State University (VPI), and the University of Virginia (UVA) to provide support for a new Education Center to be constructed in Falls Church, offering graduate and continuing professional education services. As part of this agreement, the Board of Supervisors agreed to waive all development/regulatory fees and costs, and provide review and inspection services necessary for the development of this center. In addition to one-time FY 1996 sewer availability and connection charges of \$70,881, the County agreed to contribute an annual amount of \$50,000 toward the facility, to be paid each year for 20 years, commencing in FY 1995. The total value of this 20-year contribution will be \$1,000,000.

No FY 2015 contribution has been included based on the expiration of the 20-year funding agreement with the organization.

The mission of the Fairfax Public Law Library is to promote justice by providing all citizens with access to legal information. The legal resources available in the Law Library are not available to the public at any other single location within the County. In 2001, Fairfax County, the Clerk of the Court, and the Fairfax Bar Association (FBA) entered into an agreement with regard to the Law Library. The agreement provides that Fairfax County, through the Fairfax County Public Library (FCPL), shall have primary responsibility for the administration of the Law Library, while the FBA has primary responsibility for its management.

Currently located in the Fairfax County Judicial Center, the Fairfax Public Law Library assists the public, as well as members of the legal community, with locating sources for legal information and provides bibliographic instruction. In addition to the collection, the Law Library has eight work stations dedicated to providing general information on divorce, immigration, estate planning and employment for patrons, as well as eight computer work stations where the public may locate sample legal forms and do a variety
