 FY 2015 Advertised Budget Plan: Performance Measures

Communications Policy and Regulatory Division

Goal

To encourage competition and innovation in countywide deployment of cable communications services; to protect the public by enforcing cable communications construction safety codes and procedures, customer service regulations, consumer protection statutes, franchise agreements, the Fairfax County Communications Ordinance and applicable law; to respond to public and County agency inquiries regarding communications policy, statutes, regulations, and technological developments; to support development of community networks to cost-effectively transport video and data; and to maintain reliable means of mass communication of official information during public safety emergencies.

Objective

To inspect 23 percent of cable communications construction work sites within the County and achieve 100 percent correction of all identified instances of non-compliance with applicable federal, state, and County cable construction and public right-of-way codes and standards.
