Homeowner and Business Loan Programs

Mission

The overall goals of the Homeowner and Business Loan Programs are to enhance the quality of life and economic base of the County by providing support for homeownership, to repair and upgrade existing housing, and to assist small and minority businesses. One focus is to provide a means and opportunity for low- and moderate-income households to become homeowners in the County through the First-Time Homebuyers Program operated by the FCRHA and offering units through the Moderate Income Direct Sales (MIDS) Program and Fairfax County's Affordable Dwelling Unit (ADU) Ordinance. The second focus is to provide affordable loans for housing improvement and rehabilitation to qualifying low-income homeowners or homeowners living in areas targeted for improvement, resulting in the elimination of health and safety code violations, enhancing the quality and appearance of existing housing and retaining existing affordable housing. The third focus is to provide business assistance and counseling services as well as direct loans to qualified minority businesses.

Focus

Fund 40360, Homeowner and Business Loan Programs, is comprised of three programs designed to meet the agency mission as detailed below:

- ◆ The First-Time Homebuyers Program is designed to provide affordable homeownership opportunities for low- to moderate-income families who otherwise could not afford to purchase a home. The Moderate Income Direct Sales (MIDS) program as established in 1978, acquired or constructed units sold by the FCRHA to moderate income families, with second trust loans provided to make the loan amount affordable. The resale price of the unit is limited, and the FCRHA has the right of first refusal when the home is resold. Since 1993, the FCRHA has been marketing units that are provided under provisions of Fairfax County's Affordable Dwelling Unit Ordinance. These units also serve low- and moderate-income households who are first-time homebuyers earning at least \$25,000. Homes range in price from \$70,000 to \$180,000. Restrictive covenants apply that limit the sales price, and require owners to occupy the home. Homes purchased currently have a 30-year control period. The FCRHA has the right of repurchase or the right to assign the purchase to a new homebuyer. Applicants for both ADU units and MIDS units are required to participate in homeownership education classes and obtain a pre-conditional approval from a lender to participate in drawings to receive these homes.
- ◆ The Home Improvement Loan Program (HILP) provides loans to low- and moderate-income individuals to repair, modernize, or expand the living space for their families to help alleviate overcrowded conditions. Funds are also loaned to homeowners who are cited for health and housing code violations, and for replacement housing, if necessary. Grants are provided for low-income elderly or disabled residents through the Elderly Home Repair Program to make needed repairs and provide for handicapped accessibility, to prevent displacement, and to allow these individuals to live in safe and sanitary housing. County appropriated funds within Fund 40360, Homeowner and Business Loan Programs, are used in conjunction with federal funding in Fund 50800, Community Development Block Grant, to increase the assistance available to County residents.

Homeowner and Business Loan Programs

- ◆ The Small and Minority Business Loan program was initiated in FY 1996, and Fund 40360, Homeowner and Business Loan Programs, was expanded to include the receipt of federal funds for the operations of this program which provides loans to qualified small and minority businesses. Program funds are administered by the Community Business Partnership (formerly the South Fairfax Regional Business Partnership, Inc.) through an agreement with the Department of Housing and Community Development. Loan repayments from the business loans will be received as revenue in Fund 40360, Homeowner and Business Loan Programs, and will be used to pay debt service on the Section 108 Loan 7.

Program Income from HILP and MIDS programs will provide direct loans, consistent with the business plan approved by the FCRHA and the Board of Supervisors.

FY 2015 revenues are projected to be \$2,187,600 with the actual results reliant upon economic conditions, participant's ability to repay rehabilitation loans and the real estate market environment for MIDS and ADU resale properties and second trusts. The Section 108 loan will be repaid according to scheduled payments. In addition to the funding in Fund 40360, the HILP Program initiated a two percent loan origination fee as of July 1, 1996 on all loans settled by the program. The revenue generated by this program goes directly into Fund 81000, FCRHA General Operating to support staff costs associated with the program.
