

# Fund 50000

## Federal-State Grant Fund

### Mission

To provide reserves for unanticipated and anticipated grants awarded to Fairfax County from federal, state, and other funding sources. The reserves enable Fairfax County to accept grant funding to enhance services provided to the residents of Fairfax County.

### Focus

In order to provide a comprehensive summary of grant awards to be received by the County in FY 2015, awards *already received* and awards *anticipated to be received* by the County for FY 2015 are included in the Fund 50000, Federal-State Grant Fund budget. The total FY 2015 appropriation within Fund 50000, Federal-State Grant Fund is \$100,394,265, an increase of \$9,414,061, or 10.3 percent, over the FY 2014 Adopted Budget Plan total of \$90,980,204.

In order to secure grant funding, the grantor often requires that a certain percentage of funds be matched from local funding sources. In FY 2015, the General Fund commitment for Local Cash Match totals \$5,208,464, an increase of \$150,499, or 3.0 percent, over the total FY 2014 anticipated need for Local Cash Match of \$5,057,965.

Prior appropriation of the anticipated grants will allow for grants to be handled in an expeditious manner when actual awards are received. As specific grants are awarded and approved, a supplemental appropriation of the required funds is made to the specific agency or agencies administering a grant. This increase in a specific agency grant appropriation is offset by a concurrent decrease in the grant reserve. The list of anticipated grants to be received in FY 2015 was developed based on prior awards and the most recent information available concerning future awards. A detailed list of grant programs by agency, including a description of the grant programs funded, the number of positions supported, and the funding sources (federal/state grant funds, General Fund support, and other support) is included. In addition, an amount of \$5,075,000 is included as part of the reserve to allow for new grant awards that were not anticipated.

The current County policy for grant application and award is based on certain pre-established criteria. If a grant is \$100,000 or less, with a required Local Cash Match of \$25,000 or less, with no significant policy implications, and if the grantor does not require Board of Supervisors' approval, the agency can work directly with the Department of Management and Budget to receive the award and reallocate funding from the anticipated/unanticipated reserve directly to the agency. If an award exceeds these limitations but was listed in the Anticipated Grant Awards table in the Adopted Budget for the current fiscal year, the Board of Supervisors' approval is not required unless the actual funding received differs significantly from the projected funding listed in the budget. For any grant that does not meet all of the specified criteria, the agency must obtain Board of Supervisors' approval in order to apply for or accept the grant award.

### Funding in Reserve within Fund 50000

An amount of \$100,394,265 is included in FY 2015 as a reserve for grant awards. Grant awards are principally funded by two general sources – federal/state grant funding and Local Cash Match. The FY 2015 reserves for each of these sources are estimated for anticipated grant awards and for unanticipated grant awards. The Reserve for Grant Funding and the Reserve for Local Cash Match are shown on the fund statement as both estimated revenue and estimated expenditures.

In FY 2015, the Reserve for Grant funding is \$95,185,801, including the Reserve for Anticipated Grant Funding of \$90,185,801 and the Reserve for Unanticipated Grant Funding of \$5,000,000. This reflects an increase of \$9,263,562, or 10.8 percent, over the FY 2014 Adopted Budget Plan Reserve for Grant Funding of \$85,922,239. The increase is primarily attributable to increases in estimated funding for grants in the Department of Transportation, the Fire and Rescue Department, the Fairfax-Falls Church Community Services Board, and the Department of Family Services, as well as Emergency Preparedness grants.

In FY 2015, the Reserve for Local Cash Match is \$5,208,464 including the Reserve for Anticipated Local Cash Match of \$5,133,464 and the Reserve for Unanticipated Local Cash Match of \$75,000. This reflects an increase of \$150,499, or 3.0 percent, over the FY 2014 Adopted Budget Plan Reserve for Local Cash Match of \$5,057,965. This increase in Local Cash Match requirements is due an increase in requirements for the Department of Family Services, the Fire and Rescue Department, and the Juvenile and Domestic Relations District Court, partially offset by a decrease in requirements for the Office to Prevent and End Homelessness.

The Reserve for Local Cash Match is a projection of the County contributions required for anticipated and unanticipated grant awards. The anticipated Local Cash Match required by agencies is as follows:

## **Fund 50000**

### **Federal-State Grant Fund**

---

<sup>1</sup> The *FY 2014 Revised Budget Plan* Beginning Balance reflects \$10,804,081 in Local Cash Match carried over from FY 2013. This includes \$6,603,486 in Local Cash Match previously appropriated to agencies but not yet expended and \$4,200,595 in the Reserve for Estimated Local Cash Match.

<sup>2</sup> In order to account for revenues and expenditures in the proper fiscal year, audit adjustments in the amounts of \$1,139,838.45 in revenue and \$1,139,838.24 in expenditures have been reflected as increases to FY 2013 actuals to properly record revenue and expenditure accruals. This impacts the amount carried forward resulting in a decrease of \$1,139,838.24 to the FY 2013 Revised Budget Plan. The audit adjustments have been included in the FY 2013 Comprehensive Annual Financial Report (CAFR). Details of the audit adjustments will be included in the FY 2014 Third Quarter package.

<sup>3</sup> Represents funding received by the Department of Family Services, Health Department, Office to Prevent and End Homelessness, Fairfax-Falls Church Community Services Board, and the Department of Vehicle Services as part of the American Recovery and Reinvestment Act of 2009 (ARRA).

<sup>4</sup> Emergency Preparedness grant funding is reflected as a separate category in order to centrally identify grant funds earmarked for security and emergency preparedness requirements. Agencies currently involved in this effort include the Office of Public Affairs, Department of Information Technology, Health Department, Police Department, Fire and Rescue Department, and the Office of Emergency Management.

<sup>5</sup> The Ending Balance in Fund 50000, Federal-State Grant Fund, fluctuates primarily due to timing, as some revenues received late in the fiscal year have not been by spent by June 30 as the time period for spending grant funds often continues beyond the end of the fiscal year.
