

Office of Emergency Management

FY 2016 Advertised Budget Plan: Performance Measures

Office of Emergency Management

Goal

To enhance public protective actions and promote domestic preparedness through a comprehensive and effective emergency management program that will adequately mitigate, prepare for, appropriately respond to and quickly recover from natural, technological and terrorist-related emergencies that may impact the residents of Fairfax County.

Objective

To increase the working knowledge of the roles, responsibilities and functions of emergency management within Fairfax County by providing training to 95 percent of partner agencies and organizations identified in the County's Emergency Operations Plan (EOP).

Performance Indicators

Outcome				
Percentage of County and volunteer agencies identified in EOP that receive training	95%	95%	95% / 95%	95%

Note: Increase in number of Outreach sessions in FY 2012 is due to the addition of the Emergency Operations Center (EOC) tours added to the total number.

In FY 2013, the drop in the estimated number of training and exercises conducted is due to budget constraints and feedback from agencies on the time commitment as well as real events taking place.

The FY 2012 and FY 2013 actual data for Business Partnerships formalized with MOUs is pending the completion of the economic Development Recovery Plan.
