

Response to Questions on the FY 2006 Advertised Budget Plan

Request By: Chairman Connolly

Question: In Fund 303, County Construction, there is a proposal for \$50,000 for the design and conceptual development of a performing arts stage at the Government Center. What is the time frame for this project?

Response: Funding of \$50,000 is included in the FY 2006 Advertised Budget Plan to support design and conceptual development of a performing arts stage to be located on the ellipse at the Government Center. The time frame for the development of this project is dependent on the completion of the conceptual design and the availability of future funding for construction costs.
