

## Response to Questions on the FY 2006 Advertised Budget Plan

**Request By:** Supervisor DuBois

**Question:** How many Patrol Officers are assigned to each district station?

**Response:** The following table outlines the number of Patrol Officers assigned to each district station. Each district is made up of several "Police Service Areas" (PSAs). PSAs are established based on geographic considerations and the number of calls for service in a given area. The number of Patrol Officers assigned to each station is then based on these factors.

<u>District</u>	<u>Number of Patrol Officers</u>
Mt. Vernon	86
McLean	92
Mason	84
Reston	75
Franconia	90
West Springfield	86
Fair Oaks	72
Sully	65
<b>Total Patrol</b>	<b>650</b>

It should also be noted that in addition to Patrol Officers, other sworn Police staff such as School Resource Officers, School Education Officers, and other command and supervisory staff are assigned to district stations. In all, 933 sworn personnel are assigned to the Patrol Bureau at the County's eight district stations.
