

## **Response to Questions on the FY 2009 Advertised Budget Plan**

**Request By:** Supervisor McKay

**Question:** What do the schools estimate the proposed sports activity fee will generate?

**Response:** Fairfax County Public Schools have provided the following information:

If a \$100 fee were charged to high school students engaged in VHSL athletics, this fee would generate approximately \$1.3 million in additional revenue. This estimate assumes students eligible for free or reduced price meals would be exempt from the fee. The proposal to charge an activity fee included in the FY 2009 Proposed Budget was removed by the School Board in adopting the FY 2009 Advertised Budget due to negative citizen feedback regarding the impact on sports participation.
