A. Listed below are answers to questions received via email:

- Q1. Cost and Pricing (sections 8, 9 and Appendix B): Please confirm that providing discounted; fully loaded hourly rate by labor category will be acceptable for this proposal.
- A1. Providing fully loaded hourly rates is required as noted in Sections 8 and 9 and Appendix B to show direct and indirect hourly rates (wage rates, overhead and profit). A task order will be set up for each requested scope of work and the total fee will be based on the contracted rates.
- Q2. Work Plan (Section 6.2): the RFP also requests a detailed description of a work plan for each element of the scope. Is this required for this RFP, or would you require the work plan following selection as specific scopes and budgets for tasks are developed?
